HANDS CRACKED AND PEELED

Tried Many Remedies but Grew Worse—Impossible to Do Housework—Cured by Cuticura Soap and Ointment.

"About six years ago my hands began to crack and peel. I tried many remedies, but they grew worse all the time. At last they became so sore that it was impossible for me to do my housework. If I put my hands in water I should be glad if you will publish this in your paper. I tried to cook, the heat caused intense pain. I consulted a doctor, but without the least satisfaction. After about a year of this suffering, I got my first relief when I tried Cuticura Soap and Cuticura Ointment. After using them for a week I found to my great delight that my hands were beginning to feel much better, the deep cracks began to heal up and stop running, and in a little while my hands were cured by using only one cake of Cuticura Soap and one box of Cuticura Ointment. I am very thankful to say that I have had no return of the skin disease since. I shall be glad if you will publish this so that others may know of Cuticura. Mrs. Minnie Drew, 23 Danforth St., Jamaica Plain, Mass., April 20, 1910."

For thirty years Cuticura Soap and Cuticura Ointment have afforded speedy relief to tens of thousands of skin-tormented and afflicted sufferers from eczema, rashes, itching, irritations and chafings, from infancy to age, bringing comfort and peace to distressed households when all else failed.

Obstructions. My treatment is absolutely painless, and perfect results can be depended upon in every instance.

Specific Blood Poison. No dangerous minerals to drive the virus into the interior, but harmless, blood-cleansing remedies that remove the last poisonous taint.

Contracted Ailments. Be sure your cure is thorough. No one of my patients has ever had a relapse after being discharged as cured, and I cure in less time than the ordinary forms of treatment require.
