

ALL REPUBLICANS PROMISE SUPPORT

Pledges of Defeated Candidates Show Party Is United for Campaign.

HATCHET DEEPLY BURIED

Dimick, Hofer and Abraham Will Work Together for Bowerman. Assembly Men Are Serene, Regardless of Defeat.

With the smoke of conflict lifting, the dove of peace appeared to be hovering over the Republicans in Oregon yesterday. Leaders in both assembly and anti-assembly camps who could be reached during the day swore their allegiance to the Republican ticket as nominated by the people Saturday.

Jay Bowerman, assembly nominee for Governor, will have the support of those who were running against him, and he in turn will give his support to the whole ticket. Mr. Bowerman took occasion yesterday to define his stand, both with regard to the primary law and the Republican ticket as nominated.

"I am most heartily in favor of the primary law, and it is the spirit and intent of this law that the choice of the members of any party be indicated in the primary election," said he. "Republicans have expressed their wishes and nominated the candidates of their choice and I believe it is right and proper for every Republican who believes in the primary law to evidence that belief by supporting the ticket named at the primary election on last Saturday."

"I wish to take advantage of this opportunity of giving public utterance to the assurances I have given to the other candidates that I shall most heartily support them and render all possible aid and assistance to the ticket. If the primary law is to be the success that it can be, it is highly important that the will of the people as expressed at the primary election be accurately reflected by the members of the party. I shall do all I can for the success of the men nominated as the primary election. They are Republicans, chosen by the Republican ticket at the primary election, and if they are elected, as I confidently believe they will be, I can work in accord and harmony with them."

Judge Grant B. Dimick, of Oregon City, Mr. Bowerman's nearest competitor, said that he would do everything possible for the ticket. "I am not a man to get cranky over being defeated," said he. "I told Mr. Bowerman before the election that I would be with the successful candidate, and I mean to support the Republican ticket all along the line."

Defeated Ones Loyal. Colonel E. Hofer, of Salem, the third man in the race, was just as positive. "I made my campaign on just such a proposition," said he. "In the opening speech of my campaign I said I would support the entire ticket, from Governor down. I said the same thing in my closing speech at Salem, and I mean to stand by my word."

Albert Abraham, of Roseburg, has said from the first that he would give his full support to the successful candidate for Governor. "I am a Republican and I shall stand behind the whole Republican ticket as nominated," he said.

In the Congressional contest the hatchet was buried with the nominating election. Representative Ellis, defeated assembly candidate, defeated the Oregonian from Pendleton yesterday when he would give his full support to A. W. Lafferty, the successful candidate. "I never yet failed to support the party and I certainly shall give the party candidates my support this year," said Mr. Ellis.

In the first Congressional district the defeated insurgent candidate, B. F. Mulkey, will aid the assembly man, Representative Hawley. "I will support the successful candidates of the party, whether assembly or anti-assembly," said Mr. Mulkey. He also sent the following telegram to Mr. Hawley: "I learn that you have been chosen to accept your own nomination. Accept my congratulations."

Lafferty Defines Position. Mr. Lafferty, in pledging his support to the whole ticket, presented his views at some length. He said: "Many of the best men in Oregon went down in defeat Saturday largely if not wholly because they had gone into the assembly. But these men are not now threatening to bolt the party. They are loyal Republicans. They only erred in judgment. When any of these men again come before the party, under the direct primary, they will be accorded an equal opportunity with all other candidates."

"When such popular men and splendid Republicans as J. A. Hart, Ralph W. Hoyt, George McMillan, Pat McArthur and Jack Latourrette, who apparently failed of nominations Saturday, say that they will support the Republican ticket as nominated, I think that we who were successful would be small indeed if we did not join with those who were unsuccessful in carrying the party to victory in November. In my campaign speeches I stated that whether nominated or not I would work loyally for the Republican ticket at the approaching election, and I am delighted to know that those who were defeated are showing that same spirit."

