REMARKABLE GROWTH

Portland has grown so rapidly that sites, close in, for manufacturing plants have become scarce.

There is available a tract of 3 1-10 acres, immediately north of the North Pacific Lumber Company, north of Guilds Lake and on the bank of the Willamette.

It has a frontage also on the line of the Northern Pacific Railroad, which makes it an ideal location for a Factory Site.

This tract is offered for sale by the

At a reasonable figure.

Land values in this district are advancing rapidly, and the present time is most auspicious for concluding a deal certain to return big revenue.
