O. W. Eastham Not Candidate.

Interest as to what man will be selected is general but at this time there is little insight to be had into the probable action of the three committees. It is under-ptood that neither Clackamas nor Columbia has anyone from the respective dis-tricts. O. W. Eastham, who announced at the time of the assembly that he would run against Mr. Clarke because of having received the indorsement of the 'two minor counties, is suid to have withdrawn from his position. Further-more he does not intend to try to secure the recommendation at this time, so members of the Clackamas committee have formally reported at Republican headquarters.
