BILLY SPEAS DOES STUNTS

Four Times Left Fielder Lifts Yells From Crowd by Spectacular Grabs of Hard Drives—Six to Two Is Final Score.

PACIFIC COAST LEAGUE. Yesterday's Results. Portland 6, Oakland 2. San Francisco 6-8, Sacramento 2-8. Vernon 7-3, Los Angeles 5-4.

BY W. J. PETRAIN.

In a game replete with hard hitting Portland made its third straight win from the Oakland tribe, and incidentally four out of the opening week's series of six by annexing the long end of a 6-to-2 score yesterday.

At the start of the game Jesse Garmae pitched, but Speas nailed the ball and Dink, but the latter was hammered to all corners of the lot, and Harry Wolferton derrickd him in favor of Tyler Christian, after Olson and Eppes had binged for two bags apiece as first two up in the fifth, Christian did much better, for Olson's second baseman, Sager, which was negotiated in the seventh canto, was the only tap he allowed.

However, while the long hits and clusters of runs collected by the home guard especially pleased the 12,000 or more bugs present, the sensational work of Billy Speas in the left field was the brilliant feature of the game.

Four times did Portland's speedy left gardener dive into the left field and capture hard-hit drives ticketed for two bases according to the ground rules.

Thee did Maggart drive to left. The second time Speas was again on the job with a grand-stand catch, and in the eighth inning Mitze ticketed one for that same crowd, but Speas nailed the ball and held it while falling over a number of women seated in the grass.

TEX RICKARD IS AT CAMP

Promoter Asks Giant's Manager to Be in San Francisco, When He Will Post Additional Money for Purse.

BEN LOMOND, Cal., April 24.—In the presence of a crowd of critical fight followers, who visited Jeffries' training camp today to take account of the last three weeks' progress, the big fighter gave a physical culture exhibition which more than satisfied the visitors.

Jeffries' condition compared with his physical trim when he began training shows a remarkable improvement, and for the first time today he frolicked about the gymnasium with his old-time exuberance of spirits.

The morning workout consisted of a session with the chest weights, followed by a fast mix-up with the medicine balls and punching bag. He led up to the boxing bout by a preliminary exhibition of shadow boxing, finishing with three fast rounds with Bob Armstrong and two more rounds of roughing it with Farmer Burns.

Boxing Star Event. The boxing was, of course, the three-star special event of the workout, and took place at high noon, in the hand-ball court, which was hotter than a Turkish bath at the hour.

Tex Rickard and Jeffries' friend, Clarence Berry, reached camp in time to witness the boxing and the set-to with Berger. Rickard expressed surprise at Jeffries' marked improvement.

Berger has not hesitated to say in the past that the big fighter's work lacked fire and gink, but this morning he declared he was satisfied for the first time.

JOHNSON GETS FAT

Friends Fear Negro May Not Be Able to Develop.

GOES TO CHURCH SUNDAY

"Big Feeds" Have Given Champion Bad Appearance—Much Entertaining in Omaha, but "Swift Pace" Begins to Tell.

OMAHA, Neb., April 24.—(Special.)—Jack Johnson and his party left for the West this afternoon. Johnson, among the white people, has left behind him the impression that unless he changes his habits and gets down to work every morning, he will not be in the same class with Jeffries when the two enter the ring.

But the special admirers of Johnson insist that the negro is so fat that he will not be able to train down within the time. Then, too, his wind is bad. After giving his exhibition here, which consisted of a couple of rounds of tame boxing, he was puffing and wheezing like a porpoise.

Today Johnson had one of the busiest days of his life, being up almost with the sun. He had an early engagement for an automobile ride of 15 miles through the parks.

Upon his return he breakfasted with a number of leading colored men and then attended church, where a colored pastor spoke. After church there was a reception, which was followed by another big feed, and then another automobile ride to one of the engine houses, where a company of colored men are stationed.

Returning to the hotel, Johnson and members of his party were hurried into an automobile and driven to the depot just in time to catch their train West.
