M'CARNEY THINKS RENO GETS FIGHT

Rickard and Gleason's Representative Busy Making Arrangements.

NEGRO MEETS OBSTACLES

Resort Proprietor Says He Does Not Want Johnson to Train at His Place—Goldfield Confident but Chance Is Slight.

ACTING GOVERNOR WILLING.

RENO, Nev., June 20.—(Special.) "I know of no reason why the fight could not be held in Nevada, upon complying with the law," said George D. Pyne, Acting Governor.

Governor Dickerson is still in Oregon, where he has been for some time, owing to the illness of his mother. Mrs. Dickerson said, over the long-distance telephone, that the Governor's mother is at Ontario, Or., and that his brother is at Vale, Or. She expects him at the Capital daily.

RENO, Nev., June 20.—William McCarney, representing Rickard and Gleason, and Sid Hester arrived in Reno this morning from San Francisco, and today completed all the preliminary arrangements for training quarters for the big fighters who are to fight on July 4.

McCarney seems positive that Reno is going to land the big fight, although he said that Rickard has made no definite statement to that effect. McCarney is convinced that Goldfield does not offer the advantages to be found in Reno, and is very strong in his statements in favor of this city as the scene of the fight.

Business Men Meet.

This afternoon the business men's committee of Reno held a meeting and discussed the situation. It was decided to have the committee take the evening moror-car for Truckee and meet Rickard at that place.

Johnson may have trouble securing suitable training quarters in this city. It was thought that arrangements had been completed Saturday for him to train at Laughton's Springs, a short distance from Reno. Today, however, the owner of that resort said that he would not allow Johnson to train there, and William McCarney is now looking for other accommodations for the big black.

Goldfield Is Confident.

The Goldfield boosters arrived in Reno last night and are confident that they will land the contest for the southern camp.

It was given out by the local railroad officials today that the Southern Pacific Company would not guarantee to handle any special trains, in case the fight went to Goldfield, any farther than Mina. It appears that the strike called several weeks ago on the Tonopah & Goldfield road has never been declared off, and the Southern Pacific trainmen have refused to work the trains any farther than Mina, which is the terminus of the Southern Pacific system in Southern Nevada.

Frank Hall Arrives.

Today Frank Hall, manager for John L. Sullivan, arrived in Reno. He was en route to San Francisco, but was stopped here by a telegram. Sullivan arrived in Reno this evening.

McCarney received instructions from Joe Woodman, today, to secure training quarters at Reno for Sam Langford. Following these instructions, McCarney received the following telegram from Sid Hester:

"On train with Rickard. Have Reno citizens stand pat for Ketchel-Langford fight."

It is thought that Ketchel will train at Sparks and McCarney is endeavoring to secure accommodations there.

NEVADA MAY ALSO BAR FIGHT

Disquieting Rumors Regarding Governor Dickinson Startles Sports.

SAN FRANCISCO, June 20.—(Special.)—Purporting to come from Billy Delaney, in Jack Johnson's camp, the latest sensation in the fight situation is the rumor that Governor Dickinson, of Nevada, will follow the example of Governor Gillett and will prevent holding the fight either in Reno or Goldfield.

No confirmation of this could be secured, and sporting men here who know the Nevada law declare that a statute there was drawn expressly to prohibit the chief executive, the Attorney-General or District Attorneys from interfering with a fight when promoters had paid their license fee of $1000 and had secured a certificate showing that the fighters were in good physical condition and able to endure the exertions of the ring.

Tex Rickard left for Reno this morning on a special train with Tom Flanigan and a number of Eastern special correspondents. He should reach Reno at 9 o'clock tonight, and it may be that he will reach a decision tonight as to the location of the battle.

Most of the sports here who have talked with Tex, believe he will decide in favor of Reno, because of its superior location and greater facilities for entertaining visitors.

Johnson said today that he intended to leave the beach Thursday evening for Reno, but that he would wait until he received word from Tex Rickard or Manager Flanagan that Governor Dickinson was in favor of the bout.

Billy Delaney also expressed himself as in favor of waiting until news had been received from the promoter.

"Since Gillett called off the fight here," he said, "we want positive information from the head man that he sanctions the match before we begin to travel. From what I hear, however, I think that Rickard has got positive assurance from Dickinson and that the fight will come off in Nevada. We expect to hear from Tex tonight, and immediately will begin to move. Johnson and his partners will go on Thursday night, while I think I will leave about Saturday or Sunday."

Hundreds of inquiries have been received both by the promoters and the Metropolis Trust & Savings Bank as to the disposition of the tickets which have been purchased so far by intending spectators at the battle. These tickets have been purchased under the guarantee of the local bank, with the understanding that in case the fight is not held here the money is to be refunded. President Alfred Meyerstein, of the bank, said:

"Persons who have purchased tickets with our guarantee will receive their money, as we don't care to go to Nevada. There is no doubt about it. We have a trust fund amounting to more than $130,000, and we will naturally hold the money until there is no chance of the fight being held here. As soon as the promoters officially give up, we will return the money. That, however, may not be until July 5."

