Official Washington Convinced Taft Has Found Man for Chief Justiceship.

DEMOCRAT FOR ASSOCIATE

Solicitor-General Lloyd W. Bowers Believed in Line for Promotion to U. S. Supreme Bench-Luke Wright Among Candidates.

WASHINGTON, July 5 .- (Special.)-There is a seemingly fixed belief among the officials in Washington, including those whose duties bring them close t the President, that Governor Charles E Hughes, of New York, will be nominated to succeed Melville W. Fuller as Chief Justice of the Supreme Court of the United States.

Mr. Taft had some difficulty in per suading Governor Hughes to accept the offer of a place as Associate Justice at the time of the death of Justice Brewer. It is thought that there would have been no hesitancy on the Governor's part if it had been the Chief Justiceship that

It is virtually certain that the successor to Justice Fuller will be a Republican. Precedent is enough in itself to make it certain that a party man will be given the high place If Governor Hughes is promoted to the

headship of the court there will be two vacancies in the ranks of the Associate Justices. One of these places will be given almost unquestionably to Repub-lican and the other one to a Democrat.

Lloyd Bowers May Get Place.

When Lloyd W. Bowers came to Washington to take the place of Solicitor-General, the President said he beld his Administration fortunate in being able to cure the services of a man of Mr. Bowers' fine judicial mind and legal

Belief here has been strong that Mr. Taft always intended some day to pro-mote the Solicitor-General to the Supreme Bench

It may be that if the objection of age were not in the way the Democrat to receive the nomination for a place on the court would be Luke E. Wright, ex-Secretary of War, and one time Chief Jus-tice of the Supreme Court of Tennessee. Mr. Wright, however, is several years younger than Associate Justice Horace H. Lurion, who was named to succeed Justice Peckham.

DEATH AFFECTS MARKET

Demise of Chief Justice Fuller Causes Flurry in Wall Street.

NEW YORK, July 5.—There was another flurry in the stock market early today, the joint effect of a jump in the price of wheat, the death of the Chief Justice, carrying with it the threatened delay in the hearing in the Sherman law cases, the discussion of a strike of the Pennsylvania Railway employes, and the impairment of cash holdings that the clearing house banks disclosed by the

All records for the dispatch of business in Police Court were broken yes- daysa

43 other cases.
Violations of the "sane Fourth" ordinance occupied a large share of the Court's attention. While the officers contented themselves in most cases with warning violators of the ordinance, a large number of arrests were made and the prisoners were dealt with leniently yesterday.
