Filibuster Will Be Resorted to in Senate to Compel House to Re-deem Pledges—Borah Sees Some Hope of Winning.

OREGONIAN NEWS BUREAU, Washington, June 16.—Notwithstanding the fact that Speaker Cannon and Chairman Payne of the ways and means committee of the House both assured President Taft within the past few days that they would push through the House the \$30,000,000 bill to complete irrigation projects, these leaders called at the White House this morning and repudiated their pledge, informing the President they would not agree to the acceptance of this bill as an amendment to the withdrawal bill, which passed the Senate yesterday, nor would they pass it as a separate measure.

Immediately the President sent for Senator Borah and for all the Republican members of the ways and means committee, including Ellis of Oregon, and urged them to agree upon some plan whereby both the withdrawal bill and the \$30,000,000 bill could be passed. The House leaders, backed by some of the committee, insisted that the irrigation bill could not be put through the House in any form, and when Borah recalled their promise had been made to him and he still believed it would be kept.

Full Amount Demanded.

Nevertheless, House leaders refused to budge. When compromise was suggested Senator Borah and Representative Ellis balked. They declared that nothing short of \$30,000,000 would suffice, for if a less amount were granted it would not accomplish the purpose sought and probably would be allotted entirely to states with the strongest "pulls," leaving other states absolutely without benefit.

When the conference was concluded it was agreed to call the ways and means committee in session tomorrow to discuss the situation. Senator Borah this afternoon canvassed the situation in the Senate and tonight telephoned the President that it was apparent that the House leaders were determined to kill irrigation outright, and in view of that fact he felt compelled to say to the President that the conference report on withdrawal would not be agreed to by the Senate.

His intimation was that any effort to drop the irrigation bill in conference would be resisted by filibuster, which would prolong the session indefinitely and postpone adjournment.

"Progressives" Offer Help. When the attitude of House leaders became known in the Senate today nine "progressive" Senators held a conference and sent word to Senator Borah that they would stand by him in whatever move he felt called upon to make to insure the passage of the \$30,000,000 bill, meaning that they would join in any filibuster he inaugurated in behalf of this measure.

Senator Heyburn is also backing up this movement to force the House leaders to keep their promise and stands ready to join with Borah in filibustering upon measures which the leaders want and which must be passed before adjournment. Borah and Heyburn, backed by nine insurgents, will be able to carry on the filibuster that will prolong the sessions, and they mean to open operations tomorrow.

Senator Borah believes that the situation is not hopeless and he and Heyburn, backed by the insurgents, will resist all attempts at compromise looking to reducing the amount of the irrigation bill, as well as all efforts to defeat the proposition outright.

Deep feeling has been created by this abrogation of pledges made to the President, and a bitter fight is in sight unless Cannon and the House leaders yield.

Davis Indorses Project.

Need for \$30,000,000 became more apparent than ever today when Chief Engineer Davis, of the reclamation service, reported from the field at Pathfinder, Wyo., that work on many of the projects was being retarded seriously and that the water rights of many are placed in jeopardy for the lack of money.

Large sums now tied up in storage projects would begin to make returns if the service had the available money to complete them, he reported. It has been generally supposed that the Reclamation Service was against the \$30,000,000 feature. Mr. Davis himself in the hearing before the House ways and means committee was apparently not favorable to it, and Director Newell refused to commit himself.

The indorsement of Engineer Davis in the field, therefore, came as a great surprise to the Interior Department.

DUAL LIFE THEORY TO SOLVE MYSTERY

PSYCHOLOGISTS PUZZLED OVER OAKLAND GIRL CASE.

Parents of Young Woman, Found Gagged and Bound on Home Porch Won't Talk—Police Quit.

OAKLAND, Cal., June 16.—(Special.)—"Dual personality" is the explanation of the case of Mary Delgado, the 35-year-old girl who was found gagged and bound on the front porch of her home at 787 Campbell street, according to scientific students of psychology who are taking a keen interest in the case.

The most common manifestation is that of somnambulism or sleep-walking. Dr. H. F. Kegan, who examined the burns on the girl's feet and arm, stated his belief that they are old sores, possibly self-inflicted. The parents of the girl continue to be secretive and if they know anything of their daughter's sleep-walking tendencies, as shown at any other time, they refuse to tell.

