To Friends of the Broadway Bridge

The principal backer of John Manning, Democratic candidate for Congress, in this campaign, is Charles K. Henry, arch-enemy of the Broadway bridge.

Why Mr. Henry, enemy of the Broadway bridge, should want a Representative in Congress may be guessed. Would it mean more delay?

Friends of the Broadway bridge will not vote for Manning. J. L. DAY, Chairman Republican Congressional Committee. (Paid Advertisement)

NEW DEPARTURE. The Cost of Interments Have Been Greatly Reduced by the Holman Undertaking Company. Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking Company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and cartages, thus effecting a saving of \$15 to \$75 on each funeral.

SOMEBODY LIED!!! Governor Stubbs, of Kansas, says: "There is not a saloon in the State of Kansas."

The Oregon Prohibitionists say: "Kansas City, Kansas, is the ONLY CITY IN CHRISTENDOM without saloons." What about Topeka, Wichita, Leavenworth? They're in Kansas.

WHO LIED? A Governor wouldn't lie. A Prohibitionist couldn't lie.

Never mind, children. This is a lesson in the moral weakness of fanatics. Listen closely. The U. S. Commissioner of Internal Revenue, in his report on Kansas for last year (you know Uncle Sam has a disagreeable habit of telling the WHOLE truth about this liquor business), well, he says there are the following Government licenses for selling liquor in Kansas, dear old Kansas:

"1899 retail liquor dealers; 10 wholesale liquor dealers; 2 breweries; 493 retail dealers in malt liquors; 12 wholesale dealers in malt liquors.

Grand Total for "Dry" Kansas 2476 WHO LIED???

UNCLE SAM DIDN'T SOMEBODY ELSE MUST HAVE LIED TWICE—DOG-GONE IT!!!

A reminder: Mark an X after the three numbers like this: 328 X 343 X 345 X

It means Prohibition's defeat.
