Sizes to fit any foot; fitted with same guarantees as though we asked regular price. Values up to \$6.00; your choice at, the pair \$3.19

EARLY ACTION IS URGED

EAST SIDE WHOLESALERS PLEAD FOR TERMINALS.

Delegation Meets Mayor and Council Committee to Ask That Streets Be Vacated.

Representatives of large wholesale houses of the East Side districts yesterday afternoon presented to Mayor Simon and members of the special Council committee on Broadway bridge negotiations a petition requesting early action by the Council in vacating certain streets on the East Side for use of the O. R. & N. Co. as terminal grounds and freight yards.

A brief session of the committee was held at the City Hall, when 50 leading men handling millions of dollars' worth of goods every year were present to express their desire for prompt action.

Mayor Simon and Councilmen Wallace, Menefee and Rushlight were present. They heard the statements of representatives of the business men, after which the Mayor said that the committee would give earnest consideration to the petition.

The business men declare that their district for years has been held in check by lack of freight facilities and that they deem it necessary to have immediate action by the Council that will permit the O. R. & N. to provide terminal yards and freight depots on the East Side. Concluding their petition, these business men say:

IT BEGINS AT 9 O'CLOCK

The closing-out sale of the McAllen & McDonald stock will begin this morning at 9 o'clock.

Yakima Fears Labor Famine.

NORTH YAKIMA, Wash., April 23.—(Special.)—With a bumper fruit crop in prospect, Fred E. Thompson, the premier authority on fruit questions in the Yakima Valley, believes that the labor problem this season will be a serious one. If the crop is as large as it has every indication of being he says the fruitgrowers will need every person, young and old, that can be procured to handle it. The fruit crop of the valley is expected to amount to 3000 or 3500 carloads this season.

Ten town lots given away. See page 5.

BABE KILLED BY MOTHER

WOMAN CRUSHES LITTLE ONE'S SKULL WITH AXE.

Husband's Prompt Act Saves Son From Similar Fate—Insanity Result of Illness.

NEWBERG, Or., April 22.—(Special.)—Mrs. F. E. Rollins, whose home is a half-mile north of Newberg, this afternoon killed her 2-year-old daughter Joyce with an axe, striking her three blows on the head. The little one was playing in the yard with a brother two years older, and still held a bunch of flowers in her hands when Coroner Tibberty arrived from McMinnville. The mother approached the child from behind, striking it on the top of the head and crushing its skull. The mother started for the other child with the axe raised, but was stopped by her husband, who jumped a fence just in time to save the son.

Mr. and Mrs. Rollins came to Newberg a year ago from Rochester, Minn., where he had been engaged in the jewelry business. They bought a small tract near town and settled down in a quiet way, saying they needed a rest for a time, and have not mingled much in society. The mother is believed to be insane. Mr. Rollins said that his wife had not been wholly of sound mind since the birth of the child she killed and that he had been watching her movements as best he could. Sheriff Henderson took Mrs. Rollins to the county

This Is the Last Day of the Great Sale of Dress Goods