Captain of Detectives Peterson and Detective Holland have practically given up the case, considering it out of their province. They are convinced that there was no assault upon the girl.

ARMED CRANK SEEKS TAFT

Visitor Turned Away Last Year Again Brings Weapon.

WASHINGTON, June 16.—A muscular man, six feet tall, with black hair and heavy black mustache, called at the executive offices of the White House today and asked to see the President.

He was recognized as the same man who visited the executive mansion June 17, last year, and when arrested at that time had two revolvers in his possession. Taken into custody today, he was again found to be armed with a pistol.

The man gave his name as James Stricklin, and said he was from Cumberland, Md. When arrested a year ago Stricklin said he came from Arkansas. The man is being held for observation as to his sanity. He asserts that various persons are persecuting him and he wants the President to put a stop to it.

MILLER IS THOUGHT DEAD

Friends of Missing Tacoma Man Believe He Was Killed for Money.

SAN DIEGO, June 16.—Friends of Captain A. Miller, a well-known mining man of Los Angeles and Tacoma, who disappeared mysteriously in San Diego 30 days ago, leaving no clew, have given him up for dead. A search of his effects failed to reveal any intimation that he contemplated suicide. Relatives in the Northwest are expected to come here to institute a thorough search for the missing man. The police, however, are endeavoring to solve the mysterious disappearance.

Friday says the bay shore has been watched, as Captain Miller had a large sum of money with him when he vanished, and it is feared he was killed and his body thrown into the bay.

300 KILLED IN HUNGARY

Cloudburst in Krasso-Soreny Destroys Several Villages.

BUDAPEST, Hungary, June 16.—Nearly 300 persons were killed and several villages destroyed by a cloudburst today in Krasso-Soreny, a county of Hungary, bordering on Transylvania, Roumania and Servia.

The capital of the county, which is mainly peopled by Roumanians, is Lugos.

CIRCUS ANIMALS ESCAPE

Wreck of Train Releases Beasts in Pennsylvania.

EEENBURG, Pa., June 16.—The Frank A. Robbins circus train, composed of 15 cars, was wrecked one mile from here early today on the Cambria and Croston branch of the Pennsylvania Railroad. Two lions, an elephant, one leopard, one hyena, one jaguar and an ibex are reported to be at large as a result of the derailment.

Several circus employees were injured.

SAN FRANCISCO AND STATE OFFICIALS BROUGHT INTO PROMINENCE AS RESULT OF GOVERNOR GILLETT'S DETERMINATION TO STOP JEFFRIES-JOHNSON FIGHT.

Promoters Likely to Allege Personal Loss by Removal.

GOVERNOR "STANDING PAT"

Though Threatened With Personal Court Proceedings by Action, Gillett Is Positive in Defining Position on Contest.

SAN FRANCISCO, June 16.—The fight between Jeffries and Johnson will take place on July 4 as scheduled. If not in San Francisco then I will pull it off in Reno, but the fight will be held on the date set and I shall keep my promise. Once for all I want to remove all fear that Jeffries and Johnson will not meet in the ring on July 4. There need be no cancellation of special trains or tickets. Those who intended coming to San Francisco can come as planned and feel assured that they will see the fight.

This was the statement made to the Associated Press tonight by Tex Rickard, manager of Southern Pacific officials, who advised the promoter that six special fight trains had been cancelled during the day. Rickard was greatly agitated by this information and also over the fact that many orders are being received to cancel or re-sell fight tickets.

Rickard Fights Against Hope.

Rickard admitted that he did not have the slightest hope of pulling off the fight in San Francisco and that every day of indecision as to where it would take place merely increased his financial loss. "If the court grants an injunction here I leave for Reno Sunday morning and will immediately commence to erect an arena there," he said. "My attorneys have advised me not to buck the Governor and Attorney-General, but I have agreed to wait until Saturday."

"It's a bitter pill to me and a heavy loss, but I shall take my medicine and keep my word to pull off this fight if it is the last thing I do."

Reno to Get Fight.

For once, Rickard was "fight sick." He did not deny it. While not yet ready to announce so officially the promoter virtually admitted that the fight would take place at Reno.

