

LABOR NOT EXEMPT FROM FEDERAL LAW

Organizations Lose Fight to Secure Amendment to Sundry Civil Bill.

VOTE IN HOUSE IS CLOSE

Prosecution Under Anti-Trust Act Not Limited—Tawney, Opposing Provision, Declares It Is Political Buncombe.

WASHINGTON, June 24.—Labor organizations have lost their fight to gain exemption from prosecution under the anti-trust and interstate commerce laws. Following a lively debate, and by a vote of 135 to 130, the House yesterday agreed to the Senate action striking out a provision in the sundry civil bill that would have affected this immunity.

When the sundry civil bill was before the House, that body tacked on an amendment by Representative Hughes, of New Jersey, a Democrat, providing that no part of the appropriation provided for the prosecution of the anti-trust laws should be spent for the prosecution of any corporation or individual for entering into combination or agreement having in view the increasing of wages or shortening of hours or bettering the condition of labor or for any act taken in furtherance of anything not in itself unlawful. The Senate struck out the amendment. The House then instructed its conferees to stand by the provision and the Senate conferees, presenting such instructions refused to consider the bill.

Mr. Tawney of Minnesota, one of the conferees, yesterday moved that the House recede from its position and concur in the Senate's position. The motion stirred up a hornet's nest.

On the final vote, which gave a knock-out blow to the Hughes amendment and left the way clear to easier agreement on the sundry civil bill, the following Republicans voted with the Democrats for the amendment: Austin, (Tenn.), Cary, Cooper, Lenoir, Nelson and Stafford of Wisconsin; Davis of Minnesota; Gre Fish of New York; Green of Massachusetts; Focht and Reynolds of Pennsylvania; Hubbard, Kendall and Woods of Iowa; Hayes of California; Kronmiller of Maryland; Lundin, Rodenberg and Wilson of Illinois; Murray of Kansas and Poinceter of Washington.

The Democrats who voted with the Republicans were: Bartlett of Nevada, Ehrley of Kentucky and Page of North Carolina. Sixteen present did not vote and several were paired.

In the course of the debate, Mr. Tawney said he hoped the House would recede and concur with the Senate as to this amendment. He stated that the amendment was offered for political buncombe. He protested against Congress tying the hands of the Government in the enforcement of the anti-trust law, and said "that the amendment worked out a class discrimination and encouraged a policy that would some day shake the foundation of this Government."

Mr. Hughes denied that his purpose was political. He said that the charge of demagoguery was easily made and that in the ordinary acceptance of the term a demagogic assertion was one that tried to do after election that which he promised to do before election.

Mr. Madison, of Kansas, denounced the Hughes amendment as an attempt to write into the law a legalization of the secondary boycott.

The information that the House had defeated the Hughes amendment was received "with indignation" by the executive council of the American Federation of Labor, now in session, according to the council's own report of its meeting today.

"It is regarded," says the report, "as a betrayal of the rights and interests of the workers of the country."

RICKARD AND HESTER MIX Argument Over Fight Pictures Becomes Altercation.

RENO, Nev., June 24.—Following an altercation between Tex Rickard and Sid Hester in the lobby of a local hotel last night, Rickard shoved Hester aside with sufficient force to jar off the latter's hat and glasses. Friends nearby interposed and separated the two.

The argument is said to have resulted from Rickard's announcement of the sale of his and Jeffrey's interests in the fight pictures. Hester, it is understood, denied that Jeffrey's interest was included in the sale and said that his (Hester's) partner, Tom O'Day, would secure it.

NAVAJO KILLS RANCHMAN Branding and Stealing Cattle Charge Ends in Murder.

FARMINGTON, N. M., June 24.—Following an altercation with a number of Navajo Indians who charged him with stealing and branding their cattle, Richard Wetherill, a well-known ranchman and Indian trader, was shot and killed by a Navajo brave last night near Blackfoot Trading Post, 60 miles south of Farmington.

