ACADEMY TO MEET LINCOLN'S ELEVEN

Annual Game in Interscholastic League Will Prove Most Interesting.

PATTERSON OUT OF FIGHT

High School's Best Ground-Gainer Won't Be Seen in Suit, Owing to Sprained Knee—Hockemberry Will Referee Contest.

The annual football game between Portland Academy and Lincoln High School, looked upon as one of the big games of the year, will be played this afternoon at Recreation Park, beginning at 3:15 o'clock. The rivalry between these schools has always been of the keenest and until the debut of the Washington High School Portland Academy was regarded as Lincoln's chief foe. Even now the supporters of each team think this the most important game of the school year.

Portland Academy has had bad luck in the way of injuries this season, but is going into the contest today with its strongest team. Punter Small, who was out of the game with Washington last Friday, will play today. He is one of the best punters in the league and a rare battle between him and Jack Day, regarded as the premier punter in the league, who boots for Lincoln, is expected. Both men consistently punt 40 and 50 yards.

Lincoln has one of its star men—Clayton Patterson, the sturdy right halfback—out of the game with a sprained knee. Patterson has been Lincoln's best ground gainer this year and is a fine defensive man. His absence may mean much to Coach Lynch's men. Captain Tyson, Muck, O'Neil, Tuerck and Shearer, all big men and experienced players, will have light men to work against in Maston, Britz, Myers, Matschek, Soden and Townsend.

The work of the ends and halfbacks will be a stellar feature for Edwards, Miller, Therkleson, Small and Korell, for Portland Academy, and Toomey, Brace, Trine, Jack Day and Olson, for Lincoln, have shown up nicely in all the games thus far played. R. N. Heckenberry will referee the game.

TABOO PUT ON SUNDAY BALL

Mount Angel College Boys Unable to Play Vancouver Game.

MOUNT ANGEL COLLEGE, Mount Angel, Or., Nov. 3.—(Special.)—Sunday football has been put under the ban at Mount Angel College, and as a consequence a game which had been scheduled for next Sunday with the St. James Club, of Vancouver, to have been played there, has been called off. As the members of the Vancouver club are mostly men who are employed during the week, and have no other day but Sundays on which to play, it is hardly probable that the collegians will be able to meet them on another date.

The collegians have been unfortunate this year, as this is the second time a scheduled date has been cancelled, and no game was possible, the other being the refusal of Silverton High to play, at the last moment, after they had been listed. Manager Sander, however, has still a few good games on the list for the remainder of the season.

WHITMAN RESTS AT VANCOUVER

Walla Walla Boys Fit for Game Saturday at Corvallis.

WALLA WALLA, Wash., Nov. 3.—(Special.)—Stronger and far more fit than when they met the University of Washington two weeks ago, the Whitman College football team left tonight for Corvallis, where they will play the Oregon Agricultural College Saturday. The team goes to Vancouver tonight, and will stay there for rest and practice tomorrow, making the rest of the trip Friday night or Saturday morning.

Vernon Cooke, the big center, who was out of the Washington game on account of conditions in his studies is in the game and will bolster up the middle of the line to a great extent. He is steady and heavy. The team is in good condition.

The men who are on the trip are: Cooke, Cole, Hughart, Cleman, McCoy, Neill, Blomquist, Lewis, Botts, Proudfoot, Cox, Niles, Dressar, Kinder, Johnson and Coach McCaa.

LA GRANDE QUITS SPOKANE

Alleged Favoritism Causes Football Game to Be Canceled.

LA GRANDE, Or., Nov. 3.—(Special.) La Grande's football team tonight balked at what it calls favoritism, when Superintendent Stout insisted that Principal Mansager should accompany the team to Spokane tonight. The team refused to go unless Professor Carruth, the assistant coach, should take charge of them. The game will be canceled. Professor Mansager in turn refused to give up the trip in favor of Carruth.

The student body is disappointed, as all were anxious to have the two teams meet. Mansager has had nothing to do with the team.

VANCOUVER BEATS LINCOLN

By Score of 11 to 8, Portland Team Goes Down to Defeat.

VANCOUVER, Wash., Nov. 3.—(Special.)—In the snappiest, liveliest and most interesting football game of the season, the Vancouver second team defeated the Lincoln sophomores, of Portland, by a score of 11 to 8. The game was won in the last three minutes of play by Vancouver getting the ball on a fluke when within two yards of Lincoln's goal.

In the last few minutes of the last quarter Knapp, of Vancouver, got the ball and made a touchdown, making the score 11 to 8. Vancouver failed on goal.

