Mr. Ellis carried the counties of Baker, Gilliam, Malheur, Sherman, Umatillia, Union, Wasco and Wheeler and without a full count in Morrow is tied there with Lafferty.

Hawley Has 2094 to Spare.

Representative Hawley's majority over B. F. Mulkey in the Second District is 2034. Mulkey carried the counties of Curry, Jackson, Polk and Tillamook. He received a total of 7234 to Hawley's 323.

For the nomination for Secretary of State F. W. Benson has a majority of 13,414. G. Wingate carried only his home county of Clatsop, where his vote was nearly double that given Benson. The vote stands: Benson 28,075, Wingate 14,661.

Much Writing Is Done.

For Justice of the Supreme Court 'or the six-year term, in which there way no contest, G. H. Burnett received a total of 28,192 and F. A. Moore 31,572. While returns have not been made on the vote cast for W. T. Slater, the vari-aure between the totals cast for Bur-tt and Moore indicates that about \$00 voters wrote in the name of the on-partisan candidate,

In the contest for nomination as State Printer W. S. Duniway received a total of 26,990 votes to 15,751 cast for W. J. Clarke, or a majority of 11, 1213. Clarke carried four countles— (Hilliam, Polk, Sherman and Wheeler. The largest plurality given any can-didate went to A. M. Crawford, for Attorney-General. Mr. Crawford polled s total of 28,150 to 13,875 cast for J. N. Let. or a majority of 14,275. Hart curried the counties of Baker, Benton, Malheur, Morrow and Sherman.

Malheur, Morrow and Sherman.

O. P. Hoff received a greater majority for Labor Commissioner than was indicated by the sariier returns. Although losing Multnomah County to G. M. Orton by more than 1989, he carried the state by 2155. Hoff received a total of 21,497 and Orton 19,244. Orton carried Clackamas. Columbia, Curry, Jackson, Multnomah and Wallows. In the totals on Labor Commissioner the vote in Union County is unreported.

West's Majority Is 3150.

On the Democratic ticket Oswald West is shown to have a majority of 2150 over Jefferson Myers, the totals standing, West 6622 and Myers 2543. For Representative in Congress in the Second District the nomination has been won by John Manning. Reports from 13 of the 17 countles give Manning 610 and Harry Lane 485, or a majority of 151 for Manning. The countles from which returns are missing are Crook, Gilliam, Grant and Malbeur, which polled a total of 697 votes for candidates for Governor. But out of 4673 votes cast for Governor in the other votes cast for Governor in the other counties in the district only 1129 were registered for the two candidates for Congress, or less than one-fourth. Esti-mating on this basis, fewer than 175 votes are yet to be reported on the contest in the Congressional district and there is apparently no probability of Lane being the candidate.

Burns and Rogers Clash.

There appear to be two distinct in estigations in progress, one headed by William J. Burns, who imposed an absolute silence order upon the police yesterday, and the other directed by Attorney Earl Rogers. The latter, in San Francisco, denies that Burns has charge of the investigation, directly contradicting Burns' statement that he has, and Burns, in this city, replies that he refuses to enter any controversy with Rogers as to who is the responsible head of the chase and who in the event of the capture of the conspirators, shall have the largest share of the rewards.