The Indian who did the shooting rode 70 miles to the Ship Rock Agency and surrendered himself to Superintendent Shelton. He is now in custody.

who have been summoned by State's Attorney Burke.

The activity of certain accused legislators who have been watching for the issuance of subpoenas and the arrival of witnesses caused a quiet investigation. It appears that witnesses were coached on what to say before the grand jury.

So positive is the evidence of such a plan to thwart justice that it resulted tonight in several indictments. At least half a dozen will be returned in true bills, which will cover offenses of conspiracy to commit a felony, perjury and interfering with the public administration of justice.

E. T. Gann, editor of the Sentinel Leader, published at Warren, was cited before the grand jury because of a statement in his paper that Mayor W. T. Rawleigh, of Freeport, a patent medicine manufacturer, had told him that during the session of the 49th general assembly a member of the Legislature had asked him for a contribution of \$1000 to secure the passage of a bill to repeal the law imposing a license on itinerant vendors of patent medicines.

Editor Gann testified that Rawleigh, who is a candidate for the Republican legislative nomination in his district, said that White had been paid money to vote for Lotmer.

DANIEL H. BOOTH ARRESTED FOR PASSING BAD CHECKS.

G. I. Thompson, of Perkins Hotel, Is Complainant, and Victims Are Said to Be Many.

Daniel Harvey Booth, 28 years old, brother of H. T. Booth, an insurance agent with offices in the Corbett building, was arrested by Detectives Carpenter and Price last night on a warrant preferred by G. I. Thompson, of the Perkins Hotel, charging him with obtaining money under false pretenses.

Booth is held at police headquarters in default of the necessary bail. Thompson declares that Booth last Sunday urged that he cash a check for \$10. Thompson consented and accepted the check at the Perkins Hotel, where Booth and his young wife had resided for several weeks, is also included in the list of victims.

Booth's wife appeared at police headquarters twice last night and consulted with her husband. She made a futile effort to secure his release on bail. Booth and his young wife are being held in Municipal Court this morning.

KOHLER IS VINDICATED "GOLDEN RULE" CHIEF TO BE REINSTATED AT ONCE.

Civil Service Commission Clears Him After Long Trial, and Revenge Is Looked For.

CLEVELAND, O., June 24.—Chiefly because it appeared that the witnesses appearing against him were impelled by malice and personal grudge, Frederick Kohler, the "Golden Rule" Chief of Police who was suspended from his position by Mayor Baehr upon filing a charge of drunkenness and immorality, was acquitted by the Civil Service Commission late yesterday.

The decision followed a lengthy trial. Kohler was reinstated at once. Kohler established a system of dealing with first offenders outside of court which gave him the name of "Golden Rule Chief." He was called the best chief in the country by President Roosevelt.

On May 24 charges containing 23 counts were filed with the Mayor against Chief Kohler. On May 25 he was suspended and his trial before the commission began May 28. Now that he has been acquitted, the enemies of the chief are expecting drastic reprisals on his part.

After his injuries were temporarily treated, Chism was placed in a truck and brought to this city and taken to Portland on the afternoon train. Dr. Campbell accompanying him. The young man's face was badly burned, but his eyesight may be saved.

COLLAPSE KILLS 2

Machinery Building in Course of Construction Falls.

MAN ESCAPES, TURNS BACK

Warning Reaches Most of 40 Workmen in Time to Permit Escape. Fire Clay Company's Plant in King County Wrecked.

TACOMA, Wash., June 24.—(Special.)—The main machinery building of the Little Falls Fire Clay Company's new works at Bayne, King county, collapsed about 11 o'clock yesterday when 40 men were at work in the structure, which was in course of construction. Two men lost their lives and five others were injured.

The inside of the building had been sunk several feet deeper than the main foundation, which was undermined by water. Workmen on the outside saw the walls settling and gave warning. All escaped from the building but Gus Erickson, who was struck by falling timbers, J. M. Johnson, a laborer, whose residence is not known here, went back into the structure for some reason and was crushed to death in the ruins. Erickson died a few hours afterward.

