Scintillating, Sparkling, Brilliant
Cut Glass Now on Sale

—Admirable cut glass from America's foremost cutter. With one or two exceptions the output of this maker is sold exclusively to fine jewelry stores. He uses none but the finest blanks which are cut by experts only in registered patterns which he controls. You can see at a glance how deeply and perfectly each piece is cut. The polishing is done by hand with fine hard wood shavings insuring a permanent brilliancy. We wish to impress

INDELIBLY the fact that at **REGULAR PRICES** we are a quarter lower than any other store in Portland. Add to this the decided reductions offered on every piece of cut glass in this sale and you can readily figure what a **SUBSTANTIAL SAVING** you secure in this holiday offering.
