BEVERLY RUMOR

tor Hold Five-Hour
Conference.

VISITOR REFUSES TO TALK

As to Empire State Political Situa-
tion Solon Only Says "Republi-
cans Have Fighting Chance."

WILL ROOT BE NAMED?
The reports regarding Senator Root
have gone so far as to indicate that he
might be tendered the Chief Justice-
ship, although it has been regarded
for several months that the President
had only C. E. Hughes in mind for the
post.

Senator Root did nothing today to en-
courage the idea that he is being con-
sidered for the Supreme Court bench.
He is 63 years old and it was reported
in Washington, following the appoint-
ment and confirmation of Justice Lar-
son, when that President Taft had in-
terested into a tacit agreement with
the judicial committee of the Senate
that he would not appoint any more Jus-
tices to the Supreme bench over 60 years old.

Senator Root was met in Boston by
Secretary Norton and the two motored
out to Beverly. Mr. Root served as chief
counsel for the United States in the
felony dispute at the Hague and had
not seen the President since his return.

New Plan on Tariff Revision.
The Senator expressed the opinion that
the old method of revision of the tariff
would never be resorted to again. The
revisions of the future, in his opinion,
will be by schedule as President Taft
advocated.

A published report that President Taft
is going to Panama to block an alleged
scheme of capitalists to obtain a mono-
poly of the coal supply on the Isthmus
when the canal is opened, was officially
denied here today. It was said the Presi-
dent had no information in regard to any
such scheme.

PORTLAND COUPLES WED

Mrs. Jennie L. Greaves Becomes
Wife of Joseph H. Thompson.

VANCOUVER, Wash., Oct. 10.—(Spe-
cial.)—Joseph H. Thompson, a singer, of
Portland, and Mrs. Jennie L. Greaves, of
Portland, were married here this after-
noon by Judge Donald McInerney, in his
chambers, with Mr. and Mrs. C. J. Rath
as witnesses. Judge McMaster was try-
ing a case in which the state was ad-
versely affected by the children away
from the mother, and was dressed in
his judicial robe.

Exhausting himself, he adjourned court,
stepped into his chamber, and there
married the couple in less than a minute,
and stepped back into the court-
room and sat on the bench and took up
the case where it was left off.

Both Mr. Thompson and his bride had
been divorced.
Lloyd G. Shannon, of Portland, who
has won the heart and hand of Miss
Susie Baker, of La Center, was married
here today.

William Smith and Margaret Green,
both colored, and residents of Portland,
today appeared for a marriage license,
and their witness was John Owens,
who could not write his name, but he
made his mark. The couple were mar-
ried.

TOWN'S RESERVOIR DRY

Railroad Company Hurdled In-
stalling Pumping System.

PENDLETON, Or., Oct. 10.—(Special.)
For the first time since the installation
of the gravity water system at
Mecham, the large reservoir has gone
dry and residents are compelled to
carry their water from Meacham Creek,
while the O. R. & E. Company is hur-
riedly installing a pumping system.
Mecham is almost on the summit of
the Blue Mountains and heretofore no
trouble in securing water has been ex-
perienced. The unusually dry summer
and Fall, however, have resulted in
drying up of all springs. Beaver
Creek, which was dammed by the rail-
road company five years ago, forming a
reservoir nearly a mile square, is
entirely dry.

Mr. Walker thanked the Presbytery for
the honor bestowed upon him. Rev. G.
W. Arnold was elected temporary clerk.
Following came the lecture by Rev.

HONOR IS PAID BISHOP

RT. REV. CHARLES SCADDING
GUEST AT BANQUET.

House of Bishops Makes Proposed
Change in Canons of Episcopal
Church Relating to Divorce.

CINCINNATI, Oct. 10.—(Special.)—Right
Rev. Charles Scadding, bishop of Port-
land, was a guest of honor at a banquet
held this evening by the Brotherhood
of St. Andrew for the dignitaries of the
Episcopal Church who are now holding
their sessions in this city.

The house of bishops decided this af-
ternoon that Jews who have been converted
to the Episcopal faith may continue Jew-
ish rites and practices provided they do
so for moral or sanitary purposes, but
not as a matter of religion. One speaker
advocated further attempts to convert
American Jews.

A change in the name of the church is
still one of the interesting topics of the
convention. The name Holy Catholic
Church has been suggested and has met
with considerable favor among some of
the delegates.

