Tillamook Dairy Farm WILL TRADE OR SELL

Will TRADE OR SELL

We have a 100-acre farm, right up against the City of Tiliamook—the finest kind of a platting proposition. It is level and in the highest state of cultivation. It has been operated as a dairy ranch upon which the cows have been bringing their owner from \$12 to \$16 a month. They have gone as high as \$150 per year per cow net income to the dairyman.

One railroad has just been built into Tillamook City—another is pressing rapidly towards it—boat line between it and Portland. It has every earmark of a city which will have a rapid growth. Then this acreage, within a stone's throw of the depot, will make you money.

We will sell this on terms

We will sell this on terms or will take Portland property in trade.
