

# LINE ON SALMON STREET FAVORED

## Grant Demands Stoppage of Cars for Passengers to Board and Alight.

### COMPROMISE IS MADE

Advertisement of Council's Action Ordered Before Final Approval.

Oregon Electric to Begin Work Immediately.

Controversy over the proposed franchise for a street railway line on Salmon and Tenth streets occupied the attention of the Council the larger part of its session yesterday. A compromise between the Oregon Electric Railway Company, which desires the franchise, and the interested property owners was effected and the Council ordered the franchise to be advertised as required by law, previous to its final approval by the Council.

The company wanted a franchise to operate its suburban cars over the line without having to be compelled to stop to take on passengers at every street corner. Local service and limiting of two cars in a train were the demands of the property owners. Finally it was agreed that the company should stop at any street corner to let off passengers, but should only stop at two places on Salmon street and two on Tenth street to take on passengers when out-bound. The stopping places are to be selected by the company.

### Two-Car Trains Provided.

It was agreed by the company that it would not operate more than two cars at a time over the road, and this was made a provision of the franchise, which bears an emergency clause to make it effective as soon as approved by the Mayor.

C. H. Carey, in a speech on behalf of the company, told the Council that a franchise providing for cars to stop at every street corner to pick up passengers would not be accepted. He appealed to the Council to support the company in its efforts to build a line through the residence section of Portland and the country surrounding it.

That the Hill interests are spending \$1,500,000 a day in the improvement of its lines in Oregon was the assertion made by the attorney, who painted a glowing picture of the network of lines the company is preparing to construct in the Willamette Valley.

In replying to Mr. Carey, interested property owners from the streets on which the line is planned to operate denied that they were trying to hinder the company in its work of progress, but explained that the franchise sought would depreciate their property without granting them any benefits in return.

### Many Owners Object.

It was their opinion that the company should run its cars on Front street to connect with the United Railways system, instead of running its line through the residence section. They declared that granting of the franchise would reduce their streets simply to a right of way for a through railroad system, and they insisted to a man that the concessions asked should be granted.

John F. Logan and A. E. Clark appeared as attorneys for the property owners, while representing the ward in which most of the property owners lived, Councilman Baker made a strong plea in their behalf.

The controversy started soon after the Council began its session in the morning. After numerous speeches were made by property owners and others, noon found the Council still retarded in its work by the dispute. Numerous amendments to the ordinance were offered. Then Councilman Driscoll moved that the amendments and the franchise be turned over to the representatives of the railroad company and the property owners and their legal representatives in an effort to have them arrive at a settlement and report back to the Council at 2 o'clock in the afternoon.

### Compromise Plan Wins.

This plan worked out to the entire satisfaction of all, and the compromise was presented to the Council for approval. Members of the Council expressed satisfaction with the agree-

ment reached, but Councilman Cellars insisted that the ordinance be changed so as to require the company to construct either a single or a double track, and give it permission to change from one to the other. Acting upon this suggestion, the franchise was ordered changed to provide a double track, with the exception of curves, where the width of the street would not permit the use of two tracks.

It was explained that the company is preparing to begin work as soon as the franchise is granted, and an emergency clause was added to the grant.

### Wheelwright is Scored.

An incident of the controversy in the morning was the scoring given W. D. Wheelwright by Attorney Carey. Mr. Wheelwright had said that he came as an individual to protest against the franchise, and objected to any kind of a franchise being granted to the company over the streets mentioned. Replying, Attorney Carey cited the objections that Mr. Wheelwright, as a member of the Port of Portland, had placed in the way of the Hill interests plan to build a bridge over the Willam-

### PORTLAND'S BLIND MUSICAL PRODIGY TO BE HEARD AT HEILIG.

Francis Richter.

Francis Richter, Portland's blind pianist and composer, will be honored at a benefit recital at the Heilig Theater Sunday afternoon, November 20, at 2:30 o'clock. It was another instance of Portland's generosity when a fund was raised to send "the boy prodigy" far away for study and development. That he has made good use of his time and opportunities is well known to those who have heard him since his return from Europe. But the general public hasn't heard him. Hence this opportunity will be given for all to hear him play—before he leaves on a concert tour. All funds derived from the recital will be in the hands of a committee of Mr. Richter's friends and will be devoted to furthering the young man's musical education.