"I stand first, last and all the time for progressive Republicanism, the direct primary, Statement No. 1, and the initiative and referendum. And I am unalterably opposed to the holding of an assembly. Those holding these views won considerably over half the nominations Saturday. We have no more right to bolt those candidates recommended by the assembly voters than we have Saturday, than the assembly voters would have to bolt our candidates who were successful. In my opinion there will be no bolting on either side."

Assembly Fight Buried. "There will be no more assemblies held in Oregon, and all the time for progressive Republicanism, the direct primary, Statement No. 1, and the initiative and referendum. And I am unalterably opposed to the holding of an assembly. Those holding these views won considerably over half the nominations Saturday. We have no more right to bolt those candidates recommended by the assembly voters than we have Saturday, than the assembly voters would have to bolt our candidates who were successful. In my opinion there will be no bolting on either side."

IRISH LEADERS WILL TOUR AMERICA ON MISSION OF EDUCATION.

JOHN REDMOND.

NEW YORK, Sept. 26.—Four Irish members of the British Imperial Parliament landed here today on a mission of education. They will tour the country to tell Irish-Americans what the Irish Nationalist party is doing for the political and industrial emancipation of Ireland. They are John Redmond, Joseph Devlin, Daniel Boyle and T. P. O'Connor, who will make a flying dash into Canada.

First of all, however, the convention of the United Irish League, which opens in Buffalo Tuesday, will call all four. Mr. O'Connor's itinerary will include the eastern provinces of Canada and probably Winnipeg, Vancouver, Alberta and Saskatchewan, Seattle, Tacoma, Portland and possibly other Western cities.

not desiring to be bound by any obligations whatever should register as an independent voter.

McArthur to Support Joseph. C. N. McArthur, defeated assembly candidate for State Senator, said he would give his support to George W. Joseph, the successful candidate, and the entire ticket. "I most emphatically will work for the welfare of the whole ticket," said he. "I believe in settling our differences within the party and then working for the common good," said he. "So far as I know now I shall support Mr. Bowerman and the whole ticket."

Dr. James K. Locke, anti-assembly candidate for State Senator, who defeated the assembly candidate, A. B. Manley, said that he would work for the ticket as nominated. "I believe in settling our differences within the party and then working for the common good," said he. "So far as I know now I shall support Mr. Bowerman and the whole ticket."

Assembly men, generally, regardless of the defeat sustained, were entirely serene yesterday and there will be no opposition to any of the successful candidates within the party.

Henry E. McGinn, anti-assembly leader who defeated Judge John B. Cleland for the nomination for Circuit Judge in Department No. 3, took a decided stand for party harmony last night, his views being based on the assumption that the assembly is a thing of the past.

"I understand," said Mr. McGinn, "that at the time Mr. Bowerman accepted the recommendation of the assembly he said he stood for the direct primary with an open assembly. I have it from unquestionable authority that Mr. Bowerman now believes in the direct primary, and in stating his attitude he says nothing with reference to the assembly. That is sufficient for me. I do not ask of those who differed with me on the assembly that they shall define their stand at this time. For I feel that the assembly got its death-blow yesterday and that it never again will be revived in Oregon politics."

"The Republicans must get together. There is much work to be done along progressive lines. We must do our part in the National work along these same lines. We may have our differences but they are not vital differences. And if they are not vital differences they can never be adjusted. The assembly is dead. There are no mental reservations of any kind in my views as I have expressed them. I shall work for Mr. Bowerman and the Republican ticket."

"I consider it a victory for the people," said George W. Joseph, nominee for State Senator. "I hold the most kindly feelings toward my opponents and feel sure that they will support me with the rest of the Republican ticket. I want to see the entire ticket elected from top to bottom, regardless of the individual views of the candidates with reference to the assembly. I want to see the coming campaign will be the same as that I announced before the primaries. I shall work and vote for a united Republican party and I expect to do the best I can for Oregon and the people of Oregon."

