## PRODUCTS POUR IN

Remarkable Fruits and Vegetables to Be Shown.

### BOTTLE - SHAPED SQUASH

Giant Onions, Pumpkins That Look Like Footballs and Other Things Will Advertise Fertile Counties of Oregon.

Remarkable fruits and vegetables received in the regular consignments from the commercial bodies in various parts of the state and ostensibly for the purpose of display with their respective county exhibits, are being up in the rooms of the Chamber of Commerce in quantities almost sufficient to start a sidewalk.

A pumpkin the exact shape and size of an ordinary football was received in a shipment from Oregon City yesterday. The color alone prevents the trick of nature from being complete.

Baker City sent in an onion that comes up to standard regulations in every respect but size. It weighs four pounds, which is nearly the record in the onion production of the state.

A pumpkin that tips the beam at 120 pounds was among the day's receipts from Eugene. It is a product of the fertile Lane County soil. While the same section has grown larger pumpkins than this, the specimen is of a peculiar delicate color which makes it valuable for exhibition purposes.

Potatoes Are Large. William Blake, of Deer Island, Columbia County, contributed half a dozen potatoes of more than average size grown without irrigation, cultivation or precipitation. He has a large field devoted to the same variety of spuds and expects to reap a heavy harvest.

A squash that is the shape of a beer bottle is sent in from Lane County. That peanuts can be grown successfully in Baker County soil, is amply demonstrated by the plant with the ripened products clinging to the roots received yesterday from William Boswell, of Baker City.

In the same box came a cucumber that weighed six pounds, which is one of the largest grown in that section this year. Baker City is also the source of a hair dozen specimens of Hubbard squash that weigh from 9 to 26 pounds each. While this size is not likely to break the record

Woman Accused of Theft, Husband and Tots Say Farewell.

Bidding her husband and two little children farewell at the door of the City Jail yesterday afternoon, Letta Thompson went to a cell in the women's quarters to await trial on a charge of stealing a pearl ring.

The woman was arrested by Detectives Snow and Coleman at 351 Sixth street on complaint of Louisa Schneider, of Hillsdale, mother of Katherine Schneider, now dead, who formerly lived at Fifteenth and Gilson streets.

It is alleged that while working for Mrs. Schneider, Mrs. Thompson stole the ring and pawned it.

### Mother Taken to Jail.

VANOUVER, Wash., Oct. 10.—(Special.)—Charged with not being a fit person to care for her three children, Mrs. Rebecca Hicks, about 21 years old, with her babies, was taken to the County Jail last night by Sheriff W. D. Sappington, on a warrant from the Superior Court. Neighbors of Mrs. Hicks had entered complaint and the Court ordered the children into court.

The children are, a boy five years old, one two years old and a baby about six months old.

Don't trifle with a cold is good advice for prudent men and women. It may be vital in case of a child. There is nothing better than Chamberlain's Cough Remedy for coughs and colds in children. It is safe and sure. For sale by all dealers.