Both teams were evenly matched and played a fine exhibition of football. It was an exciting game throughout.

AGGIES TAKE TERRIBLE SLUMP

Corvallis Boys Seem Unable to Get Into Condition.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 3.—(Special.)—Deep gloom prevails among the coaches and rooters at the college as the result of the bad slump which the football team has taken during the past three days. With the Whitman game only two days off and the great contest with the university coming a week after, things look exceptionally bad for the Oregon State team.

For the past two nights the second team has outplayed the regulars in every department of the game. In the scrimmage held last night the scrubs tore through the regulars' line almost at will and circled the ends repeatedly for long gains. The scrubs were able to score two touchdowns before the scrimmage had proceeded more than 15 minutes and it took the college team the remainder of the 45 minutes' practice period to get the ball over the scrubs' goal line.

Elaborate preparations are being made for the accommodation of the crowd which it is expected will witness the game next Saturday. Bleachers which extend the entire length of the field and capable of seating fully 3000 people are now in process of construction.

The students are making preparation for a mammoth mass meeting to be held in the Armory Friday night preceding the Whitman game.

WILLAMETTE TO PLAY HERE

Multnomah Athletic Club Arranges Game for Tuesday.

SALEM, Or., Nov. 3.—(Special.)—Coach Sweetland, of Willamette, said tonight that arrangements have just been completed for a game with Multnomah Athletic Club in Portland next Tuesday.

The Willamette coach states that he has no hope of winning against Multnomah, but he says the team needs the trip and the opportunity to play against the strong athletes.

DEATH HALTS SPEEDERS

AUTO RACERS BARE HEADS AS FUNERAL HYMN PEALS.

Livingstone, "King of Dirt Track," Buried as Band Plays "Nearer, My God, to Thee," Softly.

ATLANTA, Ga., Nov. 3.—A drama, new to American automobile racing, was enacted on the speedway just before the start of the 100-mile race today.

With the strains of "Nearer, My God, to Thee," flowing from the grandstand band, nine big racing cars lined up at the starting wire, their engines stilled for 15 minutes, while their drivers, with bared heads, waited for the last prayer to be said in another part of the city at the funeral of Al Livingstone, who was to have started in the 100-mile race, but who was killed in practice here two days ago. After the hymn there was a long silence, respected by all the thousands in the enclosure.

Suddenly the band started a twostep, the racing engines coughed, and Livingstone, the "king of the dirt track," had passed forever from speedway events. New speed kings were throwing the clutches into position and the big race was started in history.

Bob Burman, in a Marmon, jumped into the lead and held it for 98 miles, wheen he was nearly two minutes ahead of the official American record for 100 miles for class B cars. Then a shaft broke and he stopped at the pits for repairs.

Six miles behind were his nearest rivals, Gelnaw's Falcar, and Knight's Wescott, which, for more than 90 miles had been running nose and nose, often with scarcely an arm's length separating them. In the last half mile Gelnaw pulled ahead and won by 100 yards from Knight.

Burman returned to the race just in time to take third place. Heinemann's Marmon and Basle's Pope-Hartford were both contenders up to the 70th mile, but were hopelessly handicapped by tire trouble. Time of winner 1:26:17.62.

The breeze which blew across the course today chilled the drivers and things did not warm up until Bob Burman, left at the post by a quarter of a mile in the ten-mile free-for-all, got sizzling hot under the collar.

Bob's temper was evident in his actions. He was started finally by a daring feat of his mechanician, Howard Hall. Burman's trouble was in stopping his engine dead by throwing on the high speed too quickly.

Hall seized the cranking rod and with the speed still on, gave the engine its first turn. His arm was wrenched painfully by the jerk from the engine, but this same jerk helped to toss him to one side out of danger as the car leaped forward straight toward him. Burman, still visibly agitated, drove madly, passing every driver except Caleb Bragg, in a Fiat, in the first mile and a half. Bragg's engine worked badly and Burman won easily.

The races will continue for two days more. Tomorrow there will be eight events, featured by a 200-mile race.

The 200-mile race Friday for the Atlanta trophy and $3000 is expected to make that the biggest day of the meeting.

Ty Cobb, of Detroit, and Napoleon Rucker, of Brooklyn, the baseball players scheduled for a match, were both at the track today, but before the racing began the match was declared off. It was announced that Cobb had received a telegram from President Navin of the Detroit Baseball Club advising him not to race.

