Infants'  
Department

On Sale in the Infants'  
Department

—To be exact 786 children's coats are involved in this sale. **NO TWO ALIKE.** The samples of New York's foremost children's tailor. Many of these pretty coats are exact copies from imported models down to the last detail. The assortment is the most varied and best selected examples of children's coats ever brought to this city. They include box coats in colored cloths, high or low neck, revers and turnover collars. Of broadcloth, bear skin, mixtures, plush, velvets, serges, diagonals, caraculs and other fabrics appropriate for children. Some severely plain, others braided and fancy button trimmings. Over two dozen distinctly different models. Sizes 2 to 7 years. Colors, navy, cadet, cardinal, brown, royal, green, black, black and white and white. Infants' Dept.
