SACRAMENTO, Cal., Sept. 18.—(Special.)—In splitting up the double-header today Sacramento and Portland administered a drubbing to each other. The morning game went 8 to 1 for the trailers, while in the afternoon the champions won just as easily with a score of 10 to 1. The lone tally was in the nature of a gift, Olson making an error, which a three-base hit by Burns later made into a run.

The games were also good and bad for the pitchers. Pape, the new arrival from the Boston Americans, pitched by far the best ball of the day, holding the Beavers to five hits in the morning, besides getting three hits himself. Steen served nicely for Portland in the afternoon, allowing seven hits, with only two in bunches. Boice and Arrellanes were the goats for the batters, each being benched for liberality.

Casey Leads With Walk.

Portland began its winning streak in the afternoon game at the start of the second inning, when Casey led with a walk. Sheehan sacrificed him and Rapps was safe on Danzig's error. Boardman bungled on Ort's grounder, letting Casey in, while Rapps arrived when Steen hit to center. Arrellanes tried to slip one over on Buddy Ryan while he was kicking at the umpire in the third, but the Beaver turned on it like lightning, slamming out a triple. He scored on Krueger's sacrifice fly.

Ryan lifted the ball over the same fence as yesterday, with Steen ahead of him in the fifth inning. Krueger doubled to center and scored when Casey tripled to right. Arrellanes was stopped here and Fitzgerald substituted, retiring the side by fanning Sheehan.

Senators Play Booby Ball.

Sacramento played worse booby ball in the ninth, letting the Beavers pile up four more runs. Rapps began with a walk and went to second on a passed ball. Fisher hit, but was forced out at second by Ort. Boardman, hitting Rapps on the back, let the first run over and Fitzgerald permitted Ort to arrive safely by throwing high from in front of the grand stand. Steen fanned, but Ryan was safe on Danzig's error and Olson walked. Krueger knocked one through Heister's legs in right, which permitted the two men on bases to score. Casey ended the misery by flying out to right.

Boice was peppered for fair in the first inning of the morning game. Shinn opened with a two-bagger and a pair of passes, a single by Boardman, a wild pitch and a double by Burns ran up a lead of four runs. Pape doubled in the second, but was caught off second. Shinn then tripled and came home on Van Buren's out.

Bloomfield Follows Boice.

Bloomfield, who followed Boice on the visiting firing line, picked out a single in the third and scored the only Portland run when Krueger hit to center.

Sacramento fell on Bloomfield in the seventh after two were out. Heister passed, Perry singled and Boardman walked, filling the bases, and Danzig hit to center, scoring two runs.

Pape singled and was later nailed at the plate by a decidedly unpopular decision in the eighth. The locals insisted on a run, however, by Shinn and Van Buren hitting and the former coming in on a passed ball. The score:

NEW FACTOR LOOMS IN WELTERWEIGHT FIGHTING CLASS

LEO HOUCK, OF LANCASTER, PA.

NEW YORK, Sept. 17.—(Special.)—A newcomer in the fighting world is Leo Houck, of Lancaster, Pa., who recently beat Harry Lewis. Lewis, who has just returned from Europe after striking success there, must have been surprised at the ease with which Houck got the best of him in the 12-round bout. Houck is now a factor to be reckoned with in the welterweight class.

OAKS AND ANGELS BREAK EVEN

Decaniere, Commuters' New Pitcher, Loses Because of Team's Errors.

LOS ANGELES, Sept. 18.—Oakland tried out a new pitcher, Decaniere, in the morning game today and lost, though it was not all his fault. Four errors aided materially in the run-getting of Los Angeles. Both Howard and Thorsen boosted the ball over the fence for homers, Howard also got a three-base hit. The afternoon game went to Oakland because of two hits in the ninth inning at the right time. Lively, who succeeded Moser in the eighth, stopped further scoring by the locals. Score:

"PING" BODIE IS AGAIN STAR

He Gets Great Ovation When He Sends Ball Over Fence.

SAN FRANCISCO, Sept. 18.—Thirty minutes after he had been presented with a large floral horseshoe by a delegation of Vallejo fans in consideration of his record of 26 home runs for the season, "Ping" Bodie put the ball over the right field fence at the Recreation Park this afternoon. The ovation he received was as great as any that was ever given a ball player on the Coast. Bodie also credited himself with a double and single and he was the man to cross the plate with the winning run in the eighth inning. Vernon blanked San Francisco in the morning game at Oakland, 4 to 0. The scores:

TEAM COMING HOME

Beavers Will Meet Vernon on Local Grounds Tomorrow.

SERIES MAY BE 8 GAMES

Portland Fans Have Great Hopes for Victories While Villagers Are Here, and So Has Manager Hogan, of Visitors.

Walter McCredie and his Portland Beavers, leaders in the Pacific Coast League pennant race to date, are on their way home after playing two weeks in the southland, during which time they successfully combatted the bid the Oakland team made to take the lead away from them.