### Charge of Delaying Mails on Stage Coach Made by Government.

Postoffice Inspector Clement yesterday caused warrants of arrest to be issued for Frank Sanchez, E. Aguilera and Jose Hayes, Filipinos, charged with obstructing and retarding the United States mails on a stage coach at Alpine Creek, near Lake View, November 3.

The three Filipinos were passengers on the stage. At Alpine Creek they held up the driver at the point of a revolver. It is not charged that they attempted to rob the mails, but they caused a serious delay. It is said by some that a hat of one of the Filipinos blew off and because the driver would not stop willingly they compelled him to do so by placing a revolver under his nose.

The three Filipinos are held at Klamath Falls.

## NATIVE LANDS CALL

### Rail Officials Say Travel to Old World Begun Early.

### VACATIONS SPENT ABROAD

Many to Cross Ocean for Recreation and Return to Northwest With Relatives—Travel South Is Also on Increase.

Many natives of Europe who have acquired land and cash in Oregon are leaving to spend the holidays with their relatives abroad. Railroad officials say the rush to Europe has started earlier than usual this year and that the sale of tickets out of Portland will be greater than that of any period in the history of local offices.

Every day shows contented natives of Italy, Austria, Germany, Switzerland and other countries gathered around the ticket counters seeking information of trains and steamships that will take them to their Old World homes quickest and cheapest.

Many say they will attend the remainder of their days with their families in Europe, but most of them declare they will return, some of them saying they will bring their relatives with them.

Travel out of Portland to California points is also starting earlier than usual. Railroad men say this reflects the prosperous condition of Portland and Oregon people, showing that they have more time and money to spend away from home.

Regular travel to San Francisco and California points is increasing constantly. The introduction of faster service over the Southern Pacific made possible by the operation of the Shasta Limited, has increased the tourist travel between the two cities. The travel from San Francisco in this direction being equally as heavy as that of local persons southward.

Similar prosperous conditions have also brought many settlers from other states to Oregon and have been the means of beckoning many others into the state for the winter.

The fact that large excursion parties of Canadians will visit Oregon when the weather in their own country is coldest in preference to going to Florida, pointed to as proof of the contention that the climate here is as pleasant as that of the South Atlantic state.

### Railroad Notes.

George W. McCloskey, general agent of the Northern Pacific at Los Angeles, was a business visitor in Portland yesterday, continuing his northern journey last night to Tacoma and Seattle.

H. C. Nutt, fourth vice-president of the Northern Pacific, with headquarters at Tacoma, was in Portland for a few hours yesterday.

Frank R. Johnson, local agent for the Canadian Pacific, was in Silverton and other Southern Oregon points yesterday.

### EXHIBIT APPLES EN ROUTE

Goldendale to Have Display at Spokane and Chicago Shows.

GOLDENDALE, Wash., Nov. 9.—(Special).—Apples for the National Apple Shows at Spokane and Chicago were sent from here today. A car was shipped to Spokane on through freight. There will be about fifteen varieties of apples exhibited. This exhibit will be taken care of by Dr. Hartley and Mr. Hawley, of the Apple Growers' Association.

A great deal of literature is being taken along, the most important being 10,000 booklets advertising Goldendale. Some of these will be distributed in Spokane, the business men of this place have written to Chicago merchants with whom they have been doing business, asking them to look over the exhibit and call on Goldendale's representatives with these exhibits. Letters of introduction will be sent to those different merchants.

The entire apple crop of Goldendale has been disposed of through the Northwest Fruit Exchange in Portland. It will be some time yet before all the pack is taken care of.

## In Bed Three Months Bright's Disease

A Frank, Honest Statement of Thankfulness From a Man Who Was Cured of Bright's Disease, So That the Knowledge of This Cure May Benefit Other Sufferers.

Russellville, Ohio, November 3, 1910.—Special.—"I feel it my duty to write you, for what I say may be of benefit to other sufferers. I had what the doctors called Bright's disease. I was confined to my bed three months, my doctor coming to see me regularly, and finally called in one of the best doctors in the country. They both concluded I had to die. I then began taking Warner's Safe Cure, and after I had taken the second bottle I felt some better. I have now taken thirteen bottles, and am gaining in weight and feel greatly benefited thanks to Warner's Safe Cure. I am 62 years of age. If you wish to publish this statement you have my consent to do so. Yours very truly, J. H. Williamson."

When your limbs are swollen, skin pale and tinged with yellow, puffiness under the eyes, and a dull aching in the small of the back; when an analysis shows albumin in your urine, and you are suffering from Bright's Disease, you should commence the use of Warner's Safe Cure. It will stem the ravages of chronic Bright's Disease and effect a cure where the kidneys are not absolutely ruined by prolonged degeneration.

