SAN FRANCISCO, July 26 .- (Special.) There was only one team in the game today at Recreation Park, and, though the Northerners were allowed to reach third base on several occasions, this is as far as they traveled, while the Seals tagged the plate three times.

McCredle's players made seven hits off Miller and Sutor, while the Seals were annexing five, but the latter's bingles were better timed. A nice piece of ring generalship by Kid Mohler, when he yanked the Iron Man, with the bases full, and sent in Sutor, probably saved and won the game for the champions.

Mohler Again Kicks.

Multnomah Club Paper to Pay 6 Per Cent Interest.

SALE TO OPEN THURSDAY

Assurance of Increased Earnings and Splendid Security Expected to Prove Attractive to Buyers.

Temporary Quarters Secured.

Instead of at 5 per cent, as first announced, the Multnomah Amateur Athletic Club will sell the \$200,000 worth of bonds at 6 per cent. The increase in the interest was decided upon by the board of trustees at a meeting on Monday night, that the ready dis-posal of the securities would be real-ized and that active work upon a rew clubhouse and improved grounds might be started soon.

he started soon.

At the new rate of interest, the bonds, which will be redeemable in five bonds, which will be redeemable in five years at par, are considered a good investment by many Portland business men, who have signified their willingness to take large parcels of them. The subscription list for the sale of the securities will be opened Thursday morning by the bond committee, composed of W. C. The total authorized bond issue was \$250,000, but it was thought unnecessary to issue that much and the proposed issue was placed at \$200,000. These are first mortgage bonds and, as they are based upon security of over twice the valuation, no trouble is expected in selling them.

It is proposed to use half of the money derived from the sale of the bonds in eercting a new clubhouse on the South end of the grounds, fronting on Salmon street; the other half to be applied in improving the grounds, field, constructing a new grandstand and in liquidating the present indebtedness, which amounts to \$50,000. The coupon bonds are in denominations of \$50, \$100, \$500 and \$1000.

Double Handball Dues Suggested.

At a meeting of the handball players and committee of the Multnomah Club at the Commercial Club last night, it was decided to propose to the board of trustees that all the handball players of the club be assessed double dues for a year. This proposal is to reimburse the club for the expense of constructing a handball court on the Macleay site. The cost of a new handball court would be about \$900, reported A. B. McAlpin, chairman of the handball committee.

There are about 40 handball playing members of the club, and the proposed fee system for a year would more than reimburse the club for the cost of a new court. The proposal will be submitted to the board of trustees at to-night's meeting.