TWO CONFESS TO ROBBERY. Complicity in Theft of \$14,345 From Sluice Boxes of Mines. SEATTLE, Wash., Sept. 26.—(Special.)—J. F. Warren, special government agent for the Second Judicial district of Alaska, today received a cablegram saying that two men now in jail at Seattle have confessed to complicity in the theft of \$14,345 from the sluice boxes of the Pioneer Mining Company.

Mr. Warren has just learned whether the reported confession had implicated Marius Johansen, or John Tyberg, who were arrested recently in this city on a charge of being implicated in the robbery.

Mr. Warren will leave for Nome on the steamer Victoria Monday morning with Johansen, who is 22 years old. Johansen, was agreed to not oppose extradition to Alaska, declaring that he is innocent and will be able to prove his assertion in the courts. Tyberg, says Mr. Warren, will be taken to Alaska in a few days.

GAYNOR LOSES FINE BARN. Fire Destroys \$10,000 Structure of New York Mayor. ST. JAMES, L. I., Sept. 26.—Mayor Gaynor stood by yesterday and watched his handsome and practically new main barn, with its crops, go up in smoke. The loss is estimated at \$10,000. The fire is believed to have started through spontaneous combustion.

Rainier Wins From Greenfield. The Rainier Colts beat the Greenfield Blues in a game of baseball at Rainier yesterday by a score of 5 to 4. The Blues declare, however, that Jack Stacey, the umpire furnished by the Colts, deliberately threw the game in favor of the Rainier team in the eighth inning. At that time the Blues had scored four runs and the Colts one. Alken pitched for the Blues and Gleason pitched for the Rainier. Gleason caught, Haigen pitched for the Colts and Thurston caught.

Concerted Action in National and State Politics to Be Taken.

BALLOT BOX TO RESCUE

Plan Outlined Not Political, as Generally Understood, but "Move to Get Away From Old Lines of Partisan Politics."

NEW YORK, Sept. 26.—For the first time in the history of railway unions, members and delegates representing 518,000 men of the four great divisions of railway employees in the East, voted unanimously at a meeting here yesterday to take concerted action in National and state politics.

The proper place to settle questions affecting labor is at the ballot box," said W. S. Stone, of Cleveland, O., grand chief of the Brotherhood of Locomotive Engineers.

"Whatever your political affiliations, do not let party lines blind you to your true interest or prevent you from doing what you think is best. Right now the men you vote for stand for the right principles, regardless of party, and support these men who meet the requirements and will not only be doing the best thing for yourselves, but for the public."

"This is not a political move at all, as is generally understood, but a move to get away from the old lines of partisan politics."

In pursuance of this plan, the meeting voted to send out a series of circular questions to state and National candidates, particularly to candidates for the Legislature and House of Representatives, asking for a definition of their attitude on the universal adoption of safety appliances and an employees' liability law—where such does not already exist—compensation for superannuated employees, hours of labor and other matters of kindred interest.

This catechism was drafted by W. G. Lee, president of the Brotherhood of Railway Trainmen and by A. B. Garrettson, president of the Order of Railway Conductors, and by them distributed to all executive officers of subordinate unions and local committees.

There were 3000 members and delegates at the meeting yesterday, representing the Brotherhood of Railway Trainmen, the Brotherhood of Locomotive Engineers, the Brotherhood of Engine Drivers and Firemen and the Order of Railway Conductors.

The meeting voted to define their attitude toward the application of railways now before the Interstate Commerce Commission for permission to increase rates and to support the proposals reasonably to increase the existing rates."

It was decided that "this representative meeting of railway brotherhoods request our state and local committees to appear before the Interstate Commerce Commission during the pending rate hearing. . . . state our case and support the proposals reasonably to increase the existing rates."

