Closing Exercises and Picnic Enjoyed by German Athletic Students.

TOTS MAKE GOOD SHOWING

Presentation of Medals Crowning Feature of Day's Events—Contest Close Among Girl and Boy Athletes Alike.

Closing exercises of the Portland Turn Verein physical culture school were held yesterday afternoon simultaneously with an old-fashioned family picnic on the new Crystal Lake Park grounds at Milwaukie, before a large and appreciative audience.

Races, drills and apparatus work were gone through by the young girls and boys by Turners for the six prizes given by Henry Kirchner, a business man, who has done much to foster athletics for youngsters. Three prizes, gold, silver and bronze medals were given for the girls and three for the boys.

In the exhibition yesterday by the tiny tots of the German Turn Verein gymnastic system they covered themselves with much glory. The young boys were lithe, supple and graceful in all their maneuvers in the contest for the prizes.

High and broad jumping were included in the curriculum of events yesterday and the youngsters performed like veterans. Some good jumps were made. The apparatus exercises consisted of work on the parallel bars, horizontal bar and the horse. Acrobatic stunts on the paraphernalia are made a specialty by the Turners, and they become very proficient in them. The children gave a very creditable performance in these difficult feats. The horse work consisted of stunts from the side as well as the end.

As grand finale of the athletic part of the programme the children were sent through a rapid and pretty wand drill. The girls, who were so evenly matched, dressed in white waists, and the boys dressed in gray, made a very striking picture. These youngsters marched and came to a standstill with the efficiency of a soldier.

Medals Are Presented. Charles Kirchner, the donor, presented the beautiful medals to the winners. Miss Ethel O'Brien won the gold medal in the girls' class and Misses Jennie and Anna Winter tied for second and third. Miss O'Brien made a total of 92 points, while the Misses Winter were credited with 88.

In the boys' contest the race was very close, only one point separating winners of the girls' class prizes. Oscar Baumgartner won the gold medal for first prize by 31.5 points. Otto Schmidt was second with 29.5 and Eugene Hahn was third with 28.5 points.

The judges had a very difficult task of picking the winners when all of the contestants were so evenly matched. Edward Heus, of the Seattle Turn Verein, Captain Rudolph Hochuli and Richard Genserowski acted as the judges.

Richard Genserowski, who has had charge of the gymnasium classes, was very highly commended for the excellent showing his classes made. Diplomas Are Given. Diplomas were given to all the members of the gymnasium classes who had attended regularly at every class night. Fifty-two were given these diplomas.

Pop Corn is still king, for the Pop Corn Kings' baseball team won their seventh straight victory in the Columbia Hardware Company League yesterday afternoon on the Russellville grounds, by defeating the Robinson Company team by the rather large score of 20 to 11. The game was a swiftest from the start by the Kings, for they made as many hits as runs. Errors also figured in the scoring.

Tucker, the Pop Corn pitcher, held the Robinson team down to three hits, but in the last inning he became wild and "walked in" several runs. The Robinsons made nearly all of their runs in the last inning. Tucker and Fletcher of the Kings were the heaviest hitters of the day.

Bill Rapps' triple in the eighth was a sizzler that shot by Shinn and Van Buren like a shot out of a gun, and the hard-hitting first sacker had no trouble negotiating three bases before it was retrieved.

Captain Casey came through with the timeliest kind of a timely hit in the fifth, when Sacramento had usurped the lead and Portland needed two runs once more, for he slammed one to right field off Spider Baum's delivery and Helling and Fisher scored, giving Portland the lead once more.

The accident to Catcher Orendorf is a most regrettable incident, for the Angel catcher is one of the most popular players in the league. He made many friends in Portland when he was with the Angels last season, and all would deeply regret a serious result from his misfortune.

In the fourth inning Perle Casey had a chance for a triple play unassisted, but he failed when Spiesman lined into his hands with first and second occupied, and Casey did not even take the double unassisted, for he tossed to Wilson, completing the play.

By winning from Vernon yesterday afternoon the Seals just kept Portland from losing them out of the lead, for San Francisco now holds first place by the narrow margin of two points.

Gus Hettling had things coming his way in the opener, for both hits allowed by Steen in that inning, got by the third sacker. They were hard-hit balls, however, and Gus tried for them at that.

In the second inning Hettling snared Raymer's grounder, and after throwing the runner out at first, mockingly bowed to the left field stands from which some criticism had emanated in the first inning.

"Jeff" Perry, who had slouted a couple of times for three bases, and had liked twice also, came up in the ninth with Shinn on second, and Gus Hettling gave him the "merry haha," for Seaton fanned the slugger.

The men's handicap championship was won by James Dougherty, while Miss Anita Burns captured the handicap from the women in the tournament. The mixed foursomes went to Miss Koehler and Jordan Zan. Those who qualified in the open championships were as follows: Major J. Morrow, Allan A. Wright, Jordan Zan, K. Koehler, G. Wilder, Richard Wilder, J. Burnett and J. E. Young. G. Wilder is a brother of Richard Wilder, and a recent arrival from England.

The putting contest, nine holes, medal play, was won by Mrs. John Bennett, while Russell Smith was the runner-up. Miss Ila Koehler, in the women's contest, won the distinction of making the longest drive, 173 1/2 yards. Miss Anita Burns made the best average drives by scoring 152 yards for each put. Mrs. Peter Kerr is credited with the best approach and average.

In the men's competitions, W. S. McKenna carried off the honors for the longest drive and best average, while the best approach title went to W. T. Higgins.

J. Dougherty Wins Handicap Championship for Men and Miss Burns for Women—Mixed Foursomes to Miss Koehler and Zan.

At the Waverly Golf Links Saturday afternoon the Oregon state championships, annually contested, were played, and a most flattering attendance marked the final play. The tourney opened Wednesday, but until Saturday, which brought the finals, the competition had not been so keen.

Major J. Morrow distinguished himself by winning the men's open championship from a field of 60 entries, most of whom participated. Allan A. Wright was the runner-up, and it was a pretty struggle between him and the victor. Mrs. R. Koehler won the women's open handicap contest by defeating Mrs. Peter Kerr, the runner-up.

POP CORN IS STILL KING, FOR THE POP CORN KINGS' BASEBALL TEAM WON THEIR SEVENTH STRAIGHT VICTORY IN THE COLUMBIA HARDWARE COMPANY LEAGUE YESTERDAY AFTERNOON ON THE RUSSELLVILLE GROUNDS, BY DEFEATING THE ROBINSON COMPANY TEAM BY THE RATHER LARGE SCORE OF 20 TO 11.
