Investigation of Port of Portland

Policy, Bridge Spectators

and Other Affairs.

September 10, who was mamma of the children, was killed in a recent

in which the Port of Portland was named. The investigation, which will

by the Port Commission, has revealed a number of irregularities in the

of the operation of the port, including the matter of the dock deal.

TRIC TRAINS NEXT STOP.

Executive Board Frances O'Fintchec

Amendment for Live on Weil.

Residents around the proposed line of the electric trains are

in favor of the plan. They claim that the trains will be a great im-

on the community and will bring much needed improvements.