The legislative board of the Pennsylvania Brotherhood of Engineers of Pennsylvania, representing 100,000 engineers, which recently concluded sessions in Harrisburg, Pa., attended the meeting in a body and reported resolutions in which it was said they approved the attitude on the question of railway employees in general, as expressed in many other scattered resolutions. They find that "the various railway companies, by whom our members are employed have recently enormously increased their operating expenses and fixed charges by reason of a great increase in wages and the increased cost of material and the incessant demand of the public for improved facilities and service."

A letter to M. H. Plummer, chairman of the committee of the Pennsylvania engineers at Buffalo, Chief Stone expresses himself in thorough sympathy with the movement.

"It is a sure," he writes, "if the railroads are to continue to exist, some way must be found to meet the constantly increasing demand on their gross earnings."

BETTER WORLD IS HOPE. MOTIVE FOR FITCH GIRL'S ATTEMPTED SUICIDE KNOWN. Belief That She Would Live Again in Realm Where Men Are Not Wicked Prompts Shooting. NEW YORK, Sept. 26.—Miss Vera Fitch, the young Californian who shot herself in the Hotel Astor on August 25, gave her reasons yesterday in an interview. She said she hoped for reincarnation in a more moral world.

In compliance with Captain Bailey's instructions, Patrolmen Martine and Johnson made another raid in Chinatown last night and arrested four Chinamen and one Japanese, in which case the "fourth estate has proved too strong for me. It is really deplorable that a girl cannot succeed honorably in this world. In some things I might have succeeded had I condescended to the wishes of men, cultured usually, moneyed usually, but minus morals. Death is preferable."

It was known that she had literary ambitions, lying in the hospital, where she is convalescing, Miss Fitch said last night. "I dreamed of a better day when such men would be unknown, when the world shall have one moral standard, when the train in which we travel might live again in that purer time I tried to kill myself."

Miss Fitch was born in Oakland, Cal., 22 years ago. Her father was Colonel Henry S. Fitch, at one time a millionaire.

500 CADETS ARRESTED

ENTIRE WEST POINT CORPS FACES COURT-MARTIAL.

Disrespect to Tactics Officer and Insubordination Are Charges Made. Students Won't Tell.

WEST POINT, N. Y., Sept. 26.—The entire cadet corps is under arrest and facing a general court-martial for gross disrespect to Captain Rufus E. Longan, instructor in tactics, and insubordination. Major-General Richard H. Barry, superintendent of the Military Academy, sent the four classes of 500 young men to their quarters after mess on Sunday evening, and a board of officers sitting at 1 o'clock this morning, endeavoring to find out why the cadets "silenced" Captain Longan.

They won't tell. The whole corps has stood out against General Barry's insistence; first-class men with almost perfect records in scholarship and conduct have remained as stubborn as fallow fields whose demerits rip up into the hundreds. All that General Barry and the board have got out of them in reply to questions as to why they refused to salute in Captain Longan's presence or refused to speak when he was among them is the statement: "We have formed a dislike for this officer."

The board of officers, of the degree of insubordination is dismissal from the Military Academy.

AMERICA HELD IN RIGHT. French Paper Says United States May Legally Fortify Canal.

PARIS, Sept. 26.—The Temps, discussing the intention of the United States to fortify the Panama Canal, admits the right of that country to do so and attributes the disquietude in England and Japan on this score to fears as to the real purpose of the American Government.

After pointing out that the treaty of 1903 reaffirmed the article in the Hay-Pauncefote treaty of 1901 to facilitate the construction of the canal, guaranteeing that the canal should be free and open and that no act of hostility shall be committed within it, the Temps draws attention to the significant omission from section one, article three, of the treaty of 1903 of the words, "The canal remains neutral."

ALL MY PIMPLES GONE. "I was ashamed of my face," writes Minnie Pickard, of Altamahas, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that excema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in eczema and all other serious skin diseases that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities.

The fact is, that while D. D. D. is so penetrating that it strikes to the very root of eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded, there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.
