Northwestern and Coast League Magnates to Confer on New Club Arrangement, but Graham Has His Instructions

New Material Is Promising-Varsity Has Six Intercollegiate Games Scheduled This Year.

UNIVERSITY OF IDAHO, Moscow, Idaho, Oct. 4—(Special)—Prospects for a winning team in football for the University of Idaho have been made brighter in the last few days. Thornton, the half-back who was elected captain last Spring, has returned to college. It was thought for a time that he was not to return, but Saturday he reported for practice, and his appearance has brought renewed hope to the team and its supporters.

Dickey, one of the stars of last year's Spokane High School eleven, has also arrived in town to register at the university and try out for the team. Smith, the star of the Palouse, Wash. High School teum, has registered for law, and is one of the new men who are showing up strong on the practice field. Shangdon, one of the best players of last year's varsity eleven, has also reported for practice. His return was unexpected.

Over 30 men are now in training, and Coach Griffith is using all his efforts and energies in an endeavor to pull the team above its standard of last season. Present indications are that the team will be stronger and better coached in the game than it was last year. Coach Griffith likes the new rules, and is now drilling the team in signal practice and running.

Many Good Men Lost.

Because "Reddy" Jones Stannard, Annusen. Munley, the Leader twins and several other players, are lost to the team this year, the hopes of the Washington High School partisans do not run as high this year as was the case last season.

Notwithstanding the loss of many veteran players Captain Flaherty has some good men to rely upon tomorrow. Cornell, the wonder at quarter for the past three seasons, no doubt will be played at half back. Nelson and Darling probably will play the other half and fullback, respectively. The latter is a big, rangy fellow with plenty of speed and lots of strength and when necessary can hit the line hard. Jackson, it is said, is proving a contender for the other backfield position. Darling will probably do the kicking.
