## 100 Tailor-Made and Novelty Suits \$18

Suits Selling Regularly at \$50.00

### Greatest Friday Suit Sale in Portland's History

—The amazing values you will see here in these suits will be a revelation to you. You won't believe without seeing them that such excellence is to be found in a sale. Were these suits to be advertised at their regular price, to \$50.00, we could readily understand that you would expect to find suits such as we describe. Had we purchased these suits in the regular way, we could never have advertised this sale. The greatest loss is made by the manufacturer, whose high-class garments used for show purposes were sacrificed. Not only will the extraordinary merit of the different weaves appeal to you, but the smartness of the models and the skilled needlework, used in their making.