It is made from the fresh juices of plants and medicinal roots, gathered at the proper season, in the various quarters of the globe. Men skilled in chemistry and pharmacy have put up in 50c and \$1.00 sizes and sold by druggists everywhere.

## EDUCATORS TO LECTURE

### UNIVERSITY OF OREGON PLANS EXTENSION WORK.

Aside From Item of Traveling Expense, Talks Will Be Given Free in Any Locality of State.

UNIVERSITY OF OREGON, Eugene, Or., Nov. 9.—(Special).—In connection with university extension work, the members of the university faculty are preparing to give a series of lectures before study clubs and civic improvement organizations all over the state. Aside from the items of traveling expense, these lectures will be given free of charge and upon request the faculty will deliver them in any locality.

Practically every department in the university will be represented in this work. Geography, geology, biology, practical mathematics and educational and institute lectures are included in the curriculum.

Interesting phases of Shakespeare, early English poetry and studies in German and Latin topics will be featured by the heads of these departments. Those which promise to be the most popular and instructive are along biological and economic lines.

Professor A. R. Sweetser, state biologist, will talk on "Swat the Fly," "Toadstool Talk," "The Gospel of Puritans," "Oregon Trees" and "Microscopic Friends and Foes of Every-Day Life."

Dr. J. H. Gilbert, of the economics department, has prepared 12 lectures on economic subjects, including studies in taxation, immigration, tariff, railroads, trusts and socialism. The currency problems and an exposition of the causes leading to the present mercantile crisis will also be featured by this authority in his lectures.

Many requests have already been received for these lectures, and now that the complete list has been compiled, it is predicted that the demand for them will spread over the entire state.

### Medford Police Are Baffled by Clever Crooks in Town.

MEDFORD, Or., Nov. 9.—(Special).—Medford police are being hunted out a purse-snatcher who has been causing much concern among the women. Monday night, while watching the prohibition parade, a woman's purse was snatched from her grasp, and so neatly and quickly was the work of the thief accomplished that she did not get even a glimpse of him.

Yesterday morning prominent club-woman's handbag was stolen as she was attending a department store sale. She carried on her arm a leather handbag. After emerging from crowd, she noticed the bag sagged extremely light, and on glancing down discovered that all that remained of it in her possession was the handle. The bag contained a purse with considerable money and a gold watch.

## PORTLAND WAITERS' CLUB GIVES FIRST SMOKER AT CLUBROOMS.

MEMBERS OF PORTLAND WAITERS' CLUB.

The Portland Waiters' Club last week gave their first smoker, which the members intend to make a semi-annual event. The affair was given at the clubrooms, 38 1/2 Washington street, and included a program of music by many of the prominent entertainers from the leading theaters of the city.

All the prominent managers, stewards and head waiters of the hotels, cafes and clubs of the city were present with their staffs, and also among those present were many business men and city officials.

Officers of this club say that it is not a waiters' union, as many think it is, but is simply an organization formed for the purpose of benefiting the members. It also carries a death and sick benefit. It is the intention of the association to build a handsome clubhouse.

The organization is a branch of the Waiters' Club of San Francisco and other cities, where they have a large membership and their own club building.

The officers of the local club are: J. Hampton, president; J. Milne, vice president; J. P. Murphy, treasurer; H. Weber, recording secretary; and A. De Prate, financial secretary.

### Relief in Five Minutes Awaits Every Man or Woman Who Suffers From a Bad Stomach.

Nothing will remain undigested or sour on your stomach if you will take a little Diapepsin occasionally. This powerful digestive and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves, without the slightest fear of indigestion or that you will be bothered with sour risings, belching, Gas on Stomach, Heartburn, Headaches from stomach, Nausea, Bad Breath, Water Brash or a feeling like you had swallowed a lump of lead, or other disagreeable miseries. Should you be suffering now from any stomach disorder you can get relief within five minutes.

Take a 60-cent case of Pape's Diapepsin; you could always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no Indigestion or Sleepless nights or Headache or Stomach misery all the next day; and, besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapepsin can be obtained from your druggist, and contains more than sufficient to thoroughly cure the worst case of Indigestion or Dyspepsia. There is nothing better for Gas on the Stomach or sour odors from the stomach or to cure a Stomach Headache.

You couldn't keep a handier or more useful article in the house.
