# PRISONER KILLED: GUARD IS WOUNDED

Recaptured Convict Grabs Gun as Oregon Boot Is Being Applied.

SHERIFF

Six Bullets Are Sent Into Body of Arthur Pisher, Desperado, Ending Struggle With Guard Ashley, of Boise Prison.

BURNS, Or., Nov. 28.-(Special.)-In a last desperate effort to regain his freedom, Arthur Flaber, escaped convict from the Idaho Penitentiary, grappled with his captors this morning and as a result now lies dead, while Dan W. Ackley, pealtentlary guard from Bolse, is suf-fering with a wound through the abdo-While Ackley's condition is serious, doctors believe his chances for recovery good.

Fisher, who was serving sentence at Baise for horsestealing, escaped April 18, 2508, and during the past two years had been herding sheep in this county. Sheriff Richardson received notice last week
to capture him and on Friday Pisher
come to Burns, when the Sheriff made
the arrest and notified the Rolse officers.
Last evening Guard Arkley arrived and
identified his man. This morning Ackley was persaring to take the stage for
Vale. While Arkley and Sheriff Richardson were placing the Gregon boot on
Fisher, who stood up between the two,
with his foot on a chair, Fisher reached
over quietly and slipped Arkley's revolver from his hip pocket. He turned the
gun on Sheriff Richardson, the builet
missing the officer's head by a narrow
margin.

Ackies grappled with Fisher and in the scuffle Fisher shot him through the abdomen. Richardson pulled his gun as soon as he could safely shoot and put six bullets into the desperado, killing blue isstantia.

Fisher, whose prison name at Bolse was James Tannen, was It years old. It is reported he shot a guard at the Walla Walla prison some years ago. He is mid to come from a good family in Lawrence, Kan.

Lawrence, Kan.
Gunril Ackley was removed to the Hotel Burns, where he is under the care of Ires. Marsden and Griffith, who found that the bullet entered just below the breast bene, ranging slightly downward, and passed out at the left side of the back at the ninth rib. There was no evilunce of internal hemorrhage and the doctors think the patient has a good chance to live. This evening he is resting easy with no fever.

The Coroner's jury exponented Sheriff Richardson and commended him for his prompt action.

#### LAND WILL BE RECLAIMED

Reservoir Site Near Carp Lake to Be Used for Storing Water.

GOLDENDALE, Wash. Nov. 23.— (Special.)—Considerable activity has been shown around Carp Lake this last week, since it is known that this nat-ural reservoir site is to be used for the storage of waters for irrigation purposes. Carp Lake is nine miles north of Goldendale in the Simcoe

The stored waters will be drawn from the lake by means of a tunnel several hundred feet long. There will he water enough for several thousand acres of alfalfa land. Spring Creek be-ing mostly benefited by this project. Heretofors wheat and apples have been the chief products for market, but un-der the ditch it will make the land

der the ditch it will make the land valuable for dairy purposes.

Camplain & Gillett, of the State Bank of Goldendale have engineers in the field at present making preliminary surveys. This past week the Crater Irrigation Company has been incorporated by Lew Duncan and associates, of Portland and Vancouver. Condemnation proceedings have been filed by Camplain & Gillett for ditch right-of-way and for reservoir sites.

### MRS. IRA CONNER IS DEAD

Death Comes at Cottage Grove in Visit to Relatives.

COTTAGE GROVE, Or., Nov. 13.— (Special.) — After an illness of five days Mrs. Ira Conner died at the rest-dence of her sister-in-law, Mrs. E. J. Beidler, in this city last evening Mrs. Conner was passing Thanksgiving week with relatives. She was stricken suddenly with paralysis last Wednes-day and did not regain consciousness. Mrs. Conner was born in Kirksville, Mo. September 12, 1858, and with her family crossed the plains in 1865, locating near Eugene. Later she resided at Junction City and in Eastern Ore-gon. In 1882 she was married to Ira Conner. She is survived by her hus-band and five sons, Horace, Ira, Charles, Harry and Bose, all of whom Charles, Harry and Bose, all of whom live here. She is also survived by two stepsons, W. C. Conner, editor of the Cottage Grove Leader, and E. C. Conner, Mrs. Howard and Mrs. Lee, of Junction City, and Mrs. Dodsou, of Joseph. Or. sisters, and John, James, Jess and George Kirk, brothers, who live in Eastern Oregon.

### BETTER SERVICE PROMISED

Telegraph Office at Klamath Falls to Be Open at Night.

