The House subsequently referred the bill to commit-tee of the whole. This means that the bill will be shelved until next year.

Bill Meets Objection.

The interesting debate showed that many leading men, including Winston Spencer Churchill, secretary of the Home Affairs, and A. J. Balfour, leader of the opposition, who favored the principle of woman suffrage, objected to the present bill and contended that the whole country must pronounce unreservedly in favor of must pronounce unreservedly in favor of women voting before Parliament sanctioned such a change in the constitution. Premier Asquith, in a strong speech against the bill, declared that if women had a vote, they must inevitably have seats in Parliament and might take the Speaker's chair or sit in the Cabinet.

Women Gather to Hear Result. Mr. Balfour contested this view. He said that it was not government by consent to exclude a large class of the com-

WASHINGTON, July 12-Details of a WASHINGTON, July 12.—Details of a plan of the Japanese Government for conducting a colonial department at Tokio, embracing jurisdiction over Formosa, Saghalien and Corea, patterned after the insular affairs bureau of this Government, have reached the State Department.

unofficial reports indicate that Viscount Terauchi will continue to dis-charge the duties of Corean Resident-General. The latter is the son-in-law of Prince Yamagata and was formerly Minister of Communications at Tokio.

Newspaper reports also predicted a few weeks ago the appointment of Kato Masao as manager of the general business bureau in connection with the Scoul government. Masao represented Japan in Seoul many years ago. The reports indicated Corea, under the colonial government scheme, is to be regraded and treated as a Japanese colony. General Terauchi is planning a visit to Seoul to make arrangements connected with the

Revolution Fake, Declares One of Prisoners. Who Expected to Receive \$20,000-Plan to Break Market by Speculator.

HAVANA, July 12 .- The purpose of ates were arrested yesterday, was to compel American Intervention, according to the government's information.

The Secretary of the Interior has issued an official statement that it was earned some days ago that it was de signed to blow up bridges and railways, and destroy property of foreigners with the hope of compelling this

The suspects, being poor and ignorant and most of them negroes, the Secretary believed they were acting under the instigation and orders of persons of superior intelligence. Further investigation resulted in the discovery that the suspects were in the suspects. that the suspects were in constant communication with a stock broker whose name is unknown.

A description of him has been ob tained and the police are making a earch for him.
The arrests were delayed until the four conspirators had started for Viaja Bremeja, whither a trunk containing arms and dynamite had been shipped he same day and where, It is believed,

they intended to begin operations.

When arrested, one of the conspirators, named Valeriano Pico, made a coluntary statement declaring that the whole conspiracy was a fake and merely an attempt to make a pretense of uprising. Its purpose, he said, was not to cause American intervention, but simply to break the local stock mar-ket by committing some damage not serious to property.

Only four persons were concerned in the conspiracy, he said, the rest of the eight arrested knowing nothing of the

Government Agent Accused. The prisoner further declared that the plot was first suggested by an agent of the government, who informed him he knew an individual willing to

pay Pico and his four comrades \$5000 each, and to furnish explosives if they would go into the country and start a fake revolution.

The government agent declined to

ROOSEVELT TO TALK TO ALL

Pittsburg Speech to Be Heard by Labor and Capital Alike.

PITTSBURG, July 12.—American workmen.—Germans, Weish, Italians, Poles, Hungarians, Croatians, negroes—all will sit side by side with captains of industry and representatives of the Chamber of Commerce and other civic organizations to hear Theodore Roose-velt when he speaks here on Septem-ber 9, on "Civic Advance." Labor will rub elbows with wealth, and will listen to the exponent of the "square deal." This was decided by the Pittsburg Civic Commission last night when they planned to extend invitations to the various organizations of men of foreign birth. Only those who have sworn al-legiance to the United States will be

eligible as guests.

The Roosevelt audience will therefore be representative of more than the wealth of Pittsburg, and will be an assembly unique in the history of public gatherings.
