BOISE, Idaho, Dec. 2 .- (Special.)-H. BOISE. Idaho, Dec. 2.—(Special.)—It.
S. Geery, Deputy Bank Commissioner,
was today appointed State Bank Commissioner by Governor Brady, to succeed

Even those who are most strongly in favor of the enactment do not go so far as to infer that the people desired an increased number of Justices, merely because they passed the amendment at the recent election, but base their contention almost solely on the great amount of work which will be caused by the amendment.

Governor Brady and Mr. Cruse both refuse to discuss the matter. Cruse decires the attack political and unwarranted and announces he will issue a signed public statement within a few days in his defense.

That action may be commenced against the deposed Commissioner, who is under \$2500 bond for faithful performance of his duties, as the result of the fallure of the Halley bank, was intimated today. In removing Cruse it was said by Governor Brady that the examiner knew of the Halley bank, and had been ground to the Halley bank, and had been ground to the Halley bank, and had been ground to the fall of the Halley bank, and had been ground to the fall of the fall of the Halley bank and had onnounces he will issue a signed public

of the deputy, as he retires from office
January 1, to be succeeded by Governor-elect Hawley, who has announced
he will appoint W. V. Piatt, of Coeur
d'Alene, Bank Commissioner. The Halley
bank falled during the recent campaign.