Tex Rickard, promoter of the much-heralded bout, says that he has practically decided to sue Governor Gillett and Attorney-General Webb for damages which he alleges he sustained because of the intervention of state authority to stop the fight.

While no legal steps have been taken as yet against any of those concerned, Promoter Blot of the Langford-Kaufman fight, slated for Saturday, is in no better situation. He has the published assurances of the Attorney-General that that official will file application for an injunction against the match tomorrow.

Blot declares that he does not see how his 20-round go can be prevented, and states that he will hold it on program schedule, but his tone lacked conviction when he said it.

Permanent Injunction Sought.

As to the big fight, Webb said today that he would not bother with an application for a temporary restraining order, but would ask for a permanent injunction. He expects to have his application filed today.

ASSEMBLY WILL BE TOPIC

Clackamas Republicans to Discuss Scope of County Gatherings.

OREGON CITY, Or., June 16.—(Special.)—For the purpose of determining whether Clackamas County Republicans shall hold an assembly this summer, Lily Stipp, chairman of the county committee, has called the committee to meet at the Courthouse Saturday at 11 A. M. Notices to this effect have been issued by John F. Clark, secretary, to the committeemen in 40 precincts, as there has been none named in the newly-created precincts of Dover and Sunnyside.

For some time requests have come to Chairman Stipp for a meeting of the committee, as there are members who desire to obtain an expression as to the advisability of holding an assembly in Clackamas. Some of the members advocate a county assembly to recommend candidates, while others would hold an assembly for the sole purpose of drafting a platform and electing delegates to the State Assembly. Because of the difference of opinion it is likely that there will be an interesting meeting.

Horseback Riding Causes Trouble on Right Knee.

POTSDAM, June 16.—Emperor William, who was recently inconvenienced by an abscess on the right wrist, is now troubled with an abrasion on the inside of the right knee. It was produced by horseback riding and caused His Majesty to abandon his purpose of witnessing today's military maneuvers at Doberitz.

He also has cancelled an engagement for tomorrow at Hanover and he will not witness, as he had planned, the yacht races at Hamburg Saturday.

STATEHOOD BILL GETS SOLID VOTE

Senate Passes Substitute Measure.

FINAL AGREEMENT PROBABLE

Fear of Tie-Up in Conference Not Entertained.

TWO NEW STARS IN FLAG

Arizona and New Mexico Admitted to Separate Statehood by Act After Constitutions Are Adopted, and Ratified at Washington.

WASHINGTON, June 16.—After remaining on the Senate calendar for almost three months, the bill providing for the admission of Arizona and New Mexico to separate statehood was taken up by the Senate today and passed after a debate lasting a little more than two hours.

The measure was called up by Senator Beveridge, chairman of the committee on territories, and was passed after speeches by Senators Beveridge, Frazier, Nelson, Hughes and Smoot. All the speeches were favorable to the creation of the two states, but the Democrats favored the House bill.

Division in Senate.

When the vote was reached there was a division on the Senate substitute for the House bill, but with that amendment accepted the Senate voted solidly for the passage of the bill. The Senate substitute was adopted as an amendment to the House measure by a strictly party vote, the ballot standing 42 to 19.

As amended, the bill provides for the admission as states of the two territories, but not until after a constitution has been adopted by each of them, approved by the President and ratified by Congress.

Smooth Track Ahead.

Much apprehension has been felt that the bill would tie up in conference in the House, but during the day's discussion much was said to dissipate that fear. It came in connection with a speech by Senator Nelson and in a response by Democratic Senators.

The Minnesota Senator said he would do all he could to bring about an agreement with the House during the present session.

Senators Carter and Borah thought it ought to be disposed of in two or three days.

"There are two reasons why we should reach an agreement," Mr. Borah said. "One is that we won't go home until we get it and the other is that it is getting too hot to stay here long."

Bailey Utters Warning.

Saying he would prefer the Senate bill to no statehood legislation, Senator Bailey asserted it would be some time before Congress adjourned if the conference committee did not reach an agreement.

Speaking for the Democratic minority of the committee on territories, Senator Frazier contended that both Arizona and New Mexico were prepared for statehood. He said that 12,000,000 tons of coal are estimated to be in New Mexico.