The Beavers gave the Oaks a terrific battle for the series played between the two leading clubs during the first week Portland was away from home, and then followed this by taking the series, four out of six, from Sacramento, and while this feat was being accomplished the Oaks dropped five out of seven to the Los Angeles club, which disaster materially helped McCredie's chances for the flag. All told, the road trip was fruitful of eight victories and seven defeats, which is a fine performance for any club compelled to go on the "hike," as many times as is Portland during a season.

Hogan Is Confident.

When the Beavers hook up with Vernon on the home lot tomorrow afternoon a royal crowd of fans will be on hand to welcome the possible champions home and to root hard for the trimming of the Hooligan band. Happicus Hogan has other ideas on the subject, for the excitable leader of the Vernon crowd thinks his club is still of championship caliber, and would continue to think so if Vernon occupied the last-chance hole now possessed undisputedly by Sacramento.

Happicus is a most cheerful individual under all circumstances, excepting when umpires deliver adverse decisions, and then the Vernon leader is most versatile in his remarks, not to mention his conduct.

Harry Wolverton, "Pa" Dillon, Walter McCredie and even Charlie Graham fade into insignificance compared to Happicus Hogan in entering objections to the rulings of the diamond autocrats, for Happicus has a style all his own and it frequently results in his being chased to other latitudes than those comprised by the confines of a baseball inclosure.

Manager Is Admired.

It is Happy's strenuous attributes that endear him to the fans, for nine out of ten Portland men who like to see the Vernon team walloped fiercely by McCredie's braves are hearty admirers of Happy Hogan.

While they like Hogan personally and enjoy watching his team perform on the field, the Portland fans care much more to see the home team triumph, and this week being a crucial one, as the Vernon club is not to be despised at any stage of the game, the rooters will line up solidly to cheer the McCredie squadron on to victory.

Eugene Krapp or Vean Gregg, most likely the former, will be called upon to open the series against the Hooligans, and as there is a possibility of eight games being played here between these two teams this week, McCredie's pitchers will be put to another strenuous test of endurance. Krapp, Gregg and Steen will probably be worked two games each against Hogan's outfit, though Big Mac might save Gregg for the Oakland series, which follows, and utilize Jesse Garrett, who did not work against Sacramento at all, instead of the southpaw.

SEATTLE TAKES TWO GAMES

Timely Hitting Does Trick in Double-Header With Tacoma Team.

SEATTLE, Sept. 18.—Seattle won two games from Tacoma today by timely hitting. The first was a fine exhibition by both clubs and was played in one hour and nine minutes.

First game—

FOOTBALL SEASON OPENS IN EARNEST

Interscholastic League Players Confronted by Task of Learning New Rules.

DANGERS ARE ELIMINATED

Strategy in Revised Form to Take Place of Heavy Plays—Teams With Fastest Backs and Best Kickers to Win.

Football was formally ushered in last week, when the three High schools, Washington, Jefferson and Lincoln, Portland Academy and Columbia University, had their initial tryouts under the new rules.

Preliminary work given the players last week by the coaches was merely to loosen them up and test their wind, preparatory to putting them through a hard siege of training for the season, which begins October 6. Beginning today and until the end of the season the players will be constantly at work learning the numerous new plays made possible by the changed rules.

Changes in the rules, eliminating for the most part danger from injuries, are expected to further the interest and enthusiasm which has been shown for football in the past in Portland. Also, the new rules are expected to eliminate parental or faculty objection, which was threatened all over the United States last year.

Old Mass Plays Gone.

Under the rules this year there will be practically no line play; the old mass play is gone, for seven men are needed on the line. There will be a few quick plays directed at the line, but no more banging of beef and brawn against its like. Speed and kicking will be essential and the team with the fastest backs, with a good kicker to aid them, will win games. The position of quarterback is practically abolished, for most of the passing will be direct to the man who runs with the ball.

There will be no more spectacular forward passes of 35 and 40 yards. All forward passes will have to be executed within the 20 yard mark from scrimmage. The man receiving the forward pass cannot be interfered with any more, except in a legitimate effort by another player to get the ball. The same rule that cuts down the long forward pass necessitates the long onside kick. The onside kick must be made beyond the 20 yard line from scrimmage. To see that these rules are complied with a man with a white flag will be stationed on either side of the gridiron 20 yards from scrimmage line on each play.

The quarterback kick is virtually abolished. The man making the kick must be at least five yards back of the line. This holds true with the forward passes. The forward pass may cross the scrimmage line at any point this year, so long as the man making the pass is five yards back.

Flying Tackle Abolished.

Another important factor in the abolition of the mass play this year is the forbidding of interlocked interference. Furthermore it is forbidden for any player on the side having possession of the ball to push or pull in any way the man with the ball. The real revelation of the rules is the abolition of the flying tackle. The tackler must have one foot on the ground when the tackle is made in the open, say the new rules.

Coaches, particularly of preparatory school teams, will have a big undertaking on their hands teaching the new football to their players. There is one thing important above all things that the player this year must remember, and which will no doubt be the cause of many penalties, and that is that all help to the man carrying the ball, except by the man who precedes him, is prohibited. This, summarized in two words, means "Hands Off."

