## LOS ANGELES NINE HERE FOR SERIES

Opening Game With Portland Will Be Played Today at Vaughn-Street Park.

ANGELS ARE CONFIDENT

Dillon, Veteran Leader of Visitors Expects to Capture Majority of Contests, but McCredie Is Not Worrying Over It.

For the first time this season, "Pa" Dilion and his angelic herd of baseball players from the town of Los Angeles will be entertained in Portland by Walter McCredle's almost-league leaders this afternoon and every day during the Rose Festival, at the Vaughnthe Rose Festival, at the Vaughn-street baseball park. In fact the ball tossers offer most of the excitement in the way of sports this week, the "Mysterious" Billy Smith-Al Nelli boxing exhibition being the only counter

The Angels are advancing to the Mc-Credle halliwick full of notions of re-venge, for they did not at all relish the trimming handed them on their home lot by Portland, and Dillon thinks his bunch will get away with at least a majority of the games during the series.

Los Angeles Stronger.

In a measure Los Angeles is a much stronger team than it was last season, but has not yet been able to get a good start. "Pa" Dfilon is playing up to his best form, for the veteran has enjoyed a most successful season thus far, and is hitting the ball like the Dilion who was a terror to batsmen dur-ing the early seasons of the Pacific Coast League. The veteran seems to improve with age, and right now he takes his bonnet off to no other first-

With the arrival of the angel band,
the Beau Brummels of Portland can
also expect to see an up-to-date sartorial display, for William Henry
Berry, owner of the Seraph franchise,
is said to be accompanying the team,
and this person is it when it comes to
wearing the glad rags. wearing the glad rags.

William Henry Berry has not been in Portland for some time, and the bugs here who happen to know this well-dressed Individual will be delighted to get a few patterns on modern styles of men's apparel. "Hen" always did like the roses.

McCredle Not Daunted.

Walter McCredie is not the least bit daunted by the approach of the angel band, for he thinks his club can beat any of the others, and beat them easily, and the Los Angeles team, especially, has no terrors for the tall manager of the Portland hopefuls. Big Mac says he will work Eugene Krapp against the angel band today, unless it is a very hot afternoon, when he says he will depend upon Jesse Garrett, who is rounding back into form nicely, but who will require hot weather to be at his best. Yesterday afternoon the Portland players were all on hand at the park, not to ers were all on hand at the park, not to play baseball, but simply to watch the experiments of the aviators, who at-tempted to defy the air with their aeroplanes. Only one machine, that longing to the Manning brothers, longing to the Manning brothers, at-tempted a flight, but was unsuccessful. The other machines had not been put into shape for a trial, and semething was found to be wrong with the gear-ing of the Manning car, so the flight yesterday were not successful. This afternoon at 2:30 o'clock another flight of the airsbires will be attempted and

Little said that besides the \$10,000 forfelt money, which he declares he provided for Johnson, the champion owes him \$15,000, which the manager said he paid on debts contracted by his charge. That part of this sum has gone to pay the expenses of Johnson's brother, Charles, who is said to be dying in a Chicago hospital, is Little's charge. This payment, 'according to Little, was resented by Johnson, who was not inclined to authorize it.

NOLAN READY TO TAKE CHARGE

Switch in Referee Is Again Subject

Under Discussion.

SAN FRANCISCO, June 6.—The story that Billy Nolan will soon assume the management of Johnson was confirmed today. Nolan had a conference with Johnson Sunday night and was in consultation with him again today. Nolan admits that a proposition has been put to him and admits that he will take charge very shortly. "If I do take charge." said Nolan, very cautiously, "and that is practically arranged, I will endeavor to see that my man gets what is coming to him. We want nothing else."

The story of a switch in referees is again being discussed, because of the Nolan angle to the affair. From the outset, Nolan has opposed Tex Rickard as referee, on the ground that the Nevadan is not sufficiently well acquainted with the game. Nolan, as a matter of fact, was instrumental in securing the consent of Johnson to agree to Eddie Smith, who was the original Jeffries candidaae.

Rickard has stated all along that he would withdraw if either fighter had any serious objections to him. Nolan may persuade Johnson that he has these objections. Such a turn of affairs is quite within the possibilities. Rickard is frankly worried over what may happen, as he thinks Nolan is capable of stirring up much trouble.
