

WORLD'S SERIES WILL BE PLAYED

Veterans Chance and Mack to Lead Teams in Race for Ball Honors.

EVERS AND OLDING OUT

Brainiest Baseball Player and Second Best, Philadelphia Outfielder, Won't Play—Series to Be Greatest in History of Sport.

PHILADELPHIA POLICE CHARGE BALL FANS, 1000 STRONG, ON SUNDAY NIGHT.

PHILADELPHIA, Oct. 16.—The intense interest manifested in the world's championship series between the Philadelphia American League club and the Chicago National League club was fittingly illustrated early as 8 o'clock tonight, when a throng of ball fans began to gather at Shibe park, where the game was to be played.

PHILADELPHIA, Oct. 16.—The great baseball derby, the blue ribbon event of the American diamond, will start here tomorrow, when the championship teams of the two major leagues will meet in the opening game for the world's championship.

The contesting teams will be Philadelphia of the American League and Chicago of the National League. These are generally considered to be the finest developed teams that the National and the American Leagues ever have produced.

The Chicagoans will be made up of practically the same men that won for Chicago two world's championships from Detroit in 1907 and 1908, while with the exception of five players, Philadelphia will be composed of young men who have joined the team since the locals lost in a world's series competition against the New York Nationals in 1905.

Each club is managed by a veteran campaigner, Chicago by Frank Chance, who will play first base, and Philadelphia by Connie Mack, who will direct his forces from the bench.

Injuries to players this month have changed some of the early forecasts as to the series. Chicago lost Evers, who had his leg broken in a game at Cincinnati on October 1. Evers is generally regarded as one of the most valuable players on the diamond.

Philadelphia suffered a greater loss last week when Centerfielder Olding, who is rated as the second best all-around player, injured his knee so severely that he cannot play against Chicago.

Manager Mack has four players from whom to select two outfield players, for Murphy is considered a fixture in right field. These men are Hartzel, Lord and Strunk, who played in the outfield during the championship games, and McInnis, an infielder, who is an excellent batsman. None of these men, however, has the same all-around ability as Olding.

Every Man Now Ready. For the first time since the world's series has been played under the rules of the National commission, both contesting teams will take the field with nearly every man trained to the minute. Each team won its pennant easily and therefore had an opportunity to rest up and prepare for the big contests which have attracted almost world-wide attention.

The followers of baseball throughout the country, therefore, look for the greatest world's series ever played. The majority of the critics and the public generally consider that the two teams are so evenly matched that it is almost impossible to pick the winner. As to the pitchers and catchers, it is conceded that Chicago has, in Kling and Archer, a pair of catchers superior to Philadelphia's backstop, and that the Athletics' pitching staff is superior to that of the Cubs.

Tremendous interest has been shown in the series all over the country. Nearly 100 of the latest newspapers will be represented by baseball experts. So great was the demand for seats for the opening games here that even before the National commission representative, John A. Heydler, announced the plan of distributing them practically every seat was sold.

Philadelphia was given the preference and several special trains which were to have been run from Chicago, Pittsburgh, Boston, Wilkes-Barre and various points throughout this state had to be cancelled because of inability to secure tickets at Shibe Park which seat about 1900 people and the tickets to this structure were sold for \$2 and \$2.50, netting about \$20,000 for each game.

shared 23 members of each team eligible to play in the series. Umpires Sheridan and Connolly have been appointed to represent the American League and Umpires Higler and O'Day the National League.

The Chicago team, accompanied by a number of reporters and rooters, arrived here today. The programme for tomorrow calls for a meeting of the National commission in the morning, at which the final details for the series will be arranged, the opening of the gates at 1 A. M. and the starting of play at 2 P. M.

Wednesday Is Off Day. The schedule provides for the first two games to be played here and the next two in Chicago, Wednesday being an off-day. If possible the teams will leave Chicago Friday afternoon and play here on Saturday and if necessary return to Chicago at once for a game on Sunday.

Manager Mack of the Athletics said today he had no comment to make regarding the outcome of the series, and that the batting order of his team would not be announced until after he had handed it to the umpire tomorrow afternoon.

No changes are expected in Manager Chance's team. It is believed that Overall, for Chicago, and Bender or Combs, for Philadelphia, will be the pitchers in the opening game.

The batting order probably will be: Chicago—Shoemaker, left field; Schultz, right field; Horman, center field; Chance, first base; Zimmerman, second base; Steinfeld, third base; Tinker, shortstop; Kilgus, catcher; Overall, pitcher.