At its sessions this afternoon, the house
of bishops considered proposals to re-
vise the canons of the church relating to
marriage and divorce, and the subject
was closed by a special order for Thursday.
The present canons forbid remarriage in
the church of persons who have been
divorced.

FRANCE HAS BIG STRIKE

Demands of Railroad Employees Tie
Up All Transportation.

PARIS, Oct. 11.—The long standing
unrest among railroad employees de-
veloped last night into a decision to
strike on the part of those employed by
the Northern roads.

The decision is the result of the re-
fusal of the roads to grant the dem-
ands of the men, chief of which is
that the minimum daily wage should be
5 francs.

APPLE BOXES ARE SCARCE

Demand for Walla Walla Valley Is
Insufficient for Big Crop.

WALLA WALLA, Wash., Oct. 10.—
(Special.)—With every planing mill
working overtime, the demand for ap-
ple boxes in the Walla Walla Valley
exceeds the supply, and sections of
the valley have laid off their picking
and packing crews for the week until
the mills can catch up.

It is estimated that 500,000 boxes will
be required to ship the fruit crop here
this year, and the mills cannot keep
abreast of the demand.

LAFFERTY MAPS
LIVELY CAMPAIGN

Congressional Candidate to
Tour 17 Counties in Race
for Office.

PLATFORM IS OUTLINED

Nominee Pledges Himself to Urge
Many Benefits for Oregon and
Advocates "Progressive Re-
publicanism" Strongly.

A. W. Lafferty, Republican nominee
for Congress in the Second District,
will not spend an idle hour between
now and the election, and will speak at
least once in each of the 17 counties.
In outlining his campaign last night Mr.
Lafferty said:

"I shall advocate 'progressive' Re-
publicanism. This will necessarily in-
clude a hearty approval of the direct
primary and Statement No. 1, because
men chosen by the voters at large, and
not by the special interests, must first
be elected to office before progressive
legislation can be expected. All the
Republican nominees in Oregon were so
selected, and I shall support the ticket.

"Progressive' Republicanism means
that special privileges, now being en-
joyed by trusts and monopolies, must
be cut out, and that maximum rates to
be charged by public service cor-
porations, exercising monopolies, must be
fixed by law, based upon fair physical
valuations. This will equitably adjust
the cost of living, and give equality of
opportunity to all. It is the only thing
that will prevent either the capitalist
or shipper socialism, both of which are to
be avoided if we would retain our pre-
sented liberties and opportunities for hap-
piness.

"For the special benefit of Oregon I
shall urge laws for the following pur-
poses:

"Returning \$5,500,000 due the state
for irrigation.

HOLDUPS ROB CAFE

Trio Make Clean Sweep and
Then Effect Escape.

CONTENTS OF SAFE SAVED

Unmasked Robbers Interrupt Card
Game in Commerce Buffet and
Get Several Hundred Dollars
in Watches and Money.

Three unmasked men entered the
Commerce Buffet, conducted by G. H.
Judge, at 248 Stark street, and at the
muzzles of drawn revolvers compelled
the proprietor, Robert Macintosh, a
contractor, and L. H. Peal, an employe
of the Southern Pacific Company, to
hold up their hands while two of the
thieves pliered their pockets and
robbed the cash register.

The trio, after securing several hun-
dred dollars in valuables, backed out
the front door, keeping their victims
under cover until they dashed through
the exit and made their escape. Though
the crime took place a little more than
200 feet away from the seat of police
activities no clues had been obtained
nor had any arrests been made up to
a late hour last night. The police have,
however, minute descriptions of the
holdups and promise to take the cul-
prits into custody soon.

The scene of the crime is one of the
most exclusive rendezvous in the down-
town district for gentlemen with a
fastidious taste for beverages. Just at
the moment the thieves entered the
place last night it was practically de-
serted, save for the presence of Judge
and Macintosh and Peal, who had saun-
tered in but a few moments before.

CARD GAME INTERRUPTED

The three agreed to play a game of
cards and had hardly seated themselves
at a table in the rear when the thugs
were observed marching in the front
door, where one stood guard. The
three raised their revolvers at the same
time, each leveling his weapon at a
particular occupant of the chairs about
the card table.

