CONTRACT IS LET

Brooklyn District Will Get Pavement Costing \$90,000.

NEW POLICE CAPS ADOPTED

City Auditor Authorized to Order Motorcycles Which Will Enable Guardians of Peace to Overtake Automobile Speeders.

Milwaukee and several other streets in the Brooklyn district will be paved with Hassam at an aggregate cost of \$90,000, as the City Executive Board yesterday afternoon awarded the contract to the Hassam company. This is the first extensive improvement of streets in this district, and is urgently needed, as in the Winter it is almost impossible for wagon traffic to operate there.

Bids were received on a district improvement which includes portions of Gilsan, Hoyt, Ninth, Tenth, Eleventh, Seventh and Fourth streets, for Belgian blocks. The bids were by the Montague-O'Reilly Company, \$12,771; by the Oregon Independent Paving Company, \$12,911, and by Harry Howard, \$72,348. This is one of the largest jobs now under consideration, and is the largest stone-block contract ever ordered in Portland. The bids were sent to the street committee.

Aphall bids yesterday soared up to \$1.85, and it is understood that the Barber Asphalt Company intends to maintain this rate, although there was one bid for \$1.75 a yard. Bitulithic is being rated at \$1.85 a yard and Hassam at \$1.75.

The recommendation of the police committee that military caps be substituted for the helmets now worn was adopted, and in due time the police of Portland will be modernized to this extent. The Board also authorized the Auditor to advertise for bids for two double-cylinder motor-cycles, to be used in the police department.

T. M. Leeman and H. W. Smith bid \$150 per intersection. The bids were referred to the City Hall committee.

SIXTY ARE BIG BROTHERS

Y. M. C. A. Movement to Care for Unfortunate Children Succeeds.

The men who have affiliated themselves in the Big Brother movement of the Young Men's Christian Association will meet at a supper to be given in the Y. M. C. A. dining-room next Monday afternoon at 6:15 o'clock. About 60 men have offered their services in connection with this movement. Each one of them is to be given charge of one boy who needs the help and advice of an older person.

At the meeting next Monday the men are to effect formal organization, a committee having been appointed to draw up a constitution. The society will co-operate with the officers of the Juvenile Court and most of the boys who will be taken as wards will be sent to the organization by that tribunal. At the meeting Monday there will also be discussion of the probable successor to Judge Bronough as head of the Juvenile Court.

'COWARDLY CUR' FINED \$50

Judge Only Regrets He Couldn't Give More Severe Sentence.

"This man is one of the most cowardly curs that comes into this court and I will fine him \$50. I am sorry that the charge is not brought under the city ordinance so that I could give him 90 days," said Judge Bennett in passing sentence on Hadie Turner for assaulting T. C. Donovan.

Turner was in court a few weeks ago on a charge of brutally beating a German. Yesterday Donovan testified that he had gone to the hotel, a first-class place, where Turner is employed, to seek a man with whom he had some business, and that while he was inquiring from room to room Turner accused him of being a sneak-thief and backed by a number of followers, set upon him and beat him. An appeal will be taken and bond was fixed at \$250.

ALL DIGKERING OFF

City Will Have to Condemn Right of Way for Bridge.

ROADS REFUSE DEMANDS

Conference Between Corporation Officials and City Administration Comes to Naught in Broadway Bridge Concessions.

Condemnation proceedings will undoubtedly be resorted to by the city in order to secure the Broadway bridge right of way over the O. R. & N. terminal grounds and through the Northern Pacific Terminal Company's yards. This was the strong intimation given by Mayor Simon, after his return to the City Hall yesterday noon from a conference with General Manager O'Brien and Councilmen Wallace, Menefee and Rushlight.

That negotiations are as good as ended is believed to be the fact, although this information cannot be positively confirmed. It is said that the committee has failed to secure anywhere near what the city demands in the way of concessions in exchange for the vacation of certain East Side streets from the O. R. & N. Co. and that negotiations are not at all satisfactory in the case of the city and the Terminal Company.

PICTURE MAN FINED \$25

Judge Bennett Scores Solicitors for Portrait Enlargements.

Solicitors for picture enlargements, who secure valued photographs for enlargement on a promise to do the work free, and often secure deposits and retain the photographs, were denounced yesterday by Judge Bennett in the case of S. Smirno, who was prosecuted on a charge of the larceny of a picture.

The complainant was Mrs. C. G. Butler, who told the usual story of being offered an enlargement free of charge and of paying a deposit and being unable to get either her large picture or its original. Testimony was offered to show that there had been numerous complaints against Smirno's place which is at 348 First street and which is called the Commercial Art Studio. A fine of \$25 was imposed and the defense will appeal to the Circuit Court.

LONG FACE IS NO GOOD

EVANGELIST GIVES ADDRESS ON COURAGE AND ENTHUSIASM.

Advice Offered to Church Members and Ministers as to Carrying on Their Work.

Evangelist Hart gave a talk yesterday afternoon in Hawthorne Park Tabernacle on "Courage and Enthusiasm," mainly to church members and ministers. Last night he addressed a big congregation at the general meeting. The afternoon talks are confined mainly to instructions to workers and comments on scripture. Mr. Hart declared yesterday afternoon that "Stagnation" was a station on the way to hell.

WOMAN CAUSES ARREST

Carpenter Is Charged With Threatening to Kill Her.

Charged with threatening to kill Mary Andrews, S. C. Wing was arrested yesterday afternoon by Constable Lou Wagner and Deputy Constable Kiernan and was confined in the County Jail under \$200 bonds. The woman charges that Wing is a carpenter, employed by A. J. Griffith. He says he employed the woman as his housekeeper for a number of years and stood a heavy expense to have her health restored, but says that he has had nothing to do with her for two years and does not wish to. The woman, who lives at 323 Sixth street, says that she recently sent Wing money with which to come to Portland, upon his representation that he was in hard luck.

CONFESSION OF A SNEAK-THIEF

After the conference yesterday General Manager O'Brien, in whose office the committee met, said that he would leave to Mayor Simon any statement as to the situation. The Mayor, however, was reticent, but that he is dissatisfied with the case is apparent.

There has been much opposition to the special committee's actions from the outset, as some believe condemnation proceedings the only means of properly solving the problem and to get the Broadway bridge right of way quickly. Mayor Simon at first felt that it would be a saving of time to endeavor to negotiate out of court, but it

CHURCH. It is expected there will be an overflow meeting from Hawthorne Park Presbyterian Church, either into the open air or in some nearby church.

Today a special car will run through the streets of Portland at 2:30 and 7:30 P. M. This car will leave the intersection of Grand and Hawthorne avenues and carry 100 ministers and singers, who will sing as the car speeds over the branches of the system. The

car will carry conspicuous announcement of the men's and women's meetings Sunday afternoon.