The injured men were brought to Tacoma by train and taken to hospitals tonight. The head offices of the company are in Tacoma and local officers went to the scene this morning, returning tonight. The building which collapsed was 65x84 feet and two stories.

SLAYER HIDDEN HERE? OFFICIALS THINK WINLOCK MURDERER IS IN PORTLAND.

Tacoma Citizens See Sullivan Leave on Southbound Train—Bloodhounds at Work.

TACOMA, Wash., June 24.—That John Sullivan, the alleged murderer of A. W. Black, who was killed by his pet in the woods near Winlock Wednesday morning, was seen by several persons boarding a southbound train that point shortly before noon yesterday, is the information brought to Tacoma by Deputy Sheriff Draper, whose bloodhounds traced Sullivan from the scene of the crime to the railway track. He is believed to be hidden either at Portland or Raymond.

Nothing left on the spot of the crime by Sullivan gave the hounds the scent, which they followed without difficulty. The trail led through a farm-yard to a clearing, where the fugitive had apparently remained several hours and thence worked gradually to the Tacoma-Portland right of way.

CHEHALIS, June 24.—(Special.)—Search for John Sullivan, who murdered his pal has so far been unavailing. Bloodhounds from Tacoma were brought down and put on the trail this morning. They trailed about three miles to the scene of the crime and back to the railroad track. He crossed the track a few times and then the trail led straight to the depot at Winlock where it was lost.

At the inquest conducted by Coroner Slicklin, the verdict was in effect that Sullivan came to his death by being stabbed by John Sullivan, but no motive for assault was assigned. It is thought Sullivan escaped by boarding a slow-moving train on the main line. Construction work in the vicinity making such a move possible.

SPOKANE REGULARS WIN INSURGENT REPUBLICANS ARE DOWNED IN PRIMARIES.

Chairman Ham, of Central Committee, Is Confident Orthodox Party Men Have Victory.

SPOKANE, Wash., June 24.—(Special.)—Regular Republicans, the term used to distinguish them from the followers of Miles Poindexter, insurgent Congressman from Spokane, and from the ardent supporters of the latter, won the Spokane County primaries Thursday by 2 to 1 according to a claim made by Chairman D. T. Ham, of the County Central Committee.

He is an ardent regular. Unless the country predicts, which lean more toward insurgency, upset the city results, Mr. Ham's prediction of victory will be borne out. The primaries are to select delegates to the county convention, in which delegates to the state convention to nominate Supreme Court Judges will be elected. The Spokane County convention will be held Saturday. In four or five precincts the insurgents won hands down, but in the majority of those the polls were taken in the country that the majority of Republicans failed to vote and did not know where the polls were located.

The regulars say there is no test of strength between John L. Wilson and Judge Burke, Senatorial aspirants, but that the result merely indicates there will be little sympathy shown for men who call themselves Republicans and then desert from the path blazed by the regulars.

It is believed that the town will be attacked by General Menéndez tonight. General Vasquez has less than 400 men in his garrison. TIPS FIGURE IN ALIMONY Cafe Waiter's Wife Says His "Side Money" Is \$70 a Week.

NEW YORK, June 24.—What promises to be a celebrated problem in mathematics has been dropped by the Supreme Court as too speculative for a judge to use as the basis for his decision. Ericson stated the problem in court "posed up" was this:

"Does the waiter in a Manhattan cafe advance 5 cents per tip?" The point was raised by Julia Schoenfeld, wife of Harry Schoenfeld, who carries the cooling beverages in a cafe along the great White Way. Mrs. Schoenfeld also figured that her husband serves at least 1400 drinks a week. Hence his income, in addition to his salary, she argues, is \$70 a week.

Mrs. Schoenfeld is suing her husband for a legal separation, alleging inadequate support for herself and two young children. She was granted alimony of \$7 weekly some time ago, but yesterday demanded an increase and submitted a financial statement of her husband's alleged earnings. The court refused the increase.

