## STREET IS DESIRED OPEN

Seventh Ward League Committee Makes Recommendations.

That East Twenty-eighth street should be opened and improved to the site of the Reed Institute was the report of C. G. Sutherland, W. L. Hoise and E. F. Moldenhauer to the Seventh Ward League Thursday night. The committee investigated all the streets from East Twenty-sixth street eastward, and decided East Twenty-eighth street is the best one to make a thoroughfare. This street is opened from Division to Holgate, with exception of two blocks north of Brooklyn, and is a county road south from Holgate to within 1000 feet of the Institute grounds. The committee recommended that proceedings be started to open all closed portions of the street, that

## TEACHERS MUST BE WELL

Certificates of Health Are to Be Demanded by School Board.

School teachers employed by District No. 1 must show a clean bill of health before they will be permitted to proceed with their duties in future, the Board of Education yesterday afternoon inserting in the book of rules one to this effect. Director Sabin, who was appointed as a committee to make up a report on a request of the Visiting Nurse Association, yesterday recommended this action, and his report was unanimously adopted. The principal thing aimed at is to make it certain that no teacher or other employe coming into contact with the school children is tubercular. This was the wish of the Visiting Nurse Association, and the Board of Education, after careful consideration, deemed this a
