Oregon Electric Finds Difficulty in

Getting Right of Way.

M'MINNVILLE, Or., April 19 .- (Spe cial.) - The Oregon Electric Railway Beimont street must be extended to Tabor Heights as soon as it can be brought about.

Mr. and Mrs. Fallman own a tract of land adjacent to the Southern Pacific right of way at Rex, and the Oregon Electric survey, which parallels the Southern Pacific for a short distance, also runs through the tract. When ap proached by the right-of-way agent of the Oregon Electric, Mr. Failman said that the Southern Padific wanted to buy the land, and he could not nego-

tiate, with him. The Fallman land occupies a strate-

Thirteen Acres Near City Park

Bought for \$45,000.

Henry Hahn and Julius Durkheimer, of Wadhains & Co., have purchased 13 acres to the southwest of the lower reservoir, near the City Park. The consideration is expressed as \$45,000, which is approxi-

mately \$1500 an acre. This tract is part of the holdings of ex-Governor Grover, and it is the intention of the purchasers, after first picking out attractive sites for their own residences, to subdivide the tract into residence lots.

BUNGALOWS.

club as he was being annoyed by peo-ple coming to the house on the supposition that it belongs to the city. The property on which the house stands is in litigation, but hundreds who visit Mount Tabor do not understand why the city does not take possession of the house and make it a rest place for the public. It was the sentiment that if the residence should be vacated, the premises would be damaged.

It is reported that the City Attorney believes the city can give bonds and take possession of the whole park tract at Mount Tabor and throw it open to the use of the public. The

committee on music was instructed to ask that several band concerts be provided for Mount Tabor this season. In the matter of extending Belmoni street from East Sixty-second to Ta-

bor Heights, it was reported that two property-owners were holding out for more money than the viewers had al-lowed them, but that the whole bust-Name ... ness would be settled in the court within a few weeks. It was the unani-mous sentiment of the meeting that Address

The people of Portland and vicinity are cordially invited to visit the Magnificent new Office Building and inspect the home of the Company. Heads of Departments of the Portland Railway, Light and Power Company will be in charge of receiving visitors and escorting them through the Building.

Good music will be rendered by the Electric Orchestra on the Fourth floor, and bands also will play on the First and Fifth floors during reception hours.

The entire building interior will be beautifully decorated with plants and flowers, and brilliantly illuminated.

Light refreshments will be provided for lady visitors, who will be made especially welcome. Cigars for the men visitors.

Demonstrations given on the First floor of electrical housekeeping appliances, including cooking and baking.

This building is pronounced one of the haudsomest and nost conveniently arranged in the country, and gives to Portland the leading public-service structure of the country.

Citizens should embrace this opportunity to examine into the internal workings of a big corporation.

Obviously, small children are not expected, owing to danger attending their presence in a large crowd.