Justice Erlanger explained that Mr. Schoenfeld declares his regular income is only \$15 weekly. "Tips," says he, "do not exceed 10 cents a week. His salary is augmented by \$5 a week from a liquor agent and remuneration as a ticket seller at the American League Park."

"The defendant," Justice Erlanger states, "challenges the figures of his wife, and asserts that in the reckoning of the father grasped upon this as a circumstance that a party could order 10 or more drinks and the yield of tips for the labor performed might only be 5 cents, and then proceed to state that the plaintiff's method of computation is ridiculous on its face."

LOST SON FOUND IN GRAVE Boy Who Ran Away to Join Circus Dies of Pneumonia.

BRIDGEPORT, Conn., June 24.—The latest to be a permit to exhume the remains of Joseph Moyland from Park Protestant Cemetery, in this city, to New York City brought to light a strange story that has been told for a runaway boy, who disappeared from his New York City home nearly two years ago.

Joseph Polakoff, a jobber of Seventeenth street, New York, had sought in vain for his son, when he learned that a youth named Joseph Moyland had died in the Bridgeport Hospital, being sent there by the Barnum & Bailey circus employees last December, when he was stricken with pneumonia.

Young Joe had often told his playmates that he would run off with the circus and the father grasped upon this as a tangible clue. He came here last week and began an investigation that resulted in the discovery among the effects of the deceased of a letter which proved him to be his son.

WRECK KILLS 20 SOLDIERS Train Transporting Mexican Troops Dashes Down Steep Grade.

MEXICO CITY, June 24.—Twenty federal soldiers are reported to have been killed and many injured yesterday, when four cars of a train in which the troops were being transported on the Manzana line of the National Railroad, in the state of Colima, dished down a steep grade.

When the cars reached a curve after running six miles and attaining a terrific speed they left the railway track and were dashed to pieces. The cars formed the rear portion of a troop train of 13 cars. The number of men they contained was not known, but previous officials estimate there were not less than 150. Many are said to have jumped from the cars when they started down the grade and thus saved their lives.

TRAVELER HOLDS RECORD Chicagoan Starts on 115th Voyage Across Atlantic.

CHICAGO, June 24.—When Dr. Ziegfeld sails from New York he will have started upon his 115th journey across the ocean, a greater record than any other American has attained. In fact, many sailors have not spent as much time upon the water as has this much-traveled Chicagoan.

In addition to these trips across the Atlantic, Dr. Ziegfeld has made nine voyages across the south sea. In his capacity of president of the Chicago Musical College he has made many business trips to the old world. When he secured the music for the famous Boston peace jubilee he added four more passages across the water.

BROTHER CLAIMS BODY WALTER JOHNSON IDENTIFIES TRUNK VICTIM'S CORPSE.

Parents at Lansford, N. D., Notified. \$1900, Held by Mrs. Kersh Will Be Claimed.

The body of William A. Johnson, who was murdered in a room at the Grand Central Hotel, Monday afternoon and found later in a trunk at the Union Depot, was identified and claimed as the corpse of Walter Johnson, his only brother, who arrived in Portland from Twin Falls, Idaho, as yet no arrangements have been made for the disposition of the body. It is probable it will be buried in a local cemetery.

Walter Johnson is 48 years of age and two years older than the murdered man. He has been a resident of Spokane for more than 20 years. He was on a vacation at Twin Falls, when he learned that Johnson was probably his brother.

After identifying the body, Walter Johnson immediately sent a telegram to their aged parents, who live on a farm near Lansford, N. D. Both are invalids, the father being 84 years of age and his wife two years his junior.

Johnson will claim the \$1900 found in the possession of Mrs. Kersh, the alleged accomplice of Webb, the time of their arrest. The money was given to her woman by Johnson a few hours before his death and represented part of the sale of his farm in North Dakota.