KLAMATH FALLS, Or., Nov. 29 .-(Special.)—In response to a petition prepared and circulated by Judge George T. Baldwin and extensively signed by the business men of the city, the Western Union Telegraph Company has decided to keep its local office open here all day and until midnight.

The service here has only been from 5 to 5 in the past. In response to the request by the people the company manager states in a letter to Judge Baldwin, that an exira operator will be kept on from this time until the first of the year as an experiment, and if the revenue proves sufficient to maintain the double service it will be

the Legislature has announced in advan-of coming to Olympia that he lee f of coming to Olympia that he is for economy, there is going to be trouble right from the start, and an indication of this is shown by the figures made public by the State Beard of Control in

connection with the five institutions of higher learning in Washington.

The University at Stattle, the State Col-lege at Pullman, and the three normal schools have submitted their estimates for the 1911-13 biennium, and the total is \$1,007,175.56 against the \$1,542,558 allowed by the Legislature for the 1909-11 period. The increase is \$192,768.56, close to \$500,900 or

Shoot is increase is \$192,782.56, close to \$500,000 or an increase of practically 231-3 per cent over the past two years.

During the year 1900, for all purposes, \$23,992,856.33 was raised by taxation. The higher educational budget for the coming two years equals \$15 per cent of this amount. In 1960 the total raised by taxation for school purposes by the state, counties and school districts amounted to \$8,317,462.31. The five big educational institutions are \$25.21 per cent of this amount. Taking the figures will not be amount. Taking the ingures will not be available until next Spring, the big schools are asking over 4 per cent of the total taxes or practically 12 per cent of the money raised for school purposes.

As a result the Board of Control will morely submit the estimates of the heads of the five institutions to the Legisla-ture only, balking at the idea of recom-mending that the amounts be allowed. The university heads the list this time The university heads the list this time with a request for \$88,31.84, having been allowed \$871.22 by the hast legislature; the State College wants \$605.181.17 from the 12th Legislature as against the \$834.555 allowed two years ago. The normal the advance sheets of the report of Lating statistics are included in some of the advance sheets of the report of Lating \$100.000 and \$100.0000 and \$100.0000 and \$100.0000 and \$100.0000 and \$100.0000 and

CORVALLIS GETS MOST MODERN AND COMPLETE OF DEPART-MENT STORES

PORTLAND MAN ARCHITECT OF VALLEY CITY STRUCTURE CORVALLIS, Or., Nov. 22.—(Special.)—With the completion of the two-story business block by G. Harding for Nolan & Sons, Coryalits has one of the most modern and complete department-store structures in this part of the state. The building is constructed of pressed brick and steel heavy enough to carry four stories. Light in this building is one of the features and it will be known as the "day-light store." The building has a full basement. It is fitted with a steam-heating plant and has modern plumbing throughout. The structure was designed by E. E. McClarea, architect, of Portland, and built under his supervision.

Ellamsburg Normal goes up from 286,600 to some of the wonderful results that have been obtained in this state in 1910. Ellensburg Normal goes up from \$8,000 to \$120,000 while the Cheney Normal re-quests \$120,661.55 as against the \$110,000

## CROP PROSPECTS ARE GOOD

Approach of Winter Finds Plowing and Seeding Completed.

-Crop prospects at this season were never more encouraging in Columbia. Garfield and Asotin Counties, declare farmers who have tilled the soil of this section for over a quarter of a century. Since harvest, weather has favored uninterrupted farm work and for the first time in several years, the approach of Winter finds plowing and seeding completed. Fall grain seeded soon after harvest has attained a growth of four to six inches, depending on the locality, while late seeding has sprouted nicely and will present a hardy stand before the season were averaging seven bushels; 10.230 acros overaging nine bushels; 10.230 acros overaging nine bushels; to the acre, or 251,520 bushels; 10.211 acres averaging 15 bushels to the acre, or 479,310 bushels; 10.212 acres averaging 15 bushels to the acre, or 479,310 bushels; 10.212 acres averaging 25 bushels to the acre, or 479,310 bushels; 10.212 acres averaging 25 bushels to the acre, or 479,310 bushels; 10.212 acres averaging 25 bushels to the acre, or 479,310 bushels; 10.212 acres averaging 25 bushels; 10.212 acres averaging 30 bushels; 10.212 acres averaging 30 bushels; 10.212 acr hardy stand before cold weather pre-

Several conditions are combined to bring broad smiles of sweet anticipa-tion to the face of the Southeastern Washington farmer. Chief of these is an abundance of Fall moleture, which an abundance of Fall moisture, which has put the ground in prime condition. A Fall weed growth was prevented this year, heavy, soaking rains holding off until late, thus discouraging these troublesome pests.