In answer to Coach Virgil Earl's call, 30 players appeared on the field arrayed in their football togs at Washington High school last Friday. With the last year's timber and the promising new men Coach Earl believes that he has ample material with which to turn out another championship team. Washington lost several first-class men last year by graduation. Munley, one of the half backs, is lost to the team, also. He is attending the Hill Military Academy and is expected to find a place on that eleven.

Columbia Begins Practice.

Dominic Callicrate, coach of the Columbia University team, and several candidates for the team, were out for practice last week. The famous Notre Dame player is optimistic over this season's outlook. His team will open the season in Portland with a game with Jefferson High school. Columbia retains many of her last year men.

With "Little Giant" Kenny Fenton, the former Stanford, Yale, Multnomah Club and Portland Academy star, in charge football practice at Portland Academy was inaugurated last week. Cobb, Norris, Wilson, Nolan and several other players of known caliber were graduated last year and Fenton has a rather gloomy outlook before him, from all appearances. However, Portland Academy, in years gone by, was noted for its fighting spirit and pluck and is expected to rally with a good team.

Lincoln High school has the nucleus for a good team in Jack Day, Toomey, Cochran, O'Neill, Shearer, Tyson and Tuerck, of last year's squad. This septet is augmented by several big players from out of Portland. The team will be coached by James V. Lynch, of Syracuse University, who will arrive and take charge of the boys this week. The players have been out on the road for their wind several times.

In charge of Coach Smith, a Yale man, the Jefferson High school squad is at work. This is Jefferson's first year in the league. Its team will be light but fast. However, the boys, on account of their youth, are not expected to make a wonderful showing against the larger and more experienced players from the other schools. Captain Campion, McAllen, Cole, Earl, Williams, Cook, Vosper, Morgan, Magius and others are trying for places on the team.

Though not in the Interscholastic League this year, Hill Military Academy is making preparations for an active season. Games have been scheduled with Lincoln High, of Seattle; Baker City, Salem, Eugene High schools and Pacific University and Willamette University. Dudley Clarke, of the University of Oregon, is head coach and will be assisted by Dunne, a Michigan player.

The Vancouver High school has been admitted to the league, making a six-team organization. The first game of the season will be played between Vancouver and Washington High schools in Vancouver on October 8. Thereafter all the games of the league will be played in Portland. Many of the Portland teams have scheduled games with out of town teams.

Schedule Is Prepared.

Following is the Portland Interscholastic League schedule:

SOCCER FOOTBALL MEN MEET

Universities Take Up Game and Missionary Teams Will Go Out.

With President George J. Cameron presiding, the annual meeting and election of officers of the Portland Football Association was held Saturday night in the Alisky Hall, Third and Morrison streets. About 100 members were present and despite much wrangling some enthusiasm was shown.

District Attorney Cameron was re-elected president; J. P. Taylor and J. J. Churchley, vice-president; C. Climie, secretary, and H. E. Meade, treasurer. The reports of the officers proved that soccer paid in Portland last year.

A copy of the new constitution and bylaws, which were drafted last Spring to govern the play for the Portland Football Association challenge cup was read. The constitution and bylaws were drawn up by a special committee composed of K. K. Baxter, Andrew Matthew and Colin V. Dyment.

It was said that the University of Oregon, the Oregon Agricultural College and Willamette University will add soccer to their lists of athletic activities. President Cameron suggested that picked teams of Portland players be sent to each of these places to give an exhibition of the game. This was laid on the table to be voted upon by the officers at their first meeting. A report was made that one of the Portland grammar schools had taken up the game.

Until September 25 was allowed those clubs entering teams to make a report to the secretary of the association. All players in the league will be required to register with the secretary. From present indications there will be at least four teams in the contest for the cup, now held by the Multnomah Amateur Athletic Club.

Duck Hunters Disappointed.

It was a disappointed lot of hunters who returned from the duck preserves yesterday, for the birds were either flying high or were not to be found at all. Many of the hunters were too disgusted even to take their shotguns out of the cases.

DINGHEY CLUB HOLDS RACES

Brownie Wins First, but Butterfly Takes Second Event.

Favored by a strong wind the Oregon Dinghey Club held two races on the Willamette River yesterday afternoon. The first was won by the Brownie (Todd) in 33 minutes and 20 seconds. The Brownie beat Woodward's Butterfly by 20 seconds, but Woodward had the satisfaction of reversing things in the second race which the Butterfly won in 36 minutes and 15 seconds. The Celt, owned and sailed by Captain Hazlett, finished third in both races.

In the first race De Arcy's Bullpup and Nelson Dodge's Kitten capsized in tacking but no one was injured. Both boats were righted and towed to the boathouse, but were unable to participate in the second race.

YOUNG MOTHERS

The greatest crisis in a woman's life is when first she becomes a mother. All the physical strength of her nature is demanded at such times, and it is necessary that her system be thoroughly prepared for the event, in order that her health be preserved for future years. Mother's Friend is woman's safest reliance; it is a medicine for external use, composed of oils and other ingredients which assist nature in all necessary physical changes of the system. Its regular use before the coming of baby prepares the muscles and tendons for the unusual strain, aids in expanding the skin and flesh fibres, and strengthens the tissues. Mother's Friend leaves the mother in such healthful condition that her recovery is always rapid and natural. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.
