MEMBERS OF AUTO CLUB BEGIN TRIP TODAY.

Visit of Seattle Autoists to Rose Festival to Be Repaid and Association to Be Formed.

With the slogan "on to Seattle," about eight members of the Portland Automobile Club will embark on the steamer Joseph Kellogg this morning at 7 o'clock for Carroll's Point, on the Columbia, about six miles from Kelso, whence they will motor to Seattle. The object of the boat trip is to avoid the bad roads between Vancouver and Kelso, Wash.

Four Portland automobiles have already gone to Seattle and in addition to those going today several autoists will leave the city Saturday and Sunday. Among them will be W. J. Clemens, vice-president of the club. Mr. Clemens will start Sunday morning and expects to arrive in Seattle, 175 miles distant, that night.

One purpose of the run to the Puget Sound City is to repay a visit made by the Seattle Automobile Club to the Rose Festival in June, and another is to help in organizing the Western Automobile Association. It is planned to have this organization promote the automobile business along the coast and the cause of good roads. The hearty co-operation of nearly all the California automobile clubs has been promised in building a highway from British Columbia to Mexico. The proposed road is to go through Portland.

The meeting in Seattle will be held Sunday night in the Hotel Washington Annex. Nearly all the automobile clubs of the Pacific Coast will have delegates in attendance.

A locomobile driven by O. E. McCarty and carrying Mrs. McCarty, Assistant Secretary Harrison and some newspaper men, will act as pathfinder for the Portland automobilists on the way to Seattle. Confetti will be dropped along the road to mark the way for the machines following. Those who will start today are O. E. McCarty, H. L. Keats, L. Aronson, E. Henry Wenne, W. D. Sleep, C. E. Runyon, J. H. Nolta and W. L. Griffith. Mr. C. Dickinson, president of the club, will probably send his car to Tacoma by train and join the club members there for the last leg of the journey.

E. W. Ring, John Kenyon, W. A. Caldwell and L. E. Younis have already left Portland for Seattle. After staying Saturday afternoon and
