TRUST CASES SET

Standard and Tobacco Suits to Be Heard in January.

SUPREME BENCH FILLED

Corporation Tax Litigation Also to Come Up Three Months Hence. Boycott Hearing Postponed. Peonage Argument Is On.

WASHINGTON, Oct. 11.—Because of failure to have a full bench in the Supreme Court of the United States, a general readjustment of important cases set last Spring for consideration this Autumn was made today by the Court.

The Standard Oil and Tobacco suits under the Sherman anti-trust law were postponed for rehearing from November 14 to January 2. The corporation tax cases were also signed for argument on January 4. So were the cases involving the question of the correct penalty to be imposed on violators of the 12-hour law, regulating the shipment of livestock.

It is expected that successors to Chief Justice Fuller and Justice Moody will have taken their places by that time.

Other Cases Postponed. The importance of the questions involved also led the court to postpone until January a number of cases set for

argument today. The boycott and contempt cases arising out of the injunction proceedings in the District of Columbia brought against the American Federation of Labor by the Buck Stove & Range Company, of St. Louis, were rescheduled for January 14.

The Kissel case, involving the question whether the American Sugar Refining Company and others conspired to prevent the Pennsylvania Sugar Refining Company from doing business, was postponed until November 10, on account of illness of counsel. The cases involving the constitutionality of the employers' liability law were rescheduled for argument on November 23.

Peonage Argument On.

Attempts to postpone consideration of the cases involving the peonage prosecutions from Florida and the Missouri 2-cent fare law was unsuccessful. Argument of the former began today. The latter will be heard probably this week. Motions to advance a large number of cases were submitted to the court. Among those were cases involving the constitutionality of the Carmack amendment to the Hepburn rate law, making the initial carriers responsible for goods throughout the route, and the cases involving the constitutionality of the bank deposit guarantee laws of Oklahoma, Nebraska and Kansas.

ASTORIA, Or., Oct. 11.—(Special.)—In spite of the inclement weather of the past week, work has proceeded uninterruptedly on the construction of the Astoria Southern Railway Company's new road. A large force of both men and teams is employed and Contractor Cobb expects to finish the first eight miles of the road this Fall.

Kennish Honored in Missouri.

ST. LOUIS, Oct. 11.—John Kennish, of Kansas City, was selected by the Republican state committee today as its candidate for the Supreme Court in 1911, to succeed the late Judge Fox. Kennish was appointed to fill the vacancy in the Supreme Court by Governor Hadley yesterday.

TASK TRIES CHURCH

Christians Not United on Plans of Government.

PORTLAND MEMBERS BUSY

Report of Allen B. Philbut at Topeka Today Expected to Arouse Controversy—Ghormley Pleads for Progressive Ideas.

TOPEKA, Kas., Oct. 11.—(Special.)—Unification of the Christian churches, in National convention here, has aroused a controversy which will have to be settled Thursday when a committee headed by Allen B. Philbut, of Indianapolis, gives the report.

Heretofore the National convention has been a big mass meeting, but an effort is being made to form an administrative body. Scriptural authority for such action is questioned by one faction, which contends that such action would lead toward church ecclesiasticism. J. F. Ghormley, of the Central Christian Church, of Portland, Or., feels that the church must keep abreast of present progress and that it is absolutely necessary that the church become more democratic. He said: "Church periods of 100 years ago will not fitly apply to the present-day conduct of the churches, and we are coming more to the unification and delegate form of government in our church affairs. We feel the necessity of a central body, formed from the

smaller organizations, and when questions arise such as the J. A. Long gift, it is essential that there be some governing body which may act for the church as a whole."

T. Reagon, of the First Christian Church, of Portland, and president of the Oregon Ministerial Association, says he favors a more central organization of the church and that he feels no fear of such action tending to ecclesiasticism.

The Oregon delegation was the first to arrive, counting earlier to commence a campaign to secure the convention for next year. Missouri delegates came on a special train, bringing with them Champ Clark, who will be one of the speakers of the convention.

A feature of the convention will be an immense outdoor communion service next Sunday.

A preliminary meeting was held last night at the First Christian Church.

WABASH DIRECTORS NAMED

Entire Board Re-elected and No Change of Officials Is Likely.

TOLEDO, O., Oct. 11.—George J. Gould, Edward Taffrey, James Gould, Edward T. Wells, Wells H. Blodgett, Sheldon C. Reynolds, Robert C. Clowry, Thomas H. Hubbard, John T. Terry, J. J. Slocum, Wladislaw S. Pierce, Robert H. Gallaway and Frederick A. Delano were re-elected directors of the Wabash Railroad Company at the annual meeting of stockholders and debenture bondholders today.

There was no contest. President F. A. Delano and the entire present staff of officers will probably be re-elected when the board organizes.

Call Out for General Fund Warrants

ASTORIA, Or., Oct. 11.—(Special.)—County Treasurer Sherman issued a call today for all general fund warrants drawn and indorsed prior to April 15, 1909. The call embraces the warrants drawn during about two months, and the principal and interest on them will amount to about \$14,500. The Treas-

urer is reserving about \$17,000 with which to pay the second half of the state tax, which will be due on November 1.

FINZER AFTER UNIFORMS

War Department Will Give Draft Outfits to All Oregon Troops.

OREGONIAN NEWS BUREAU, Washington, Oct. 11.—Adjutant-General Finzer, of the Oregon National Guard, who attended the recent session of the National Guard Association, at St. Louis, is in Washington today, arranging with the War Department to supply full equipment of olive-drab uniforms for the Oregon troops. The supply on hand was adequate this Summer for men who took part in maneuvers, but not enough for all enlisted men. This deficiency the Department will make up and will also furnish regulation overcoats for a large part of the National Guard.

General Finzer says the state has no claim against the Federal Government for losses sustained through damage to uniforms and equipment of members of the National Guard who were ordered out this Summer to fight forest fires. He estimates that the total loss in property of the Guard will aggregate \$2000, and the State Legislature will be asked to appropriate this amount in settlement of claims of the troops.

Man Convicted of Assault.

ROSEBURG, Or., Oct. 11.—(Special.)—Ben Kennedy, of Canas Valley, who was indicted by a grand jury in May, accused of assault with a dangerous weapon upon Edward Bushnell, a neighbor, was convicted by a jury in the Circuit Court late today. Sentence will be pronounced by Judge Coke Thursday. Kennedy made no defense other than he was intoxicated at the time the crime was enacted.

**ENDS MISERY FROM INDIGESTION
OR A SICK, SOUR, GASSY STOMACH**

A little Diapepsin makes your out-of-order stomach feel fine in five minutes.

The question as to how long you are going to continue a sufferer from indigestion, Dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking some Diapepsin. If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally found in the stomach.

People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, Sour risings, Gas on stomach or belching of undigested food, Headaches, Dizziness or Sick Stomach, and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach, and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.