Mr. Frazier advocated the House bill in preference to the Senate measure, he said, because it undertook to fix the qualification of voters in Arizona.

Nelson Favors Senate Bill.

Senator Nelson favored the Senate bill but said he was not strongly partial to it.

ATTORNEY JAILED AS BAD HORSE THIEF

HIS OFFICE MERELY "BLIND" TO OPERATIONS, IS CHARGE.

San Diego Man Alleged to Have Stolen Many Steeds in Southern California.

LOS ANGELES, June 16.—(Special.)—At the request of San Diego officers E. L. Donnelly, an attorney, was arrested today on charges of horsetealing.

The southern officials say they believe the prominent place he attained as a lawyer was kept up by funds procured by "rustling." They say there are indications his law office was used merely to keep away suspicion.

While following up clues to numerous thefts of horses in San Diego suspicion was by chance directed toward the attorney. While the officers were getting ready to arrest him he disappeared. He was taken into custody while walking on Third street here this afternoon.

He admitted he had dealt in horses, and said he had two here now, but insisted he purchased them. The police say they expect to be able to connect him not only with horsetealing in San Diego, but in Santa Ana and in this city also.

OREGONIANS TO ATTEND

Many Delegates to Republican League Meeting Are Expected.

WASHINGTON, June 16.—(Special.)—President Hammond, of the National Republican League, has received information from the officers of the League of Republican Clubs for Oregon that Oregon will be well represented at the biennial convention of the National Republican League, which will be held in New York June 24 and 25.

The information is that 100 delegates from the state will attend. Several prominent Republicans from the state are down for speeches both at the convention and at the banquet, which will be held on the evening of June 25.

The delegates will arrive in time to be present at the reception of Colonel Roosevelt on June 18.

President Taft will sound the keynote of the campaign at the convention and Vice-President Sherman, Representative Nicholas Longworth, Representative McCall of California, Governor-elect, a large number of Representatives and other prominent Republicans will also make speeches.

The Pacific Coast will not only be largely represented, but will take a prominent part in the speechmaking.

Mr. Hammond said that it was the purpose of the league to wage an aggressive campaign and that speakers would pay particular attention to the Pacific Coast section during the campaign.

MORE FUNDS ARE PLEDGED

San Francisco to Raise \$7,500,000 for Panama Exposition.

SAN FRANCISCO, June 16.—At a meeting late today of the stockholders of the Panama-Pacific International Exposition Company, the necessary sum was pledged to raise the present subscription of approximately \$5,000,000 to the \$7,500,000 required to secure National aid for the fair. If the amount is not subscribed this week, the present subscribers will be assessed on their present stock to make up the balance.

Resolutions were adopted informing the committee on industrial expositions of the Senate and the committee on foreign affairs of the House of Representatives of the pledge and requesting the Congress to amend the charter to permit the \$5,000,000 bond issue for the exposition.

J. N. Hill was the chief speaker at the mass meeting and he described the efforts of the committee which he led to Washington to secure Congressional aid for the exposition project.

CALL OF LOVE IS OBEYED

German Abandons Promising Factory for Australian Sweetheart.

DAYTON, Wash., June 16.—(Special.)—Romance invaded the quiet life of William Selts, yesterday, and caused him to flee from Dayton leaving behind him debts amounting to perhaps \$10,000 and a wagon factory valued at \$500. A sweetheart living in Australia to whom he was engaged is thought to be responsible for his act.

He left with \$60, taking with him his aged parents who came here three months ago from Germany.

Selts left a business paying \$500 to \$800 a year. He erected the wagon factory a year ago and was building up a large and profitable business. Five expert workmen are thrown out of employment and his creditors have closed the factory pending a public sale. Selts sailed from Seattle today on board an Australian liner.

LINE TO BE MAIN TRUNK

Western Union Seeks Lower Altitude to Cross Sierra Nevadas.

OROVILLE, Cal., June 16.—(Special.)—The telegraph line now being completed by the Western Union along the Sierra Nevada Mountains and from Winnemucca, Nev., to Sacramento will be the main trunk line of that company to the Pacific Coast.

The lower altitude of the Western Pacific, with consequently less snow, makes it the best route for telegraph service and the company expects to be able to maintain its lines uninterruptedly at a minimum expense.

