"Spider" Baum took his revenge yesterday, for he came back at McCredie's huskles in such a dazzling fashion that the Portland crowd was utterly helpless against his delivery, and the Senators won i to 0.

Charley Graham's more or less misfit outfit started the second of the factors.

Charley Graham's more or less misfit outfit started the scoring in the first inning. Tommy Seaton was the Portland twirler delegated to oppose the Senatorial contingent, and he made a good start by faming Jimmy Shinn.

However, this was but "a flash in the ban," for the visitors did things to Tom afterwards. Persons walked, but was out trying to steal second, and even in the face of this advantage, Seaton qualled. Briggs slammed one past Casey for a single, and Hai Danzig planted the ball in the vicinity of the zcore board for three bases, on which Briggs tallied. Danzig scored a moment later when "Deacon" Van Buren soaked one to left field for a single. Darringer ended the Inning by hitting to Seaton, and was out at first.

The Portland boys went out in one-two-three order for the first five innings, as Baum was working in grand form and had but little trouble in disposing of the McCredie squad. Van Buren and Briggs made a couple of nent catches of difficult flies in the outfield, but aside from these the other changes were not difficult

the other chances were not difficult.

In the third inning Sacramento put another rub over. Shinn once more fanned, and Persons hit to Olsen, and the shortstop was caught napping, for the Senator beat out the toss to first, though Rapps dropped the ball. Persons went to second on a fielder's choice, Briggs being thrown out, Casey to

Briggs being thrown out, Casey to Rapps. Danzig hit one over second which Casey fielded beautifully, but was off balance, and his relay to Seaton and thence to the plate was too late to get Persons, who had raced all the way to the register on the play. Danzig was toused out trying to steal second.

The fourth and last run of the game was scored in the visitors' half of the fourth linning. Van Buren and Darringer were easily disposed of, the former going out, Flisher to Rapps, and the latter popping a fly to Olson. Raymer singled to left, and Spiesman singled to right. Baum laced one past Jimmy Smith for two bases, on which Raym r tallied, but wo buses, on which Raym r tallied, bu not get the ball past Seaton, and the Nordyke's Long Drive Almost Wins

ching was over.

After that neither team was able to score, though Jesse Garrett pitched the ninth inning for Portland, as Ort had batted for Seaton in the previous inning. Today will be ladlest day at the ball grounds, and the customary big crowd is in order. The score SACRAMENTO.

Frank Gotch, the wrestling champion, will arrive at the camp the latter part of next week. He sent a measage to Jeffries today, which read as follows:

SAN FRANCISCO, June 2.—Jack Johnson couldn't overpower his desire to give his new 90-horsepower auto a thorough tryout and as a result there thorough tryout and as a result there was no work of any kind done at his training quarters at the ocean beach today. In fact the entire staff of trainers and sparring partners had a treat, for the champion gathered them all in his machine and set sail bright and early for San Jose, 50 miles away. Visitors who strolled to the beach with the expectation of seeing Johnson dance about in his gymnasium stunts were met with a stillness over the entire camp.

JEFF CHAMPION RUSHES TO AID

Jack Kipper Answers Governor, Denying Any Crooked Deals.

LOS ANGELES, Cal., June 2 .- (Spe cial.)—Jack Kipper, Jeffries' partner, who knows as much about the big fellow and his battles as any man in the country, was considerably wrought up after reading the statement of Governor Gliette of California, made in Chicago today in regard to the Jeffries-Johnson

fight

"In the first place," said Jack, "I don't think he ever made such a statement, and if he did, he or any man who makes such a statement about Jim Jeffries lies Jeffries never went into a crooked deal in his life. He has too much principle, and I can say for Jim that he never went into a mixed fight in his life and never will. This I know to be an absolute fact. Gillette himself admitted several weeks ago that he never saw a fight and knew nothing about the fight game. Then from what source did he acquire this sudden knowledge of fighters and their ways? He is either badly misled in making such a statement, if he did so. in making such a statement, if he did so, or else knows not whereof he speaks. Jeffries is one of the squarest fighters the ring ever saw and no man can say otherwise without uttering a deliberate feleshead."

SAN FRANCISCO, June 2 .- (Special.) -In the District Court of Appeals to-day, Attorney Frank J. Following the bout both men were arrested by Sheriff Chatham at the instance of Bullock, on a warrant issued by a Justice of the Peace. Attorney Hennessy immediately applied to the Superior Court of San Mateo County for their release on habeas corpus.

Judge M. T. Doolin, sitting for Judge

the validity of Bullock's contention and whether the Sunshine Club shall con-tinue in San Mateo County or be ousted.
