

TAFT TURNS DOWN POINDEXTER AGAIN

Fight Over Kennebec Postmastership Disastrous to Insurgent.

PERRY LOSES TO WHEATON

Administration Deals Severely With Spokane Representative, Who Would Block Programme.

OREGONIAN NEWS BUREAU, Washington, June 7.—Representative Poindexter, insurgent, of Spokane, was today again turned down by President Taft when he nominated Arthur H. Wheaton to be Postmaster at Kennebec, succeeding James N. Scott, resigned.

Poindexter recommended the appointment of Joseph C. Perry to succeed Scott, but the President set aside Poindexter's man and named Wheaton, who is endorsed by regular Republicans of Eastern Washington.

Heretofore notice has been served that men insured by Poindexter cannot be appointed to Federal office in Washington, and Poindexter's endorsement is all that prevented Perry's nomination, for he is a man of good standing and qualified.

The Administration proposes to treat all other Poindexter men in the same fashion.

VALE MATTER IS BEFORE TAFT

President Discusses Situation With Cabinet Members.

OREGONIAN NEWS BUREAU, Washington, June 7.—President Taft today discussed with the Cabinet the fight that has arisen between Senator Bourne and Representative Ellis over the selection of register and receiver for the Vale Land Office, and after hearing the views of his advisers, he took the matter under advisement, and will announce his decision later in the week. It was made plain at the cabinet meeting that Representative Ellis is neither claiming nor demanding the right to select these two officers, but merely insisting that the register and receiver be appointed by the United States, and preferably citizens of the new land district, be appointed.

No charges are made against either Kester or Guild, recommended by Senator Bourne, and they are assailed only on the ground that they are non-residents.

Representative Ellis today received a telegram from C. N. McArthur, secretary of the Republican state central committee in Oregon, urging the appointment of McKnight and Hurley, of Vale, as register and receiver respectively of the Vale land office. He bases his recommendation on the fact that both are old residents of Oregon and of the new land district, and protests against giving the positions to Kester or Guild, recommended by Senator Bourne, and they are assailed only on the ground that they are non-residents.

OREGONIAN NEWS BUREAU, Washington, June 7.—Senator Jones introduced a bill today authorizing the Secretary of the Treasury to pay attorneys who performed services for the Colville Indians not to exceed \$90,000 out of the Indian fund. The services were rendered in promoting the claim of \$1,000,000 which ultimately was paid for the north half of the Colville reservation.

AGAINST NEGRO REGIMENT

that a black battalion had been ordered here from the Philippines a protest was made by the people of Interbay to Secretary of War Dickson, who in reply sent a letter saying that there need be no fear of the negro soldiers misbehaving.

The colored soldiers have given no trouble to the downtown people. They are men of the physique, spotless in their dress, and not given to frequenting the downtown saloons. The officers gave the men to understand that they must be on their good behavior and live down the prejudice against them.

First Complaint in 1909.

On February 11, 1909, the first complaint was made against the soldiers, when Mrs. C. E. Alameda reported that she had been attacked by a uniformed negro in the neighborhood of the fort. General Ralph W. Hoyt made a thorough investigation and exonerated the negro troops.

It is said, however, that in the last six weeks there have been a number of complaints that the colored soldiers have insulted women.

Private Pledser was turned over to the Seattle police today by Colonel Miller, after having been arrested at the residence who forced his way into the home of Mrs. Redding Saturday night. The seven negro soldiers who were absent from the post Saturday were marched under heavy guard today to the home of Mrs. Redding. She at once picked out Pledser from the seven as her assailant. Ethel Redding, daughter of the injured woman, picked Pledser from the seven. She had identified him yesterday. Privates Ford and Thomas, who were among the men absent from the post Saturday night, are the ones still in the guardhouse, but it is officially stated that their offense is purely military. It is believed they gave false testimony regarding Pledser's whereabouts on Saturday night. After Pledser's arrest he was held in custody and charged with assault on Mrs. Redding, but Colonel Miller ordered the wax removed.
