

Grand Formal Opening

OF THE GREATER

Olds, Wortman & King Store Takes Place Tuesday Evening 8 to 10 o'Clock---Souvenirs

In all ages the new has been a subject of absorbing interest, speculation and curiosity to human kind; its reason discussed, its object analyzed, its development keenly noted and approval of its theories awarded or withheld according to the prevailing standard of contemporary enlightenment—The improved new of today is the accepted of tomorrow—Nothing can arrest or even long delay progress—It is the spirit of the age and the popular voice hails the new, gives it trial fairly and discards it only if it fails to make good its promises
