

PHYSICIANS ALLAY PARALYSIS ALARM

Anterior Poliomyelitis Danger Is Greatly Exaggerated, Say Doctors.

DEATHS BUT 10 PER CENT

Electricity and Massage Recommended as Cure—Other Physicians Say There Is No Cure and Diagnosis Is Important.

The general trend of the discussion of infantile paralysis at the meeting of the Oregon State Medical Association yesterday afternoon was to allay public alarm based on the stage of epidemic, not only in this state, but in all parts of the country.

No Remedy Discovered.

He said science has not discovered a remedy and when the disease is pronounced it will take its course. Until the disease can be diagnosed in its earlier stages, or from primary symptoms, he said nothing can be done to treat it.

Message Found Successful.

Dr. Joseph Hilderback, Dr. F. W. Van Dyke, of Grants Pass, and Dr. Bird also discussed the disease, presenting the discussion Dr. House said he had personally met with success by electrical treatment and massage of cases of paralysis following anterior poliomyelitis.

Papers Are Read.

Dr. Hilderback read a paper on "Allimentary Intoxication in Children." Dr. R. J. Marsh leading the discussion. Dr. Ray Wilson read a paper on "The Early Diagnosis of Tuberculosis" and Dr. Alfred Kinney, of Astoria, led the discussion.

Officers to Be Elected.

Officers will be elected at the opening of the session this morning. Following the election of officers, W. W. Cotton will speak, his subject being "The Medical Expert Evidence in the Bladder or Hysterectomy and Salpingo-Oophorectomy as Observed by the Urologist."

PERSONAL MENTION.

F. J. Devine, of Albany, is at the Perkins. Dr. C. J. Smith, of Pendleton, is at the Imperial. J. M. Miller, State Senator, of Lebanon, is at the Perkins.

Voting Places for Primaries September 24, Selected.

75 NEW TENTS PURCHASED

Canvas Houses Are Owned Jointly by City and County—One Hundred Thirty Will Be Placed About County for Election.

For more than a week County Clerk Fields has had a man busy locating the polling places in Multnomah County for the primary election, September 24. There are 152 precincts this year, and 75 brand-new tents have been purchased, which will be used in addition to the 55 used at the last election.

William C. Bristol, former United States Attorney, returned yesterday from an extended vacation in Mexico.

Dr. W. V. Glaisyer, of Pendleton, and Dr. Mrs. F. M. Brooks, of Silverton, have arrived in Portland to attend the convention of the State Medical Association.

Dr. Edward A. Rich, who is connected with an orthopedic institute in Tacoma, took issue with Dr. House, saying that the big orthopedic hospitals in the East, particularly in Boston, heat and light had proved more effective than any other treatment.

Dr. Edward A. Rich, who is connected with an orthopedic institute in Tacoma, took issue with Dr. House, saying that the big orthopedic hospitals in the East, particularly in Boston, heat and light had proved more effective than any other treatment.

Bald Heads Not Wanted

Baldness Is Too Generally Considered a Sign of Advanced Age

A bald-headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age.

Almost 65 per cent of bald-headed people may regain a good head of healthy hair if they will follow our advice and accept our offer.

We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair are entirely dead, their follicles closed, and the scalp has become greasy and shiny.

We want people to try this remedy who are in the habit of using hair oil, pomade, or other hair preparations, and who do not understand that unless it does exactly what we claim it will, and gives satisfaction in every respect, we shall make no charge for the remedy except during the trial.

We want every one suffering from any scalp or hair trouble, dandruff, falling hair, or baldness, to try our "Rexall" Hair Tonic.

We want every one suffering from any scalp or hair trouble, dandruff, falling hair, or baldness, to try our "Rexall" Hair Tonic.

TRAFFIC DEPARTMENT

CIRCULAR

SCHOOL TICKETS, SEASON 1910 AND 1911, WITHIN PORTLAND CITY AND FIVE-CENT FARE LIMITS

School tickets for the use of pupils attending both public and Private Schools will be placed on sale under the Certificate Plan, at Ticket Office, First and Alder streets, on Monday, September 12, subject to the following conditions:

1. Certificates in the form of a card will be furnished Principals of Schools, and when properly filled out by them, will entitle pupil named thereon to transportation to and from school at special rate of 3-1/2 cents per continuous trip. Tickets are sold in books of 33 coupons (single trips) at \$1.00 per book.

2. Certificates must bear the name of pupil, name of school attending and must be signed by the Principal of such school.

3. Not more than three books of tickets will be sold on any certificate within any one month.

4. The Certificates and Tickets are not transferable and are for the individual use of the pupil to whom issued, and will not be accepted for transportation of any other person. No two or more pupils will be permitted to use the same book of tickets, each pupil must be provided with an independent book of tickets for its individual use.

4 1/2. Tickets are good only for pupils not over 16 years of age.

5. The Tickets are good for transportation to and from school on school days between the hours of 7:30 A. M. and 6 P. M. They will not be accepted for passage before 7:30 A. M. or after 6 P. M., or on Saturdays, Sundays, holidays, or when schools are not in session.

6. Should a certificate be lost, it must be reported to the Principal of the School by whom issued, and by him reported to the Traffic Manager, Room 502, Electric Building, Phone Main 6688 or A 6131, before another certificate is issued.

7. Should a book of tickets be lost, another book of tickets will not be sold until the prescribed eight consecutive school days have expired.

All of the above conditions must be complied with under penalty of forfeiture of the reduced rate privilege named herein.

Certificates must be filed out and signed in ink.

Certificates expire and tickets will be taken off sale at close of school season, June, 1911.

Certificates must be presented at Ticket Office each time tickets are purchased. Under no circumstances will tickets be sold without a certificate properly filled out.

F. D. HUNT, Traffic Manager.

Portland, Oregon, September 8, 1910.
