Walker Business College. This team has played but a few games and won but two of them, but nevertheless has given a good account of itself.

The first game of the season was with the High School team of Vancouver. Wash, in which the local team won by the score of 12 to 4. The next game was with the Lincoln High School team of Portland, in which they were beaten, 6 to 3, by a rally on the part of the High School lads in the ninth inning, when three runs were made. The team from the School for Deaf Mutes at Vancouver was played next and again defeat was the share of the Business College men.

The Behnke-Walker players next played and defeated their old-time rivals, the Holmes Business College team, on the Catholic Young Men's Club field, by a score of 9 to 5. Among the players on the Holmes nine were several local stars, including Will Gleason, catcher. He also catches for the Catholic Young Men's Club team and is one of the best amateur catchers in the city.

Harry Shaw, the pitcher, though rather small, has a large assortment of curves. The Behnke-Walker team will play the Knights of St. Arthur team of Hillsboro Saturday afternoon.

Presence of Tobacco-Expectorating Gang Is Objected To.

PORTLAND, May 1.—(To the Editor.)—Is it not possible for the municipal authorities to have the corners of the streets of this city free from the innumerable cigarette-mobiling, tobacco-chewing, adjective-using crowd of men, boys and "hobble-de-hoys," on any fine night—and more especially on Sunday nights?

I'm a stranger in Portland, being here a few days on business, but my first impressions—after receiving the "juice" of a hoodlum's tobacco quid over my nicely polished shoes—are not to cry the praises of a city of this size, or give credit to its authorities for allowing the corners of streets to be made the congregating points for all the rig rang of a big city. The police force, for the sake of Portland's fair name and fame, should do something to make the corners of the streets more than the cuspidors of who ought to be more considera feelings of the women of Portland.

Body of Copenhaver Found in River

EUGENE, Or., May 2 .- The body of William Copenhaver, of Springfield, who disappeared from his home in that city about two weeks ago, was found in a shallow place in the Willametts River, a short distance below there, yesterday evening. At the time of his disappearance it was believed he was insune and that he might be wandering over the country. Sheriff Bown advertised all over the Northwest for him, but intimate friends felt confident he had committed suicide, and dragged the river several days for the body, which was accidentally found vesterday. He leaves a widow and children at Springfield.