The acreage of Fall grain in Columbia County is larger than for many years, one estimate placing the acreage at 60,000.

## CHAUTAUQUA HEADS NAMED

Old Directorate Retained-Part of Programme Told.

OREGON CITY, Or., Nov. 29 .- (Special.) At the annual meeting of the stockholders of the Willamette Valley Chantauqua Assembly here today the Chautauqua Assembly here today the following directors were elected to serve for the ensuing year: H. E. Cross, J. E. Hedges, G. D. Eby, George A. Harding, Mrs. Sarah A. Evans, C. B. Moores, J. H. Ackerman, C. Schuebel, John W. Loder, A. F. Parker, C. H. Dye, Dr. George Hoeye, W. A. Huntley. The directorate was increased from 15 to 13 and all of the former directors were elected, with the addition of W. A. Huntley. Annual reports of the secretary and treasurer and the audit committee show a balance on hand of \$506.72, after paying a note of \$316.59. The surplus will be exnote of \$216.50. The surplus will be ex-

pended in the improvement of the Chau-tanqua grounds.

Most of the talent for next year's ses-sion has already been engaged. The mu-sical programme embraces the Apollo Concert Company, of Chicago, for four days, and the Williams Jubilec Singers, of Chicago, for two days. Ex-Governor Hadley, of Indiana, and De Weit Miller are scheduled for two lectures and many other attractive features will be offered next July. next July.

Burke Snowslide Buries Miner.

SPOKANE, Wash, Nov. 29,—Four men, employed at the Full Moon mine, near Burke, Idaho, were near death early this morning when a snowslide, swesping down the mountain, carried cabina, machinery and equipment into Lake Glidden, over 1000 feet distant. The loss to property is estimated at \$10,000. One miner, Edward Butler, was buried under the snow, but was rescued by his companions without in-

been obtained in this state in 1910.
Corn acreage in 1910, he states in the report, was the greatest in the history of the state, the average yield being reported at 255 bushels to the acre. The acreage was 34,119, with a yield of 615,634 bushels. This sold at an average of 30 cents a bushel, the total returns being MAXING for the acre.

There were IIS acres averaging five bush-

The barley acreage showed 5,230 acres, yielding 31.4 bushels to the acre, or 2.112.-132 bushels, at a value of \$1.478.514.

The year 1970 is shown to have closed with 127.187 goats in the state, these animals being valued at \$331.561.

On September 30 there were \$2.122 hives of bees in the state, valued at \$410.630, the average price for a working hive being set at \$5 and the average production of bees, was 40 pounds to a colony, or FEDERAL PLUM IS TO FALL

honey was 49 pounds to a colony, or 3.284,889 pounds. This demanded an average value of 5 cents a pound, or \$255,639. The buckwheat yield is reported as being 31,017 bushels from 3821 acres. Hoff also reports that 2000 acres of abbarra viciding five tors to the acre. cabbages yielding five tons to the acre of 10,000 tons, netted the grower \$150, 000, gave employment to 407 people fo 60 days, the workers receiving \$48,215

Hood River Grows Rich.

Figures are given on the Hood River Valley in the report, which show that there are 10.078 acres in cultivation there out of 47.865 acres of tillable land. The actual number of bearing apple orchards for 1910 was \$27, which apple orchards for 1910 was \$27, which produced 169,808 boxes of apples, none of which sold f. c. b. Hood River for less than \$1.27 a box, the larger percentage being sold for \$2.75 a box, and a few thousand bringing \$2.75. The crop netted \$607,068.

There were also marketed \$7,030 crates of strawberries, which averaged \$2.22 a crate, or \$148,806. Of this amount \$87,230 was received by the 2125 pickers, who averaged 20 days time. To harvest the apple crop re-

rease of 7,481,479

Eighty cons of seed peas were grown in Oregon in 1916, and for this the growers received \$100 a ton, or \$8000. At an estimate on the potato crop, the harvest not being minished as yet, it is calculated there are 6.048,900 bushels, valued at 50 cents a bushel, or \$3.629,-340. Poultry products for the year are estimated at 19,469,149 eggs, with a total yaine of \$4.419,496.

Poindexter.

Jones Says He Will Work With

ed Judge Rudkin as Successor

to the Late Judge Whitson,

on Federal Bench.