Orders were given the gatekeepers not to allow Barney Oldfield to enter the paddock enclosure in his Blitzen Benz car. The purpose was to prevent him from getting upon the racing course and giving an exhibition spin in defiance of the American Automobile Association ruling against him.

SOCIAL SWIM IS ON TONIGHT

Multnomah Club Members and Friends to Sport in Water.

That the Multnomah Amateur Athletic Club struck a popular chord when it decided to hold weekly "social swims" for its members is the consensus of opinion among all the members of the club. Last Friday night more than 40 men and women, members of the club and their friends, were in the big tank.

Mr. Watkins said yesterday that he anticipated the largest crowd ever attending at the swim tonight. Many women who attended the swims held last Spring at the old clubhouse as spectators have since learned to swim and now take part in the fun. There is no charge for club members and they are privileged to bring friends.

VISITING ABBOT SEES GAME

Primate Hildebrand Astonished at American Basketball.

MOUNT ANGEL COLLEGE, Mount Angel, Or., Nov. 3.—(Special.)—At a game of basketball played in the college gymnasium last night in honor of Most Rev. Abbot Primate Hildebrand de Hemptinne, Order St. Benedict, who is visiting the monastery, the distinguished prelate from Rome witnessed an exhibition of the game for the first time in his life.

The abbot primate was accompanied by Abbot Placidus, and the faculty of the college, and became as interested and waxed as enthusiastic as any of the spectators. In a semi-humorous speech the primate expressed his astonishment at the high degree of civilization and development which he found "west of the Rocky Mountains," and the splendid institution which he found on the crest of Mount Angel, and said that when he returned to Rome he would tell the sovereign pontiff that there were other denizens west of the Rockies besides "Flatheads and Blackfeet." The primate, accompanied by Abbot Placidus, left this morning for St. Michael's Priory, Cottonwood, Idaho, from whence the primate will go to Pueblo, Colo., and thence back to Rome.

The basketball game was played between the "Veterans" and the "Freshies," all prospective members of this season's varsity team, and was won by the former by a score of 17 to 19. Basketball practice has been under way for some time, and indications are that this year's aggregation will be fully as good as last year's, which defeated almost all comers. M. Melchoir was recently elected captain of the squad.

CARS ARE VERY SCARCE

IRVINGTON PEOPLE INDIGNANT AT POOR SERVICE.

Promises of Traction Company Not Kept — Trips on Broadway Line Slow and Infrequent.

Residents of Irvington are planning an indignation meeting to voice their protest against the present service on the Broadway carline. Past appeals to officers of the Portland Railway, Light & Power Company have been fruitless, they say.

Patrons of the Broadway line state that only one car was operated between 11 and 12 o'clock yesterday morning and that at one time within that period all of the three cars now calculated to accommodate the great and growing traffic of the district were at the north terminal.

Last night several passengers were compelled to wait more than half an hour before getting a Broadway car on Fifth street. One man walked to the corner of Fifth and Oak streets and waited 35 minutes before a Broadway car appeared. In that time 28 cars of other lines went by. When the Broadway car appeared, it was crowded by people who had walked north to Burnside street in order to get seats. Many Union-avenue passengers also were included. Scores had to stand and many hung onto the rail.

Patrons of the line are also objecting to the morning service, especially to the open cars that are operated in the cool weather. Many fear sickness as a result.

A Broadway car on Wednesday night carried 98 passengers, counting the fares collected by the conductor. As it was practically impossible for him to collect from all the passengers, it is believed that more than 100 persons were on board.

The Irvington people say that the six-minute service promised in rush hours by the company after their last appeal has not been given and that even the 15-minute service during the day is no longer in effect. They figure on 25 minutes as the time between cars. Irvington is the fastest-growing district in the city, they point out, and worthy of better consideration from the traction company.

RED PAINT CAUSES ROW

Woman Accused of Throwing Sticky Liquid on Neighbor's Walk.

"I can't sell my property and move out of the neighborhood to please that woman; she has everybody in the neighborhood arrested till they have to move," said Mrs. Marguerite Velton, of 409 Gresham avenue, pleading in the Municipal Court yesterday to a charge of throwing a pot of paint on the sidewalk in front of the premises of Mrs. Ella Garretson, of 405 Graham avenue.

Mrs. Garretson alleged that one of the boys of the Velton family had thrown red paint on her pavement in such a way that pedestrians trespassed upon her lawn in getting around the mess, to her great annoyance and damage.

Mrs. Velton denies the charge and hearing was set for tomorrow.
