OTTUMWA, Ia. July 27.—Such town-ships and municipalities of Iowa as are willing to accept a high licehse to per-mit trafficking in liquor may do so in the event of Democratic success at the forthcoming gubernatorial election. At least the platform adopted at the con-vention of that party here today says so, but the pledge was not made with-out a fight, both in committee and on the floor. The platform as reported was then adopted with a shout and General Weaver demanded a rolicall on the liquor plank, so that, as he said, the people of the state would know ex-actly where the party stands.