Jack Gleason said:

"There is no disposition to make people buy the tickets they took with the understanding that the fight would be held in California. Those who desire can have the same seats in the Nevada arena. The others will be requested to send in their cancellations at once in order that we may know where we stand."

Johnson believes he should keep around the 212-pound mark, and will continue his training until Thursday, when he expects to leave for the Sagebrush State. He anticipates little trouble in securing available training quarters, although word was received today that the springs which he had in mind would not be open to him; in other words, the owner had declared that he would not allow the colored man to train there.

NEVADANS HEAR PROTESTS

Governor Besieged by Letters, Asking That Fight Be Prevented.

CARSON CITY, Nev., June 20.—Hundreds of letters and many telegrams pleading that some steps be taken to prevent the holding of the Jeffries-Johnson fight in Nevada are pouring into the office of Governor Dickerson. There has been a continuous stream of these communications since the issuance of the ultimatum by Governor Gillett, of California, that the contest could not take place in that state.

All manner of influence is being brought to bear upon the officials here in an effort to defeat the fight promoters in what is conceded to be their last stand.

Governor Dickerson is in Oregon, but is expected home in a few days. Private Secretary Finch said today that it would be impossible to answer the communications that have been received and said that no action would be taken regarding them until word has been given by the chief executive.

"Supreme Justices, the Attorney-General of Nevada and prominent jurists have given it as their private opinion that there is nothing in Nevada's laws that would empower the Governor to interfere," said Finch today. "The law is plain and clean cut and makes that sort of contests legal. I have no way of saying what will be done."

JEFFRIES QUITS CAMP TODAY

Ex-Champion Will Start for Reno on Special Tonight.

BEN LOMOND, Cal., June 20.—James J. Jeffries, accompanied by his trainers, sparring partners, court jesters, one manager and several of the women of the party, will bid adieu to Ben Lomond tomorrow noon and will be off for the sagebrush belt, just over the California line.

From the quiet retreat in the Santa Cruz Mountains, where Jeffries transformed himself from farmer to fighter, the ex-champion will go to Oakland and will spend the hours at Dick Adams' hotel until the Jeffries special train leaves for Reno, at 9 o'clock in the evening.

If Jeffries was in a good humor today, he kept his joy concealed about his person. He had little to say, referring to Berger all matters concerning the departure from Ben Lomond and the plans for the encampment at Reno.

MAYOR AND GOVERNOR MEET

Fight Situation Discussed but Neither Will Talk Out Loud.

SACRAMENTO, Cal., June 20.—Governor Gillett states today that he and Mayor McCarthy, of San Francisco, had a conference yesterday in the fight situation.

"I will not state what passed between the Mayor and myself," said Mr. Gillett. "Mr. McCarthy is at liberty to repeat that conversation. A statement as to what occurred should come from him."

SAN FRANCISCO, June 20.—Referring to his conference yesterday with Governor Gillett, Mayor McCarthy said today:

"The matters under discussion are still in abeyance and I prefer not to make any statement until they are settled."

LOS ANGELES, Cal., June 20.—(Special.)—Another shutout game and the Beavers victorious, 4 to 0, was the result of the last meeting of the series between Portland and Vernon.

It was a red-hot game with a big crowd of fans drawn by the two tremendous games yesterday.

Gregg, on the mound for the visitors, pitched an excellent game throughout and was given good support. Breckenridge, pitching for the Vernons, however, was ragged and two wild throws to bases, notably aided by a wild heave by Brown, gave the Beavers the chance for which they were looking and they piled up the runs.

McCredie was out of the game again, Ort, playing right field and heading the batting list.

For the first five innings it was nip and tuck, neither side scoring, but both sides coming near enough to keep the fans yelling. In the sixth, with two out, Olson singled and while Breckenridge was holding the ball and signalling to Brown, started to steal second. He was more than half way there when Brackenridge came out of his trance and threw toward first, but the throw was wide and Olson scored before N. Brashear could recover the ball from the bleachers.

In the eighth Speas signaled and Gregg attempted to sacrifice, but bunted to Brackenridge who overthrew first, putting Speas on third and Gregg on second. Brackenridge struck out Ort. Olson drove to Brackenridge, who threw to Brown, and Speas scored when the latter dropped the ball.

Brown then overthrew second in an effort to head off Olson.

Gregg scored and Olson reached third. Rapps drove to Burrell, whose throw to first hit Papps on the head, the ball rolling to the right field bleachers. Olson scored on the misplay. There was some more juggling but by good luck for the Vernons this ended the scoring. The score:
