

# BRIDGE BARRIERS GET 30 SETBACK

## Temporary Injunction Refused to Prevent Sale of Bond Installment.

### KIERNAN STILL FIGHTS

#### Request for Permanent Order Will Be Heard January 2, 1911.

#### Scheme on to Defeat Will of People Is Seen.

Obstructionists engaged in a campaign against the Broadway bridge received another setback yesterday when they appeared in the United States court and raised an issue which had already been passed upon by Judge Bean and Wolverson when those jurists were members of the Supreme Court of the State of Oregon. The suit is believed to be intended solely for delay in the building operations.

### Kiernan's Fight Goes Higher.

Kiernan has raised questions which are new in the United States Supreme Court for consideration, and upon which both of the judges of the Federal court are on record. The petition avers that the initiative and referendum amendments to the constitution of Oregon are in violation of the Constitution of the United States, and that taxation levied for the purpose of paying the \$30-year 4 per cent bridge bonds is a deprivation of his property without due process of law.

### Appeal Is Taken.

Following the Kaddery case the Pacific Telephone & Telegraph Company raised the same questions in the United States courts, and has appealed to the highest court of the United States. A dispatch from Washington, published in a recent issue of The Oregonian, announced that a determination of the litigation might be expected very soon.

### BONDS SELL AT HIGHER BID

#### Broadway Securities Go to Chicago Syndicate at Rate 96.81.

The ways and means committee of the City Council yesterday awarded the second block of Broadway bridge bonds, \$200,000 worth, to a syndicate composed of E. H. Rollins & Sons, N. W. Halsey & Co. and A. R. Leach & Co., all of Chicago. The bid was \$24,000 and accrued interest at the rate of 96.81. The first block of \$200,000 was sold to the National Shawmut Bank of Boston at 98.3, the lower price being due partly to the inactivity of the bond market at that time and partly to the legal contest commenced by Frank Kiernan, which has since been decided in favor of the City of Oregon.

### BURGLARS FRIGHTENED OFF

#### Attempt to Rob East Side Home Proves a Failure.

Three burglars, who had just gained entrance to the house of R. J. Linden, 21 Holladay avenue, at 6 o'clock Sunday night, were frightened away by members of the family. Mr. Linden and his two daughters had been away from the house but a short time and when they returned, they were startled to find the intruders in the home.

### CITY ATTORNEY ANGRY

#### GRANT HAS CLASH WITH CON-

#### CANNON AND DRISCOLL.

#### Legal Department Wants Employment Agency's License Revoked.

#### Two Councilmen Refuse.

There was a row in committee rooms at the City Hall yesterday afternoon between City Attorney Grant and Councilmen Cannon and Driscoll, members of the License Committee on one side, and City Attorney Grant and one of his assistants, R. A. Sullivan, on the other. As the result of a wordy war which took place, Mr. Grant announced bitterly that neither he nor any of his deputies would again seek the revocation of a license before the committee of which Mr. Driscoll is the chairman and Mr. Cannon is a member.

### WEST MONEY IS SCARCE

#### Evening Paper Yarn Is Rep-

#### udiated at Cigar Store.

#### Tobaccoists Say They Can Cover

#### Any West Money Offered for Betting on Governorship.

A few small bets have been made on the chances of McGinn against Cleland and also on Gaiens' fight against Ditchburn, but the big money offered is all at 10 to 7 on Bowerman, with no takers in sight. A bet of \$1000 to be placed at even money that Oregon votes "wet" by 10,000 more than no takers last night, which would indicate that the "dry" advocates are chary about wagering their coin.

### SALOONS MAY BE LIMITED

#### City Attorney Grant Prepares Ordinance Also Raising License.

#### The Liquor License Committee of the

#### City Council yesterday decided to submit

#### the ordinance to the committee on the

#### Council an ordinance prepared by City

#### Attorney Grant limiting the number of

#### saloons to one for each thousand of

#### population, and advancing the license

#### fee from \$20 to \$100.

#### The committee's action in forwarding

#### the ordinance for consideration with-

#### out recommendation surprised City At-

#### torney Grant, as the committee had

#### ordered him to draft the measure. The

#### ordinance if passed will not interfere

# 'DRYS' MARCH AND SHOUT SLOVER

## Big Parade, Two Rallies and 14 Street Meetings Close Their Campaign.

### SOCIALIST ORATOR JEERED

#### Temperance Spellbinders at White Temple and Grace Church Speak to Throng—Prohibitionists to Watch Polls.

The "drys" concentrated their last effort in the campaign for state-wide prohibition last night with a parade through the downtown streets, a big rally at the White Temple, an overflow meeting at Grace Methodist Episcopal Church and 14 street meetings while the others were in progress. The parade formed at the Young Men's Christian Association Building at 7:15 o'clock, and several hundred men fell in line. Headed by a band and with waving banners they marched through the streets, pausing at corners while the band played and an announcer told of the meeting at White Temple to be addressed by Michael J. Fanning, temperance orator, and incidentally made a brief speech for prohibition.

# NEVER ANY INDIGESTION, DYSPEPSIA OR SICK, GASSY, UPSET STOMACH

## Your out-of-order Stomach feels fine five minutes after taking a little Diapepsin.

### YOUR OUT-OF-ORDER STOMACH FEELS FINE FIVE MINUTES AFTER TAKING A LITTLE DIAPEPSIN.

#### Take your sour, out-of-order stomach—Dyspepsia, Gastritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 21-grain Triangule and see if within five minutes there is left any trace of your former misery.

#### The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting,

#### nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness or many other similar symptoms.

#### If your appetite is fickle and nothing tempts you, or you belch gas, or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

#### Prove to yourself in five minutes that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

#### Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.
