Outfitting Misses, Little Girls and Infants Our Pride Opening Sale and Display Today

—We specialize in these lines and delight in doing it, and no store in Portland is better prepared to serve you than we are.
—Wonderful assortments of cute and pretty garments for infants—everything from flower-bedecked bonnets to dainty little white shoes and stockings, pretty modish dresses, coats and hats for the little girl and her elder sister. Gingham and percale dresses, lawn and lingerie dresses, middie blouses, coats and suits.
—We inaugurate the greatest sale ever held in Lilliputian apparel. We have planned well and believe this sale will be phenomenally successful for two reasons: **FIRST—The quality of our styles and materials. SECOND—The reasonableness of our prices.** There are no fictitious, out of reason, original prices placed upon these garments and then a reduction made and called a sale. This claptrap jugglery is unknown in this store. We ask your patronage—based on a comparison of values offered elsewhere.
