If President Roosevelt is to indorse the present Administration and support President Taft for a re-nomination.

If Governor Charles E. Hughes is to Surrender his place on the United States Supreme Court bench to accept a nomination for a third term at Albany. Whether Theodore Roosevelt is to shake the big stick in the face of an "erring protege" and again enter the political arena as a candidate for the Presidential nomination.

Whether Henry Cabot Lodge, in his contest for re-election to the United States Senate, in the event of an open breach between the present and recent occupant of the White House, is to cast his political fortunes with President Taft or Colonel Rooswelt. pr Colonel Roosevelt.

Conference Is Scheduled.

There is tonight only one thing which is certain, and that is that there is to be some kind of political conference concerning which no one is disposed to talk at the home of Senator Lodge at Nahant, Mass., temorrow night. Colonel Roosewill be there. He admitted that

Taft and Representative Nicholas Longworth are expected and there are many close political observers who place the names of Governor Hughes and United States Senator Mur-ray Crane in the list of those who have promised to participate in the confer-

Colonel Roosevelt will go to Nabant from Cambridge tomorrow afternoon and will remain overnight at Senator Lodge's home. He may be joined there by President Taft, who will reach Beverly tomorrow, although there are many who insist that Colonel Roosevelt, Senator Lodge and Representative Longworth will go from Nahant to Beverly in an automobile. The distance between the two villages is not more than 18 miles and the run could be made in 20 minutes.

Colonel Roosevelt's auto, in which he rode from Oyster Bay to the Grand Central station in New York, this morning, in less than an hour, is being brought to Providence, R. I., on a Sound steamer. The chauffeur will proceed to Swampscott and there await instructions.

Mr. Roosevelt told the reporters just before he reached Boston on the Bay State Limited, at 3 o'clock. He said there was nothing also he made. there was nothing else he cared to say about his plans for Wednesday and

There was no end of speculation here tonight, but few seemed to possess any authentic information, and these chosen few, including Roosevelt, declined to talk for publication. It can be stated with authority however, that Mr Roosevelt is still feeling his way. He has not decided that he will or will not indorse the Taft Administration.

ernor will not participate in a political conference, either at Nahant or Beverly, despite reports to the contrary which are being circulated here tonight.

From the same authentic source, it is learned that if Colonel Roosevelt and Governor Hughes confer on politics it will be at Sagamore Hill.

There is a growing belief in well-informed political circles that Governor Hughes has already indicated to Colonel Roosevelt by letter and long-distance telephone that he will not withdraw his acceptance of the appointment of the acceptance of the appointment of Supreme Court bench.

Mrs. Von Claussen Wants Damages From ex-President and Part of Corps Because She Was Not Presented at Swedish Court.

NEW YORK, June 23.—A big bundle of papers purporting to be the complaint in a suit for \$1.000,000 damages against Theodore Roosevelt, Robert Bacon, American Ambassador to France; Charles American Ambassador to France; Charles H. Graves, American minister to Sweden, and his wife, is in the County Clerk's office here, awaiting disposition. The bundle was thrown into the office today by Mrs. Ida W. von Claussen, after the clerk's refusal to file them on account of irregularities.

The suit is the outgrowth of the refusal of Minister Graves to present Mrs.

The suit is the outgrowth of the refusal of Minister Graves to present Mrs. von Claussen at the court of the King of Sweden in 1995. The brief begins:

"I hereby make formal demand of the Supreme Court of the United States to procure me an honest lawyer to plead for justice for me if the United States of America has laws capable to protect me; if not, then the Legislatiure must be appealed to."

Mrs. 'von Claussen continued:

"I therefore file in the Supreme Court this complaint and institute a suit for slander, malice and revenge to recover \$1,000,000. The gross insult and slander I received in Sweden, of which the world has cognizance, is laid directly to the foregoing conspirators."

WASHINGTON, June 29.-After having WASHINGTON, June 29.—After having falled to be presented at the court of the King of Sweden, Mrs. von Claussen came to Washington in April, 1997, to lay the matter before President Roosevelt. She tried to arrange an interview with the President, but found the official doors too tightly closed to permit of her entrance to the President's presence. She remained here for some time, expressing the belief that she would secure satisfaction for the snub she says had been administered to her by C. H. Graves, American Minister to Sweden, at the time she sought to be presented at

court.

Mrs. von Claussen, on the occasion of her first visit here, also attempted to get the State Department to take up her case, but in this, as in her appeal to the President, she failed. Since 1907 she has visited the National capital a number of times.

LAWYERS ASK COURT TO PROBE SWEEK-FOUTS CHARGES.

Association Unable to Get All Facts About Accusation That Members Had Part in Jury Tampering.

The committee appointed by the Multnomah Bar Association to investigate the charge against Attorneys Alex Sweek and Seneca Fouts that they had a part in the attempt of H. A. Guilford to bribe H. M. Barton, a juror, in the trial of W. Cooper Morris, charged with wrecking the Oregon Trust & Savings Bank, for whom Sweek and Fouts were attorneys, last night recommended to the bar association that the matter be further investigated by a special grand jury under direc-tion of a special prosecutor to be ap-pointed by Presiding Judge Morrow.

The investigating committee reported that Guliford had repudiated a great deal of his original confession in his testimony before the committee. The report says that Guliford told the com-mittee that he had been approached by one Bob Patterson, who said he repre-sented persons connected with the Dis-trict Attorney's office, and that he was trict Attorney's office, and that he was desirous of involving Fouts and Sweek in a supposed effort to bribe Juror Barton. Guilford told the committee, according to its findings, that he should interview Fouts and Sweek in an effort to obtain money as a token of an attempt to bribe a juror, and that he understood that Barton was a party to the plot as suggested by Patterson. In conclusion, the committee found: "First, that there are many facts and circumstances connected with this

Patrolmen Humphrey and Montgomery were sent to take the girl into custody, awaiting the arrival of her father from Salem.

The moment the officers and their charge alighted from a streetcar at Third and Oak streets the girl turned upon her custodians. She cried and scratched until they had to carry her the rest of the way.
