

IS GOING, GOING!

IT WILL SOON BE GONE

An even forty lots were sold to delighted purchasers the first two days—one-fifth of the entire tract.

That is pretty good isn't it?

The crowds that were our guests yesterday were enthusiastic in their praises of

Going Street Addition

And showed their good judgment by annexing some of our prettiest 100x100 building sites.

And just think, these lots, 50x100, highly restricted and in a high-class residence district are only

\$600, ten per cent cash, and \$10 per month.

Going Street Addition

Is the best investment in high-class residence property in Portland today.

We have all the restrictions and all the classy features that the best of them have, at very low prices.

June 1st these prices will be raised \$100 per lot. A \$60 investment will place you in position to profit by this advance in prices.

There will be some startling developments in this locality in the very near future. Better get in now before it is too late.

Come out and see our property today. Take a Broadway car to East 24th and Fremont, or an A car to 30th and Alberta. Our autos will meet you at either place. Autos leave our office, 820 Chamber of Commerce, at all hours of the day.
