CLASS RATES ASSAILED

PACIFIC RAILROAD & NAVIGATION CO. DEMURS.

Line Sues Commission and Asks That It Be Restrained From Enforcing New Tariffs.

SALEM, Or., Nov. 22.—(Special).—Attacking class rates ordered by the State Railroad Commission recently, the Pacific Railroad & Navigation Company this morning filed suit against the commission asking that an injunction restrain that body permanently from putting class rates into effect. The suit was filed in the Marion County Circuit Court.

It is alleged that the railroad company until September 30, 1910, had expended \$1,753,507.40 in construction of its Hillsboro division, and since that time sums which cannot now be ascertained. It further alleges that the gross receipts of the road on the Hillsboro division reached \$2,905,02. Operating expenses of the road are shown in the complaint to have been \$30,815.02 and the general expenses \$119,720.34, these expenses being on the Hillsboro division as well.

It is averred that the proposed rates are unreasonable and unlawful and that the rates now charged are such as will allow the road to do business, but the new rates will cause the road to operate at a loss. It is further alleged that the revenues now received from operation are less than 10 per

WITNESS BLAMES UNION

State Would Prove Tobacco-Workers Planned Murder of American.

TAMPA, Fla., Nov. 22.—After examination of several witnesses today the state rested in the trial of the leaders of the cigarmakers' strike.

T. E. Fisher, a cigar box manufacturer, testified that several days after the shooting of J. F. Easterling he had told De la Campa, head of the Tobacco Workers' Union, that the strikers were making a big mistake in shooting Americans, and that De la Campa had replied: "Well, I am sorry, but we had to take drastic steps to prevent the men from going to work."

SEATTLE NEGRO WINS SUIT

Court Gives Black Man Deed to "Swell Residence" Tract.

OLYMPIA, Wash., Nov. 22.—Can a negro be barred from a swell residence district in Seattle? This is a question submitted to the Supreme Court today in the King County case of David Cole against the Hunter Tract & Improvement Company. The company's saying that it has spent over \$700,000 in parking and boulevarding the tract in an effort to make it an exclusive residence section, and that individual lots were sold as high as \$6000 each. It is

claimed that the company's salesmen all had orders not to sell to negroes, but a colored man secured an assignment of a contract of sale issued to a white purchaser, and when the colored man tendered money for the deed it was refused. Suit to compel issuance of the deed was brought, and the King County court decided in favor of the negro.

TOLSTOI LAID TO REST

LATE COUNT'S DIRECTIONS AS TO BURIAL CARRIED OUT.

Last Rites Heard and Casket Lowered Without Ceremony on Part of Orthodox Church.

TULA, Russia, Nov. 22.—It was late in the afternoon, before the long line of mourners had passed the bier of the late Count Tolstol, whose body lay in state all day at his home here.

Just before sunset the casket was carried to the grave, by the side of which the family and close friends of Tolstol knelt. The choir sang the hymn, "Everlasting Memory," but there was no other ceremony. The casket was lowered into the ground and the filling in proceeded at once.

Throughout the night and during early hours of today special trains arrived at Zasetka, the railway station near Yasnya Poliana estate, bearing delegations to the funeral. Students of Moscow University occupied 23 coaches.

Following Count Tolstol's written request, his grave was made under "Poverty Oak," in the spot where in childhood he buried a green rocking horse. This was reference to an episode in the early life of Tolstol and his brother, who with childish rites consigned to the earth a hobbyhorse in the belief that when it was disinterred a reign of happiness would be inaugurated.

MRS. TOTTEN IS CONVICTED

Sensational Trial Ends in First Degree Murder Verdict.

WENATCHEE, Wash., Nov. 22.—The jury this morning, after being out all night, brought in a verdict against Mrs. Della Totten for murder in the first degree. Mrs. Totten was convicted of killing James Sutton, a neighbor boy, for crossing her land through which no road had yet been established. The crime occurred last August. Mrs. Totten and mother hid behind bushes with a shotgun, awaiting the arrival of young Sutton. When Sutton attempted to cut the wires of the fence, which she had constructed across the road, she shot him, killing him instantly. Her mother, Mrs. Beebe, who accompanied her, will come to trial this week. Mrs. Totten formerly lived in Nebraska. The trial has lasted all of this week. The interest has been intense and the courtroom has been filled to the utmost every hour of the trial.

The jury reached the verdict after being out for 17 hours. Mrs. Totten calmly listened to the verdict without the slightest emotion. In her defense the woman claimed that she shot Sutton after he had attempted to strike her aged mother.