While the smaller of the trio re-
mained on guard at the front door, the
two others walked toward the rear, ut-
tering threats against the lives of their
victims should they become aggressive
or make an outcry. One entered the
booth and commanded the three players
to elevate their hands. They complied
and while one snatched a \$250 gold
watch and chain from Macintosh and
pifered his pockets of valuable, in-
cluding \$50 in gold, the other com-
pelled Judge to hoist his hands and
took his watch, valued at \$100, and a
small quantity of silver from his
pockets.

Peal in the interim was covered in
a corner of a booth by a threat to
"shoot his can full of holes." When
Judge and Macintosh had been robbed
of the valuables, the thugs turned
Peal. While one pressed a revolver to
his head the other snatched a valuable
Masonic charm from his watch chain
and in turn took his watch and chain,
valued at \$250, and a wallet containing
valuable papers and a bank book from
his coat pockets.

Completion of their thievery in the card
booth, the pair turned to Judge and,
pressing their revolvers against his
body, ordered him to open the safe that
stood under the back bar. Judge
pleaded ignorance of the combination.
He diverted the attention of the thieves
by declaring that he was but a clerk
in the place and possessed no knowl-
edge of the manner in which the safe
could be opened. Accepting his de-
clarations as being true, one of the rob-
bers darted behind the bar and deftly
manipulating a key on the cash regis-
ter, opened it, scooping out \$15 in silver.

Deliberately secreting their plunder
in their pockets, the two thieves
backed toward the front door while
their comrade covered the three vic-
tims with his weapon. Hurling a dire
threat against the lives of the three
men whom they had stripped of their
valuables, the trio dashed through the
swinging doors and vanished.

An interval of 10 minutes elapsed be-
fore Macintosh and Peal mustered
enough courage to venture to the front
door and make their way to police
headquarters around the corner, where
they gave the alarm.

A dozen detectives were immediately
assigned to the case by Captain of
Detectives Moore.

Peal, one of the victims, is employed
in the operating department of the
Southern Pacific Company and has
headquarters at Los Angeles. He ar-
rived in the city but a few moments
before entering the Commerce Buffet,
accompanied by Macintosh, a lifelong
friend.

Laborer Slashed During Brawl.

Frank Grant, a laborer 38 years of
age, who says Coos Bay is his home,
was taken to police headquarters last
night with his scalp and face cut in
several places by a jackknife. He was
injured during a brawl in a saloon at
Third and Burnside streets. City Physi-

told the police that he was struck by
an automobile, but when pressed for
an explanation he admitted being at-

HELPFUL HINTS
ON HAIR HEALTH

Scalp and Hair Trouble
Generally Caused by
Carelessness

Advertisement for Hunter High Ball hair tonic, featuring three illustrations of horses and text describing the product's benefits for hair health.

Dandruff is a contagious disease
caused by a microbe which also pro-
duces baldness. Never use a comb or
brush belonging to someone else. No
matter how clean the owner may be
these articles may be infected with
microbes, which will infect your scalp.
It is far easier to catch hair microbes
than it is to get rid of them, and a
single stroke of an infected comb or
brush may well lead to baldness. Never
try on anybody's else's hat. Many a hat-
band is a resting place for microbes.
If you happen to be troubled with
dandruff, itching scalp, falling hair
or baldness, we have a remedy which
we believe will completely relieve these
troubles. We are so sure of this that
we offer it to you with the understand-
ing that it will cost you nothing for the
trial if it does not produce the re-
sults we claim. This remedy is called
Rehall "93" Hair Tonic. We honestly
believe it to be the most scientific
remedy for scalp and hair troubles, and
we know nothing else that equals it
for effectiveness, because of the re-
sults it has produced in thousands of
cases.
Rehall "93" Hair Tonic is devised to
banish dandruff, restore natural color
when its loss has been brought about
by disease, and make the hair natu-
rally silky, soft and glossy. It does this
because it stimulates the hair follicles,
destroys the germ matter, and brings
about a free healthy circulation of blood,
which nourishes the hair roots, causes
them to tighten and grow new hair. We
want everybody who has any trouble
with hair or scalp to know that Rehall
"93" Hair Tonic is the best hair tonic
we know of. It is a permanent remedy,
and restores to existence, and no
one should scoff at or doubt this state-
ment until they have put our claims to
a fair test, with the understanding that
they pay us nothing for the remedy if
it does not give full and complete sat-
isfaction in every particular. Two
sizes, 50 cents and \$1.00. Remember you
can obtain Rehall Remedies in Portland
only at the Owl Drug Co. Inc., corner
7th and Washington streets.