SPOKANE, Wash., Nov. 29 .- (Spe-

tial.)-"Nothing but the most friendly

cial.)—"Nothing but the most framaly relations exist between Congressman Miles Poindexter and myssif. I know of nething which would make it otherwise," says Senator Wesley L. Jones. "I differ with his views on some matters, but Poindexter is a Republican and I am a Republican. I have no

can and I am a Republican. I have no doubt that we will work in perfect harmony at Washington. The only way we will be able to accomplish anything for this state is to work to-

The hatchet has been buried between

Jones Will Aid Harmony.

an and I am a Republican.

The hatcher has been buried between the great Washington progressive. Miles Poindexter, and his colleague-to-be, the United States Senator from Yakima, who it is said opposed the former's candidacy for the brother po-sition in the highest legislative body in the land. time. To harvest the apple crop required 1565 hands, who averaged \$2.30 a day for 20 days, or \$87.345.
Eighteen hundred acres in melons and vegetables, grown exclusively for seed purposes, are reported, yielding in

seed purposes, are reported, yielding in 1919 \$1.816.173. Eight persons received \$8125 for labors performed.

For the first three months of the coreal year ending September 30, 1910, the report shows that the Port of Portland exported and shipped coastwise lumber cargoes aggregating 74.752.228 feet, or a gain over the same period in 1909 of 29.149.224 feet. September's exports reached 12.950,108 feet, valued at \$156,922.47, against 5.468.627 feet worth \$51,725 in September, 1909, representing an increase of 7.481.479

Potato Crop Not Reported.

in view of making this remarkable offer. The savings, to say nothing of the fact that they are all new patterns, should alone be an incentive to home-furnishers to renew their window hangings. Some priced as low as 69¢ pair.

Rudkin Not After Judgeship.

"With respect to Judge Rudkin, I have no hesitation in saying that he meets the President's requirements in every respect," but he is not an applicant for this place and will not be.

"I shall have no hesitation in suggesting Judge Rudkin to him as a law yer and a judge who will measure up fully to the standard set by him and whose appointment would meet with the unanimous approval of the bar of the district and the entire state."

WORKMEN ARE STRANDED

Men Find Nothing to Do. Senator Denies He Has Recommend-

> KLAMATH FALLS, Nov. 29 .- (Special.)-Nine workingmen appealed to Sheriff Barnes and in turn were sent to District Attorney Kuykendall for relief. They had been shipped in here from San Francisco and Portland by employment agencies to work on the railroad contract north of Klamath Fails which was closed down a few days ago. When these men arrived here they found they could get absolutely nothing to do.

District Attorney Kuykendall says that nothing can be done to force the railroad company, by law, to take these men back to where they came from but that he had notified the company not to honor any more passes for men being sent here for railroad work.

GRIEF LEADS TO SUICIDE

Old Resident Broods Over Son's Death; Fears Mind Is Failing.

in the land.

As far as Senator Jones is concerned, the last election closed the chapter and he is going to Washington with the determination to work shoulder to shoulder with progressive Republicans from the state. The Senator spent a few hours in Spokane this morning. THE DALLES, Or., Nov. 29 .- (Special.) -Brooding over the death of a favorite on a year ago, weakened by the afteroffects of an attack of typhoid fever from which he suffered two years ago, and fearing that his mind was falling.
James W. Zumwalt, an old resident of
Wamic, a village in the interior of this
section, committed suicide Friday by
placing the muzzle of a rifle in his mouth
and pulling the trigger. News of the With peace declared the matter of 'ederal patronage and appointments a materially cleared up. It is expected enator Jones may assist in many ways and pulling the trigger. News suicide was received here today. in bringing together the two factions in the Republican party, especially in Zumwalt was @ years old. He leaves a widow and family of grown children.

Washington.

Next in importance to the party harmony is the burning question of the appointment of a Federal Judge in Eastern Washington, which is one of the principal plums to be given out. In response to the question, "It has been stated that you have recommended Judge Rudkin for the place," Senator Jones said:

"No. I have not recommended Judge Rudkin to fill Judge Whitson's place Rudkin to fill Judge Whitson's place and any statements to that effect are wholly unauthorized. I have not rec-ommended any one at all. The Presi-dent properly does not consider judi-cial appointments as political appointday. John M. McCaw, of Colfax, was elected secretary-treasurer. The engineers, who are here to attend the Washington Sigia Good Roads convention, recommended to the State Legislature a law requiring the examination of all engineers before a state examining board to be receiving them to put up bonds pattern edge top.