A crew of linemen is approaching this city with the first two of the 11 wires that will be strung.

LOS ANGELES GOLF CLUB DEFEATS U.S.

California Takes Tom Morris Trophy Cup.

DENVER, LOSER, TIED FOR 3D

Second Annual Competition Is Countrywide.

PITTSBURG SCORES SECOND

West and Middle West Clubs Well Represented in Matches in Commemoration of Birth of Grand Old Man of Golf.

CHICAGO, June 16.—The Los Angeles Country Club probably will succeed the Denver Country Club as the holder of the Tom Morris memorial trophy, according to unofficial returns of the second annual competition today.

The winning team turned in a score of 24 down par. William Frederickson was one up. Following are the individual medal play scores in the match: J. A. Jevne, 8 down; Schneider, 7 down; John W. Wilson, 4 down; A. H. Braley, 3 down; W. P. Walton, 4 down; Normal Macbeth, 5 down; W. W. Butler, 6 down; William Frederickson, 1 up. Bogle here is 75 and par 72. Frederickson made the round in 71.

The Los Angeles team of eight finished 34 down against par. The Oakland Club, of Pittsburg, was second with 41 down, while the Denver and Memphis Country Clubs were tied for third at 42 down. The Exmoor Club, of Chicago, finished fifth with 47 down.

Denver Won First Competition.

Three of the above teams finished among the first five last year. Denver won the first competition in memory of the "grand old man of golf" at 18 down. Memphis was third last year and Exmoor finished fifth this year and also last year.

The general average of the scores was lower this time than in the first competition.

The trophy will remain in the possession of the winning club for one year. It will become the permanent property of the club winning it five years, not necessarily in succession.

Practically all the prominent clubs in the West participated in the competition. The West and Middle West were well represented in the contest, including teams from Los Angeles to Pittsburg and from Duluth to New Orleans.

The Annandale team, of Pasadena, Cal., which finished last year, landed far down in the list with 62 down.

Chicago had a dozen or more clubs in the competition, but with the exception of Exmoor and Jackson Park, they finished far down in the list.

Chicago Out of Running.

Following were the scores of the Chicago clubs: Exmoor—Walter E. Egan 75, 2 down; H. Chandler Egan 78, 6 down; R. F. Munday 78, 5 down; H. A. Towner 78, 4 down; E. P. Cobb 78, 5 down; W. B. Fitch 79, 6 down; W. Bradshaw Egan 81, 8 down; William Plant 86, 13 down; total, 47 down.

Jackson Park, 54 down; Skokie, 57 down; Midlothian, 59 down; Glenview, 78 down; Windsor, 81, 9 down; South Shore, 81 down; Beverly, 96 down; La Grange, 97 down; Ridgemoor, 113 down. At Sioux City, Iowa—The Sioux City Boat Club golf team turned in a score of 102 holes down on par.

At Omaha—The Happy Hollow club turned in a score of 112 down on par. The Country Club players turned in a score of 78 down on par.

At Hurdon, Kan.—The Country Club here turned in a score of 98 down on par.

At Toledo—The Inverness Golf Club turned in a score of 81 holes down on par.

At Cleveland—The Euclid Golf Club turned in a score of 70 holes down on par.

At Indianapolis—The golf team of the Country Club made a score of 109 down on par and the Highland Golf Club 73 down.

At St. Paul—The Town and Country Club turned in a score of 54 holes down on par.

At Omaha—The Country Club turned in a score of 87 holes on par.

At Des Moines—The Des Moines Golf and Country Club finished 65 down on par.

At Memphis—The Memphis Country Club team turned in a score of 42 holes down on par.

At Milwaukee—In the Tom Morris golf competition the Milwaukee club returned a score of 63 down. The Blue Mound Country Club's score was 84 down.

At St. Louis—The Normandie Golf Club today finished 64 holes down on par of 74.

At Rock Island, Ill.—The Rock Island Arsenal golf team turned in a score of 73 holes down on par.

At Detroit—Match play was held today at the Detroit Golf Club and the Detroit Country Club links in the Tom Morris memorial match. The former club turned in a score of 64 holes down on par with G. A. Miller one up. The
