All Handkerchiefs From 50c Up Will Be Hand-Embroidered Free of Charge

—Many of our customers, competent critics, who have seen the advance showing of our Xmas handkerchiefs, commented on the great superiority in quality and beauty over those of previous seasons. We are justly proud of the showing we make for this sale. The secret lies in the fact that the department is now under the supervision of a new buyer, a man with wider experience and broader knowledge of the intrinsic value of handkerchiefs than any buyer previously in our employ. It is his first holiday season with us. He means to make a record. In this sale we have placed no restrictions upon his bargains. We have given free rein to his management. Thousands of dozens of handkerchiefs from Ireland, France, Armenia, Syria and Switzerland bid for your patronage. As an inducement to make holiday purchases in this sale we offer GREAT PRICE REDUCTIONS; as an added attraction will hand-embroider free of charge all kerchiefs from 50c up.