Philadelphia—Hartzel or Lord, left field; Frank or McInnis, center field; Collins, second base; Baker, third base; Davis, first base; Murphy, right field; Harris, shortstop; Burns or Ogg, catcher; Bender or Combs, pitcher.

The Chicagoans will be made up of practically the same men that won for Chicago two world's championships from Detroit in 1907 and 1908, while with the exception of five players, Philadelphia will be composed of young men who have joined the team since the locals lost in a world's series competition against the New York Nationals in 1905.

It is expected to net about \$37,000. The National commission will receive a 10 per cent commission on each game. The players will figure in the receipts of the first four games only. After the National commission's percentage is taken out the players will receive 60 per cent and each club 20 per cent. Should the series go more than four games, all the money, less the National commission's percentage, will be divided among the two clubs. The players' money will be divided as follows:

Sixty per cent to the winning team and 40 per cent to the losing team. President Tart to Be There. Some of the biggest men in baseball, including many of the club owners, will be here for the series. Some arrived today, while President Tart has promised to take in a game if possible. The National Commission has de-

Portland Hunt Club May Build for Next Year.

RECENT SHOW IS SUCCESS

Vancouver, B. C., Exhibitor Has Only Highest Praise for Those in Charge of Last Week's Display of Horseflesh, Best in West.

After a strenuous three days of entertaining and conducting the affairs of the annual horse show, which came to a successful close Saturday night, the members of the Portland Hunt Club passed Sunday in quiet and rest.

When the lights were dimmed at the Oriental building Saturday night many a sigh of regret was heard for the closing of the show probably means the last big exhibition to be held in the old Lewis and Adams; Gaspar and McLean, Clark, Umpire—O'Loughlin and Brennan.

Washington Crew May Spend \$1200. UNIVERSITY OF WASHINGTON, Seattle, Oct. 16.—(Special).—A movement is under way at the University of Washington to have a new shell built for the crew of the 1911 season.

Two Eugene Hunters Fined. EUGENE, Or., Oct. 14.—(Special).—Many bird hunters secured the limit yesterday. Two hunters, George Boqua and R. L. Ritchie, were fined \$25 and costs for shooting female birds.

Plans for Next Year on Soon. In speaking of the plans of the club for next season, Ambrose M. Cronin, president, said: "It is yet rather early to make any predictions, for we must first discover how we have prospered with the show which has just ended, and it will be several days before we can get to this part of our routine business."

CHICAGO CUBS HAD BIG LEAD Official Stand Gives Windy City Boys .675 and New York .591. CHICAGO, Oct. 16.—The 1910 National League baseball season came to a close here yesterday with the defeat of St. Louis by Chicago. With the exception of several games between these two teams the season has been closed for a week.

CINCINNATI FARES TWICE Buckeye State Players Share \$2895.89 in Ball Series. CINCINNATI, Oct. 16.—Cincinnati won both games of a double-header from Cleveland here today, the first 5 to 1 and the second 5 to 2. In the first game Cincinnati pounded the Cleveland pitchers hard and were never in danger, as Gaspar was in fine fettle. The second game went only seven innings, being called on account of darkness.

Local Nimrods Report Birds Plentiful at Season's Opening. Upland birds are plentiful in the report brought in by the numerous hunters who visited the fields Saturday on the occasion of the opening of the season when the shooting of Chinese pheasants is permissible under the law.

PHILADELPHIA, Oct. 16.—(Special).—Everything is ready for the season of the largest baseball crowds in the history of the sport. In speaking of the condition of the Athletics, Cornelius McGillicuddy, better known as Connie Mack, said: "The boys are ready to play the hardest games of their careers and I know they will have to go at top speed, for they will face one of the greatest baseball machines ever organized. I do not care in the least what plans are made for the selections of players. This will be announced tomorrow. The loss of Olding will be one of the heaviest the club ever has experienced and I really haven't decided which of my youngsters will replace him in the outfield."

PHILADELPHIA, Oct. 16.—(Special).—A movement is under way at the University of Washington to have a new shell built for the crew of the 1911 season. The cost of the new shell will be \$1200, of which a large part will be raised by the students. Last year the National's, the Pattersons as "coolies" in the races, both from the standpoint of durability and speed, being little better than 16 seconds slower than the Stanford craft, Washington, however, won the regatta, but had the beam been more suitable the margin of the lead between the two Coast universities would have been wider.
