HOGAN'S VILLAGERS **BEAL REVENGEFU**

Vernon Walks All Over Portland and Wins Shutout, 6 Runs to Good.

BEAVER COULDN'T HIT HITT

Speas Only Man Able to Get Lone Scratch, Infield Single Which Fails to Net Whitewash Saver. Off Day for Mac's Boys.

LOS ANGELES, June 16 .- (Special.)-Happy Hogan's villagers got rare revenge today, shutting out the Beavers 6 to 0.

As Gregg was the star of yesterday's game, Hitt was the bright particular light today. It was as if the teams had changed names. The Vernonites could not hit Gregg yesterday and Speas was the only Beaver to get a hit today, and that an infield scratch hit.

Hitt had one erratic spell in the seventh period, when he walked Rapps and Fisher in succession, but aside from that he was invincible.

Hitt Also Good Hitter.

He was also a feature at the bat, making three of Vernon's hits out of four times up.

The Beavers simply had an off day, but it seemed to strike every member of the team at the same time. The Vernonites, on the other hand, with Hitt in the

box, worked in championship form, a glad surprise to the fans, for Vernon has been pretty wobbly of late.

In the second inning Coy doubled and reached third on Burrell's infield single. Seaton hit Lindsay, filling the bases, then Hogan filed out but Hitz came to the Hogan flied out, but Hitt came to the rescue with a single that scored Coy and

More Bases on Balls Given.

Coy and Burrell also scored in the sixth after setting first each on balls. They were advanced a base on Lindsay's single, and then Hogan squeezed Coy over, while Burrell romped home on another by Hitt. In the eighth Coy was walked again, took second on Burrell's out, and scored once more on Lindsay's same hit.

Then Hitt singled again, scoring Lindsay.

And the game was all over, so far as fally-getting was concerned. The score: VERNON. AB R H PO A

SEATTLE, Wash., June 16 .- (Special.)—Clyde Hall, a Seattle pitcher, who deserted the club yesterday after-noon after having his salary check cashed, was followed by Gus Thompson late last night as the club was depart-ing for Vancouver. Thompson escaped Dugdale's wrath, but Hall was less for-tunate and his face was slapped hard. Both of these pitchers have been drawing fat salaries, but somehow could not deliver the goods. Hall was hit hard every time he tried to pitch, while Thompson was disheartened by the bunting game, which the rival clubs used to good advantage. On a bunt Thompson would take deliberate aim and throw away over the first-baseman's head.
