Portland annexed two more heartbreaking games of the National pastime yesterday. Vernon made it extremely in-teresting for the Beavers, but only passing attention was given by the 5000 spec-tators who witnessed the afternoon contest, as a young man with a large mega-phone heralded the progress of the set-tlement of the race question at the little village in Nevads. The scores were 1 to 0

and 2 to 1.

The Beavers pulled off championship inside ball, outside ball and indoor ball, but there was never a time that the band of invaders under the leadership of

Happy Hogan had a chance. Casey and his crew kept their fingers crossed, and, alded by the masterly pitching of Steen and Gregg, the Hooligans were thoroughly tamed. It was not altogether because the Vernon players were unable to hit the ball, but because McCredie's men were playing the game in senastional manner, as well as smearing the trademark on a dozen or more haseballs as their bats carromed the offerings of Vernon boxmen to all spots in the lot. While Portland was hitting when hits meant runs, and shutting off Vernon's ambitions by sensational fielding, the Californians were unable to aid their pitchers. The latter secured all the clean hits made by the representatives of the backyard of Los Angeles.

#### Morning Game Is 1 to 0.

While his decisions on the bases were exceptionally good, and he was called upon to make a number or close ones, Umpire Finney had an off day on balls and strikes. His failure to call strikes on Ryan in the first game enabled that player to circle the bases with the only run of the morning. Finney was fair about his distribution of favors how.

game began. In the very first lining it looked as though Portland might score. Rapps placed a beauty in center and by the score of 8 to 2. Scores: ball away trying to catch him stealing.
Martinke walked, and as Gus Fisher
went to the plate he was given an ovation. The best the popular young catcher
could do was a grounder to "Little
Brether" Brashear.

#### Carey Makes Great Stop.

Casey took the heart out of the Ver-gonites in the second round by a great stop of Coy's apparently safe hit to right, and they were not afterward dangerous. In the fourth inning Steen pitched but

In the sixth Casey, Rapps and Steen figured in one of the greatest plays ever pulled off on the local grounds. Willett, the Vernon slabster, was on second as a result of a bad peg by Fisher, when Stovall slammed one for the right garden at terrific speed. Rapps grabbed at it and the ball was deflected from the shins of the first baseman toward the captain.
Casey secured the ball and Steen managed to receive it at first in time to retire the runner for the third out.
Feeling so good over the fancy ball
his men were playing, McCredie ordered
them to go in and win in their ball of

them to go in and win in their half of the same inning, and it was only the too cautious coaching of the manager which kept the score from standing 2 against 0. Rapps went to first on four bad ones and Martinke bunted, both runners being safe. Fisher hit cleanly to right but McCredle held Rapps at third.

#### 5000 at Afternoon Game.

In the seventh, Ryan, the second man up, was fairly retired on strikes which Finney overlooked. Ryan then beat out an infield tap. Ryan stole, and when Brown again overthrew second, went to third. He scored when Olson made one of his timely singles to the admiration of the grandstand. Grandstands were filled almost to cannelly with more than 5000 belider. pacity with more than 5000 holiday seekers when the afternoon game was seekers when the afternoon game was called with Vern Gregg, formerly of Spokane, on the firing line for the Beavers. With his drop ball working to perfection the Vernon players were helpless after the first inning. Incidentally Vernon secured the only run it has succeeded in pushing over the plate in the five games that Gregg has worked against them. has worked against them.

The Portland yougster was afflicted with bad eyesight in the beginning and walked Carilsie, the first Vernonite to pound the robber with his bat. The free ticket was immediately turned

#### Carlisle Makes First Tally.

Carlisle stole second when Fisher failed to land the ball in a handy place for Olson at second, and Stovall sent him to temporary lodging at third. "Big Brother" Brashear brought the center fielder home with a neat sac-

"Buddy" Ryan angrily registered a "Buddy" Ryan angrily registered a tion, and kept on to second when Stovall got mixed up in a boxing match with the bail. Olson was safe at first after beating out a bunt, and both runners moved up on a sacrifice by Rapps. Martinke then singled to right field, Ryan and Olson racing over the pan with the only two runs Portland

was able to garner. Vernon was dangerous in the seventh and eighth. In the former Coy received life at first through a bad throw by Casey, but was forced at second by "Little Brother" Brashear. The latter stole second, and was doubled at third by Fisher when Burrell struck out In the eighth Brown was hit by a

pitched bail and went to second on Breckenridge's hit to right. Brown was nipped at third by quick fielding The score:

#### SEVEN EVENTS ARE GIVEN

Sargo and Alexandra Queen Are Fargo and Alexandra Queen Are Winners-Filly Ruby Light Gives Exhibition Pace.

Despite the fact that the returns from Reno kept most of the people down town, a fine crowd assembled at the track of the Portland Fair & Livestock Association to see the Riverside Driving Club's annual July Fourth race matinee, and enjoyed the speed tests immensely. It really was the best card the club has staged for some time, and all of the races were hotly contested from start to finish.

The first race of the day was the Class B trot in which only two of the three entries lined up at the behest of Starter Sam Kramer. These were J. P. Porter's Ora May and G. K. Howitt's Hunkey Dory, for A. O. Hall's Alice Jones was scratched. The Porter entry lost the first heat in 2:23%, but came back strong and won the second and third heats. The Howitt entry seemed to tire, and also broke his stride

#### Deputy Takes Two Straight.

The second race between three crack trotters was won by C. W. Todd's Dep-uty in two straight heats. A. C. Loh-mire's Red Skin took second honors, while third place went to T. R. Howitt's Dottie Dimple. This was really one of the best races of the day, and the

winner was cheered fustily as he crossed the finish line.

The next event on the programme was a special speed trial by a green colt, Ruby Light, owned by Mrs. A. R. Shreve, and trained during the past few weeks by Pile Wilson. This colt is a weeks by Dick Wilson. This colt is a 2-year-old by Aerolite (2:11% as 3-year old) out of Bertha, one of the most famous brood mares in the country. Shreve has one of the most remarkable fillies I have ever driven. one of the greenest pacers I ever handled, and now she shows class enough to warrant me claiming her to she matures. Right now she is the greatest filly in the world for the training she has had, and I predict a record for her. I think she will do 2:15 before the Fall meets are over, and if she does she will be a world-

#### Special Match Arranged.

After this exhibition race a special match race between W. B. Linn's Alex Williams and A. C. Lohmire's Arc Light was introduced. Mr. Lohmire drove Alex Williams, while Dick Wilson, trainer of that horse, handled the ribbons over the Lohmire entry. Alex Williams won the race in a nice drive, Lohmire seeming to strive hard to beat his own horse and accomplished the
