### HOPS AT 15 CENTS

Lachmund Lifts the Oregon Market 2 Cents.

BUYS FROM KAN, BROOKS

Heavy Trading in Different Parts of the Valley-Exporters and Eastern Buyers With Orders. Wheat Market Weak.

Louis Lachmund vesterday paid Andrew Kan 15 cents for 100 bales of hops grown at Brooks. By this transaction he lifted the market 2 cents a pound. It was the most sensational advance in Oregon hops since the days of Paul Horst's bull campaign in 1005. when it will be remembered the market started off with a 2-cent jump, going from 12 to 14 cents, and did not stop until 20

several lots. Henry L. Bents' purchases for

11 to 12% cents. T. A. Livesley & Co. secured 77 bales from George Savage, of Salem at 11% cents. A recent purchase not before reported was the Chung Lin lot of 150 bales at St. Paul, taken by F. W.

### WHEAT IS DULL AND WEAK.

Experiers Quote Club One Cent Lower, Coarse Grain Enchanged.

The wheat market opened very weak with exporters quoting prices a cent lower on club. Country advices were again to the effect that offerings were freer than they have been of late, but so far as could be learned, not much business was transacted. Onto and bartey were unchanged.

EASTERN EGGS IN LARGE SUPPLY. But for This Fact, Oregons Would Sell Higher.

Poultry receipts were not large during the day and with a moderate demand the mar-

het held steady at the prices that prevailed There was a good demand for Oregon eggs, which were firm at 376375 cents. The supply was very light and the price would be higher but for the large quantity of East-

ern eggs on the market.

Butter holds steady without any prospect of change in brice in the near future. There is plenty of Eastern butter on hand.

Good Demand For Grapes

There was a good demand for grapes yesterday, but otherwise the fruit market was slow A car of California tokays srived and the best sold readily at \$1.35. The Jersey cramberies that arrived Saturday were distributed along the street.

Declines in Provisions. The lower tendency of all hog markets has affected provisions, a new list issued yester-day showing a number of declines. Hams are quoted from half a cent to a cent lower and some grades of bacon are alightly re-

# CROPS ARE GOOD

Better Prospects Weaken Wheat Market.

LAST PRICES ARE LOWER

December Delivery Goes Below 92 Cents at Chicago on Heavy Selling-Shorts Cover on a Large Scale.

CHICAGO, Oct. 24.—The turn backwards in wheat began when, after an early period of weakness, liquidation was precipitated by the December delivery breaking below 92c. Such a condition was altogether contrary to the theories of the large short sellers. In consequence, covering began all over the floor. Preceding the reports of France removing duties, a better demand for ocean tonnage furnished some stimulis. The fact that primary receipts were short of the total 12 months previous received attention. Early selling of wheat was based on fine crop prospects in Argentina, Australia and Russia and on liberal world shipments. December ranged between 91'5c and 92'5c, closing firm at 92'5c, a net loss of '5 6'5c. Big shorts were the first to cover in the corn pit. December fluctuations were between 44'5c and 45%c, with the close firm at 45'5c, a net rise of '4 6'5c. The cash market was weak. No. 2 yellow finished at 47'5 6'48'5c.

Speculative sentiment in oats appeared much affected by continuing reports that the French import duty of 8'5c a bushel had been suspended. December varied from 30 g30'5c to 30'5c and in the end was '5 5c net higher at 30'5 6'30'5c.

Provisions in general were marked up. An attempted sale of 230 barrels of October pork broke the nominal price of that delivery 67'5c. All other hog products closed unchanged to 30c up.

PENDLETON PLEDGES VOTE

Republican Nominee for Representative Finds United Party in Umatilla County - Active Campaign Waged.

PENDLETON, Or., Oct. 24.-(Special.) -"You have my unqualified support," declared Judge Ellis to A. W. Lafferty his late successful opponent in the pri-mary nominating election, today. "You will undoubtedly be elected and

I hope and trust that you will be able to accomplish much good for the people of Oregon," continued the Representa-tive, who is soon to retire from the of-fice to which he aspired for re-election. Though this is the home town of the man he defeated Lafferty found most enthusiastic welcome awaiting him when he arrived here early this morning from the far eastern part of the state. I company with Congressional Committee man Thompson and several other promi-nent Republican leaders, Lafferty made an automobile tour of the eastern part of the county. He visited Adams, Athena and Weston and upon his return this evening the Congressional candidate says he shook hands with every man in the towns visited and that he found every indication of a united party. This evening he was the guest of the

Business Men's Club and make an in-formal talk and at its close was warmly praised for his stand on the National Forest Reserve questions, as well as for his determination to see that Oregon is given her share of the Reclamation Serv-He left for Echo tonight and tomorrow

This was Lafferty's first visit to Pen This was Lairerty's first visit to Fen-dleton and Umatilia County with the exception of a brief vsit to Freewater early in the primary campaign. Every-where he went today he was given a cordial welcome and he says this evening that many promises of support were re-ceived from prominent Democrats in the

JONES PICKS JAY BOWERMAN County Chairman Believes He Will Carry Marion by 700.

SALEM. Or., Oct. 24.—(Special.)—County Chairman W. L. Jones, of Jefferson, was in the city today and says he believes Bowerman should carry Marion County by 600 to 700 votes. He did not make this statement unqualified-ly, as he says it is impossible exactly to determine Weat's following in Marion County, as it is largely of a personal na-ture and Bowerman's majority may run below his estimate, although he is con-fident that the Republican candidate will

carry the county.
Shortly after the primaries, there were some doubts expressed as to this but Bowerman's strength has increased notably each day. In Salem, where West is best known, Bowerman is securing a remarkable following and Republican leaders are becoming more and more optimistic as it is apparent that West's friends are showing dissatisfaction at the manipulations of the Bourne-Chamberlain machine.

Judge Stephen S. Lowell will speak in

the city Friday night, according to an-nouncement made by the Central Com-mittee this evening, and it is probable meetings will be held in Jefferson, Silverton and Woodburn next week.

Lane County shows a total registra-tion of 490 voters less than two years ago, when it totaled 6421, which in-cluded 3975 Republicans and 1714 Democrats. This year the total is 5931.
